PREAMBLE

The following Agreement between the District and CSEA is recorded in written form to meet the requirements of Government Code 3540, et seq, and, more specifically, wages, hours of employment, and other terms and conditions of employment as defined therein in exchange for services.

ARTICLE 1

AGREEMENT AND RECOGNITION

This agreement is between the Rancho Santiago Community College District (hereinafter referred to as "District") and the California School Employees' Association and its RSCCD Chapter 579 (hereinafter referred to as "CSEA"). Reference to "the parties" shall include both the District and CSEA.

The District hereby recognizes CSEA as the sole and exclusive representative of all classified unit members enumerated in Exhibit D, attached hereto and incorporated herein by reference as part of the agreement.

When new classifications are created, both parties shall endeavor to reach an agreement to determine if they are to be included in the bargaining unit. CSEA and the chapter president shall be given thirty (30) days written notification of the recommendation of the creation of a new classification before Board approval. If the District does not receive a response within that thirty (30) day period, CSEA waives any right to object to the designation proposed by the District. Disputed cases shall be submitted to the Public Employees Relations Board (hereinafter referred to as PERB) in accordance with that agency's rules and negotiations.

For the purposes of interpreting this contract when referring to classified employees, RSCCD and CSEA have agreed to define those classified employees as listed below:

1. Classified Unit Member – all employees whose employment is defined by the CSEA Contract (generic term unit-employee or employee).
2. Permanent Unit Member - one who has been employed more than 6 months.
3. Probationary Unit Member - one who has been employed less than 6 months.
4. Salaried Full-time Unit Member - one who works 40 hours per week. Receives benefits as defined in the CSEA Contract.
5. Salaried Part-time Unit Members – Salaried employees who works more than 20 hours but less than 40 hours per week. Receives pro-rated benefits as described in the CSEA Contract.
6. Percent of Contract Unit Member – one who works less than 20 hours per week for a fixed number of hours per week. Receives pro-rata benefits as described in the CSEA Contract with the exception of Health and Welfare.
7. Hourly Unit Members – one whose classification is defined as up to 19 hours per week, may or may not include flexible schedules. (i.e.: flexible start times, days of week, etc.). Receives pro rata benefits as described in the CSEA Contract, with the exception of Health and Welfare, based upon hours worked each month.

The following are outside of the contract but referred to as defined by Ed. Code:

Substitute and short-term employees employed and paid for less than 75% of a school year, apprentices, and professional experts employed on a temporary basis for a specific project, regardless of length of employment; full-time students employed part-time; all as defined in Education Code section 88003.

A substitute employee means any person employed to replace any unit employee who is temporarily absent from duty or who is filling a permanent position which the district is engaged in a procedure to fill.

Substitute employees may work not more than 90 calendar days in a substitute assignment while the District is engaged in a procedure to fill the vacant permanent position.

ARTICLE 2

Such invalidation of a part or portion of this agreement shall not invalidate any remaining portions which shall continue in full force and effect.

10.2.4 A unit member called for jury duty shall not be encouraged in any way to seek exemption from such duty nor shall they be discriminated against in any way for not seeking such exemption.

10.2.5 Unit members are required to report to work during any day in which jury services over four (4) hours are not required. Unit members shall be excused from four (4) hours of work for any assigned shift in such cases.

10.3 **Personal Necessity Leave**

10.3.1 A unit member may be granted a maximum of seven (7) days' leave of absence in any school year without loss of pay, in cases of personal necessity. Such leaves shall be deducted from the unit member's accumulated sick leave.

10.3.2 Personal necessity leave specifically does not include any recreational use nor any use related to present or prospective employment. Necessity leave must meet one of the following qualifications:

10.3.2.1 Leave request is on matters of compelling personal importance which cannot be accomplished other than during the unit member's regular assigned working hours, or deferred to a more convenient date or time to accommodate the regular work schedule.

10.3.2.2 Leave request is caused by serious illness or death of a member of the immediate family; an accident involving their person or property, or, the person or property of a member of their immediate family; or appearance in court as a litigant or a witness under official order except as a witness adverse to the District or as a litigant in an action adverse to the District.

10.3.2.3 Personal Necessity leave must be requested at least five (5) calendar days in advance and approved by the appropriate administrator, who also reserves the right to verify such request by an appropriate means. The requirement for five days notification and approval shall not be mandatory if the nature of the personal necessity precludes advance notice or permission or in the case of death or serious illness of a member of the unit member's immediate family, or an accident involving his person or property, or the person or property of a member of the unit member's immediate family.

10.3.2.4 "Immediate family" will be interpreted to mean blood, step, and foster relations limited to the parents, grandparent, grandchild, spouse, child, sibling, son-in-law, daughter-in-law, brother-in-law, sister-in-law, mother-in-law, father-in-law, of the unit member or their spouse or any person living in the unit member's household excluding strictly landlord/tenant relationships.

All conference requests must be approved or denied within ten (10) working days by the appropriate administrator on the conference request form.

10.5 **Industrial Accident or Illness Leave**

10.5.1 Unit members shall receive sixty (60) days' leave with pay in any one (1) fiscal year for an industrial accident or illness. An industrial accident or illness is defined as one where the unit member becomes ill or is injured while they are serving the District.

10.5.2 Industrial accident or illness leave will commence on the first (1st) day of absence. Allowable leave shall not be accumulative from year to year. When an industrial accident or illness occurs at a time when the full sixty (60) days will overlap into the next fiscal year, the unit member shall be entitled to only that amount remaining for the same illness or injury at the end of the fiscal year in which the injury or illness occurred.

10.5.3 After the sixty (60) days has been exhausted, the following leave time may be used for additional leave. At the unit member's option, leave may be used in the following order:

- a. accrued sick leave
- b. compensatory time
- c. vacation
- d. extended sick leave

10.5.4 Payment for wages lost on any day shall not, when added to an award granted the unit member under the worker's compensation laws of this state, exceed the normal wage for the day. Industrial accident leave will be reduced by one (1) day for each day of authorized absence regardless of a compensation award made under worker's compensation.

10.5.5 The industrial accident or illness leave of absence is to be used in lieu of entitlement acquired under Section 88191 of the State Education Code. When entitlement to industrial accident or illness has been exhausted, entitlement to other sick leave will then be used; but if a unit member is receiving worker's compensation, they shall be entitled to use only so much of their accumulated or available sick leave, accumulated compensation time, vacation, or other available leave, which when added to the worker's compensation award, provides for a full day's wage or salary.

- 10.5.6 Periods of leave of absence, paid or unpaid, shall not be considered to be a break in service of the unit member.
- 10.5.7 During all paid leaves of absence, whether industrial accident leave as provided in this section, sick leave, vacation, compensated time off, or other available leave provided by law, or the action of the Board, the unit member may endorse to the District wage loss benefit checks received under the worker's compensation laws of this state. In the absence of such endorsements, the District shall deduct from the unit member's wages the equivalent of the amount for such wage loss benefit checks. The District, in turn, shall issue the unit member appropriate warrants for payment of wages or salary and shall deduct normal retirement and other authorized contributions. Reduction of entitlement to leave shall be made only in accordance with this section.
- 10.5.8 When all available leaves of absence, paid or unpaid, have been exhausted and if the unit member is not medically able to assume the duties of their position, they may be placed in another available position in which they are medically able to assume the duties and meets the minimum qualifications. They shall, if not placed in another position, be placed on a reemployment list for a period of thirty-nine (39) months. When available, during the thirty-nine (39) months period, they shall be employed in a vacant position in the class of their previous assignment over all other available candidates except for a reemployment list established because of lack of work or lack of funds, in which case there shall be listed in accordance with appropriate seniority regulations. A unit member who has been medically released for return to duty and who fails to accept an appropriate assignment shall be dismissed. The District shall require certification by the attending physician that the unit member is medically able to perform the duties of their position.
- 10.5.9 Any unit member receiving benefits provided in this section shall, during periods of injury or illness, remain within the State of California unless the District authorizes travel outside the state.

10.6 **Sick Leave**

This entitlement shall be credited at the commencement of employment or at the start of each succeeding fiscal year (July 1) to salaried unit members. Fractional assignments, including 19 hours or less, shall receive proportionate leave entitlement.
- 10.6.2 Unit members employed five (5) days a week or less than a full fiscal year are entitled to that portion of twelve (12) days' leave of absence for illness or injury as the number of months they are employed bears to twelve (12).

- 10.6.3 Unit members employed less than five (5) days per week shall be entitled, for a fiscal year of service, to that proportion of twelve (12) days' leave of absence for illness or injury as the number of days they are employed per week bears to five (5). When such unit members are employed for less than a full fiscal year of service, this and the preceding paragraph shall determine that proportion of leave of absence for illness or injury to which they are entitled.
- 10.6.4 Pay for any day of such absence shall be the same as the pay which would have been received had the unit members been on a paid status during the day. Credit for leave of absence need not be accrued prior to taking such leave by the unit member and such leave of absence may be taken at any time during the year. New unit members of the District shall not be eligible to take more than six (6) days, or the proportionate amount to which they may be entitled under the policy, until the first (1st) day of the calendar month after completion of six (6) complete months of active service with the District.
- 10.6.5 If the unit member does not take the full amount of leave allowed in any year under this section, the amount not taken shall be accumulated from year to year.
- 10.6.6 Sick leave may be used for visits to medical doctors, dentists, optometrists, oculists, chiropodists, chiropractors, psychiatrists, and Christian Science practitioners. Upon approval of the immediate administrator, such leave shall be reasonably scheduled so as to interfere as little as possible with the operations of the District and shall be of reasonable duration.
- 10.6.7 All sick leave absence or use shall be reported in writing to the Chancellor or designee. When abuse of sick leave is suspected, or excessive over a period of time, the District reserves the right to require medical verification for any illness. The medical verification from the doctor shall include the necessity for absence from work based on the illness and length of time unit member will be unable to return to work.
- 10.6.8 Disabilities caused or contributed to by pregnancy, miscarriage, abortion, childbirth, and recovery therefrom, are, for all job-related purposes, temporary disabilities and shall be treated as a condition of illness.
- 10.6.9 Unit members must be in active employment or on paid leave to earn sick leave. Unit members on extended illness leave are eligible to earn sick leave. Sick leave may be used only on those days when the unit member is required to report for duty but cannot do so because of illness or injury. Unit members who become ill or injured but are not required to report, such as those on leave or vacation, may use sick leave credits without a return to active service, provided the unit member furnishes adequate notice, relevant supporting information, and/or verification of illness or injury forming the basis for such interruption or termination.

- 10.6.10 Where a unit member is separated prior to rendering a complete fiscal year of service, the sick leave entitlement for the partial year shall be that proportion of twelve (12) days' leave as the number of months in the fiscal year they were employed bears to twelve (12).
- 10.6.11 Sick leave shall not be earned when a unit member is on leave without pay. Sick leave shall be earned for all paid leaves.
- 10.6.12 Any sick leave benefits earned but unused on the date of retirement shall be converted to retirement credit in accordance with Government Code Section 20862.5, or, its successor.

Scheduled overtime shall be identified as overtime in which the district had knowledge of the required work prior to the need. If an unforeseen event occurs resulting in less than the equivalent to one shift's notice to the District (i.e. sick call less than 1 shift in advance of scheduled hours) occurs, the District

shall not be bound by the rotation requirements. A list of all full-time unit members within each department shall be created and used for offering overtime on a rotation basis. This list shall remain constant with new unit members being added to the bottom of the list in the order hired. No unit member shall be removed from the list until the Board of Trustees has approved a permanent status change of title or site. Unit members who are on leave when overtime is offered shall be deemed as not available and the next person on the list shall be offered the overtime. Unit members engaged in an on-going task requiring overtime may be assigned the overtime in lieu of the rotational list. It is understood that on-site unit members shall be offered the overtime prior to going to off-site unit members.

The overtime schedule of hours worked shall be posted and made available to all unit members. Upon request, the supervisor shall provide the unit member with a written statement of reasons for non-selection of any overtime assignment.

Unit members at the time of overtime assignment shall be granted upon request compensatory time off in lieu of cash payment, for overtime subject to the annual maximum prescribed in the federal Fair Labor Standards Act. Compensatory time off shall be earned at the rate of one and one-half (1½) hours for each hour of overtime worked. All overtime must receive prior approval from the immediate supervisor.

Approved and earned compensatory time may be used to extend vacation and/or sick leave. Such compensatory time off shall be requested by the unit member and taken within twelve (12) calendar months following the month in which the overtime was worked. Management shall make every effort to accommodate the date(s) requested by the unit member provided the request does not impair services rendered by the District. A unit member may not accrue more than two hundred forty (240) hours of compensatory time; all overtime worked once the unit member has accrued two hundred forty (240) hours shall be paid overtime. In the event the District prevents the unit member from taking the compensatory time off in the time frame stated above, the District shall pay the unit member for such time it prevented the unit member from taking.

The District shall consult with CSEA if it is determined that a position no longer requires bilingual ability.

These provisions do not prevent unit members from using bilingual abilities on an incidental basis. It is understood that because a unit member is bilingual does not mean that they will receive a stipend, but rather, management will determine the appropriate stipend based on the needs of the District.

The unit member shall submit to People & Culture a written statement from their immediate supervisor that the unit member was not attending during working hours. A conference/workshop attendance certificate may be required to determine amount of credit granted.

- 22.2.2 All course work requires a passing grade as determined by the educational entity. The unit member must provide evidence of what constitutes a passing grade as determined by the educational entity. One semester unit equals one (1) point. Quarter units convert to semester units on the basis of three (3) quarter units are equal to two (2) semester units. In credit/no credit classes, the unit member must receive credit.

ARTICLE 23

EFFECTS OF LAYOFF

23.1 Reason for Layoff

Unit Members shall be subject to layoff for lack of work or lack of funds in accordance with the education code. A reduction in hours or work year shall be considered a layoff for purposes of this Article. CSEA shall retain the right to negotiate the effects of layoff.

23.1.1 A Unit Member shall not be laid off if a short-term employee is retained to render a service where the Unit Member meets the qualification.

23.2 Seniority Procedures

23.2.1 Seniority in the classification being cut is the basis upon which a classified unit member shall be laid off. In effecting layoffs, the following rules shall apply:

23.2.1.1 Seniority shall be based upon the amount of paid service in the classification in which the unit member has served and shall include actual service and all paid leaves such as vacation, holidays, sick leave, etc. Time compensated on an overtime basis shall not be credited.

- a. Seniority shall include all regular time in a class plus time accrued in higher classes as defined by personnel procedures. In the event of a tie of accumulated time, first preference will be given to the unit member with the longest total District service as a classified employee. If a tie still exists, the unit members will draw lots to determine preference.
- b. Time spent on leave without pay excluding voluntary furlough, shall not be included when computing seniority, but time spent on approved leaves with pay and on military leaves (reserves) shall count toward seniority accrual.
- c. Time spent in the class between breaks of employment because of separation (such as substitute or temporary employment) shall not count toward seniority accrual.

23.2.1.2 When reclassification results either in the merger of two or more classes or the separation of a class into two or more classes, seniority rights of unit members who are reclassified with their positions shall be computed from the date of their earliest entrance into regular service in such former classes.

23.2.1.3 A unit member transferred from one class to another, or reclassified to a higher class, shall retain their seniority in the former class; seniority in the new class shall begin accumulating on the date of transfer. Unit members who are reclassified to a different classification, but with the same salary grade, shall have their seniority in the new class credited to the former classification.

23.2.2 Seniority List: Unit members shall be ranked by seniority in a specified class, plus all higher classes, from which displacements are expected. This list will be used for determining:

Layoff from the classified service in the proper sequence.

The exercise of displacement rights to retain employment.

23.2.3 Displacement Rights: Permanent unit members who are to be laid off, may exercise bumping rights in their class or in any lower class in which they have served and hold seniority credit greater than an incumbent. They may also exercise bumping rights in their class or in any lower class for which they possess bilingual skills identified as needed for the position, (as described in Section 14.14) and hold seniority greater than an incumbent. The unit member bumped shall be the one with the least seniority in the class plus related higher classes. In determining bumping rights, the following rules shall apply:

23.2.3.1 In cases of reclassification, reorganization, or abolishment of positions, an incumbent's seniority in the class plus higher related classes shall be computed as outlined in Section 23.2 above.

23.2.3.2 Displacement shall be in descending order of assigned time within the classification. Assigned time is defined as actual hours compensated within a classification the total assigned hours per week multiplied by the assigned weeks per year. For purposes of this calculation, 12-month positions shall be counted as 52 weeks, 11-month positions shall be counted as 48 weeks, 10-month positions shall be counted as 43 weeks, and school session positions shall be counted as 36 weeks. Flexible hour positions shall only be able to displace other flexible hour positions.

23.2.3.3 Unit members exercising displacement rights shall bump the least senior unit member(s) in accordance with SENIORITY PROCEDURES. A seniority list will be provided to CSEA Chapter President (or designee by People & Culture).

23.2.3.4 A unit member accepting a position in a lower classification in lieu of layoff, shall be placed on a step in the service of the previous classification which is nearest to, but not higher than the monthly salary they would have earned in the former classification.

23.2.3.4.1 In any case, the unit member salary placement shall not exceed the salary they would have earned in the former classification.

23.2.3.4.2 In any case, the salary shall not exceed the maximum step of the current classification.

23.2.3.4.3 The unit member will retain their anniversary date for subsequent salary advancement.

23.2.3.4.4 Salary increments based upon longevity shall continue to be paid in the new classification.

23.2.3.5 For the purposes of this Article only, Instructional Assistants may be laid off in reverse order of seniority (least senior first), by discipline.

23.3 **Notification of Unit Members**

23.3.1 No later than March 15 the governing board of the District and the unit member shall be given written notice by the Chancellor or designee that the unit member's services will not be required for the following school year. The unit member will be noticed of their right to request a hearing.

Unit members affected by layoff when a classified position must be eliminated as a result of categorically or grant funded program expiration are not entitled to the March 15th notice or hearing, however, shall be given written notice by certified mail sixty (60) days prior to the effective date of layoff and shall be informed of their displacement rights (bumping), if any, and re-employment rights. A copy of all notices shall be provided to the Chapter President. Any notice of layoff shall specify the following:

- Name and Classification of the Unit Member
- Reason for Layoff
- Unit Member's displacement rights, if any

23.4 **Rights of Unit Members Laid Off for Lack of Work or Funds (Education Code 88117)**

23.4.1 Re-employment Rights: Unit members laid off are eligible for re-employment for a period of 39 months.

23.4.1.1 A unit member on a re-employment list may decline three offers of re-employment in their former class. After their third refusal, the unit member's name will be removed from the re-employment list.

23.4.1.2 Removal of Name from Re-employment List

- a. A unit member's name may be removed from the re-employment list for the class from which they have been laid off if they fail to respond to a written notice of employment within twenty (20) calendar days of notification.
- b. The District may take an action to remove a unit member's name from the re-employment list permanently for the conviction of a crime which would be sufficient to support dismissal of a permanent unit member.

23.4.1.3 Classified job announcements will be sent to unit members on the 39-month re-hire list.

23.4.1.4 Laid off unit members do not accumulate seniority credit while on re-employment lists.

23.4.2 Displacement Rights: A permanent unit member may exercise bumping rights pursuant to guidelines set forth in 23.2.3 of these guidelines.

23.4.3 Rights in Lieu of Layoff:

23.4.3.1 A permanent unit member who may be laid off despite the exercise of bumping rights in their class, in order to avoid layoff, may request and accept a voluntary demotion to a lower class, or voluntary reduction in assigned hours and/or fewer days/months per year than which they had previously served.

23.4.3.2 A unit member who has accepted demotion in lieu of layoff has the right to be employed, in accordance with their seniority, in a vacant position in their former class within 39 months after demotion provided the unit member meets the current qualifications for the position.

If at this time the unit member does not meet the stated qualifications for that class, the District and CSEA agree to negotiate a reasonable time period in which the unit member may prepare for and achieve the stated qualifications, if feasible.

If at the end of this period the unit member has failed to achieve the required qualifications the position shall be offered to the next most senior person on the 39-month re-hire list.

- a. Intervening reassignments to other classes should not abrogate that right.

- b. If they have not been re-employed in their former class at the end of 39 months, they shall be eligible for appointment to a vacant position in that class for an additional period of up to 24 months.
- c. All rights acquired by a unit member at the time of layoff shall be restored at the time of re-employment.

23.4.4 Benefit Rights: If a unit member is re-employed by the District within 39 months after the date of previous termination, their accumulated sick leave allowance, service credit for vacation allowance, and service credit for longevity pay shall be reinstated.

23.4.5 Substitute Employment: Unit members laid off shall be placed on the substitute list for call-in for substitute employment in any class within the District in which they have served and/or have displayed that they meet the minimum qualifications. Such unit members shall be afforded such work on a rotational basis in accordance with seniority.

23.4.6 Effects of Layoff on Remaining Unit Members: Unit members remaining in employment shall not be required to work additional hours or required to perform overtime as a result of layoffs, or be required to take work home as a result of layoffs.

23.4.7 Unit members who have exhausted (or waived displacement rights) may request to be interviewed for vacancies for lateral or lower classifications for which they meet minimum qualifications. These unit members shall be interviewed prior to other unit members or outside applicants, provided the unit member requests an interview prior to the closing date of the posting.

23.4.8 The District shall continue health insurance benefits for all unit members who have been laid off through the last day of the month in which the unit member was employed.

23.4.9 Unit members subject to layoff may receive up to five (5) non-consecutive days paid release time to search for alternative employment. Such time must have the prior approval of the immediate supervisor.

23.5 **Definitions as Used in this Policy**

As used in this policy, the following terms have the meanings delineated below:

23.5.1 Class: A group of positions sufficiently similar in duties and responsibilities that the same descriptive title may be used to designate each position allocated to that class:

Substantially the same requirements of education, experience, knowledge and ability are demanded of incumbents;

Substantially the same tests of fitness may be used in choosing qualified appointees;

The same salary range may be applied with equity.

23.5.2 Class Seniority: The length of service within a classification included within the recognized unit.

23.5.3 Classification: A term which defines those positions in the classified service according to a designated title. Classification excludes working titles.

23.5.4 Displacement Rights (Bumping): The right to displace or bump into a current, lateral, or lower classification. Seniority in a lower classification shall be computed on the basis of hours of paid service in the higher classification(s) plus hours of paid service in the lower classification(s). When a unit member's position is eliminated or the unit member is displaced, the unit member has the right to bump only into classification(s) currently or previously held. The unit member will first bump into the current classification, and then into any lateral classification(s) previously held. If the unit member is then displaced from the lateral classification(s), the unit member has the right to bump into the next lower classification(s) previously held.

23.5.5 District Seniority: The length of service from the last continuous date of hire with the District.

23.5.6 Length of Service: Means all hours in paid status as a unit member during the school year, a holiday, a recess, or during any period that school is in session or closed but does not include any hours compensated for in a provisional, substitute, or temporary (limited-service) position.

23.5.7 Re-employment List: A list of names of unit members who have been laid off from permanent positions by reason of lack of work, or abolishment or reclassification of position, or other reason specified in the Board Policy, and who are eligible for re-employment without examination in their former class, arranged in order of their rights to re-employment.

23.6 **Comprehensive Effects of Layoff**

Article 23 constitutes a comprehensive layoff article. The District will meet with CSEA thirty (30) days prior to implementation to discuss mutually agreeable alternatives to layoffs and the order of layoff and transfer or reassignment of unit members in the affected classifications.

ARTICLE 24

CORRECTIVE ACTION PROCEDURES

Progressive Discipline

- 24.1 Progressive discipline is a strategy for taking positive steps in order to stimulate the improvement of employee performance. Progressive discipline enables supervisors to assist unit members to meet performance standards and adhere to established rules, procedures and expectations of acceptable job behavior. Progressive discipline should be administered in an objective, consistent, reasonable, and confidential manner.
- 24.2 CSEA and the District agree that progressive discipline will be applied except in cases of gross misconduct. Acts of gross misconduct are intentional, wanton, willful, deliberate, reckless, or in deliberate indifference to the District's interest. Insubordination is the willful or intentional disregard of the lawful and reasonable instructions of the employer or the refusal to obey an order which a manager/supervisor/designated lead is entitled to give and have obeyed. Acts of gross misconduct and/or insubordination may result in the pursuit of immediate disciplinary action.
- 24.3 The rule of thumb regarding the use of progressive discipline is that the unit member should:
- a. Be informed of performance standards and job behavior expected on the job;
 - b. Be given feedback on any problems of job performance or behavior.
 - c. Be given no less than one verbal warning that is documented and maintained by the supervisor or may be given a Letter of Direction in conjunction with the initial verbal warning if the offence is not illegal, or does not rise to the level of gross misconduct.
 - d. Neither preceding action will result in documentation being placed in the unit member's personnel file.
 - e. Should a regularly scheduled evaluation be due within 90 days of the act which would have resulted in implementation of progressive discipline, Article 8 may be utilized in lieu of the section above.

A Letter of Direction shall include specific recommendations and time periods for improvement, and if appropriate, provisions for assisting the unit member in implementing any recommendations made. Failure to comply with the Letter of Direction may result in written reprimand and/or disciplinary action.

- 24.4 Unit members shall have the right to CSEA chapter representation and/or a Labor Relations Representative present during any verbal counseling, disciplinary meeting, hearing or appeal conducted by the District administration. Both the unit member and CSEA chapter representative(s) shall have the right to reasonable travel time to and from the verbal counseling meeting, disciplinary meeting, hearing or appeal.

Disciplinary Action Procedures

- 24.5 The causes for disciplinary action are enumerated in Administrative Regulation 7365.
- 24.6 Disciplinary action may include suspension with or without pay, demotion or termination. No disciplinary action shall be taken against any permanent unit member for any cause which arose prior to the date in which the unit member became permanent, nor for any cause which arose more than two (2) years preceding the date of the filing of a Notice of Disciplinary Action, unless such cause was concealed or not known to the District. Bargaining unit members with permanent status shall be subject to discipline only for just cause, pursuant to this article. The District retains the right to terminate initial-entry probationary unit members without cause.
- 24.7 If the District proposes that a unit member receive discipline, the following due process procedure shall be followed:
- 24.7.1 The unit member shall be notified in writing of the intent to discipline. The notice shall in ordinary and concise language outline the specific acts and/or omissions upon which the disciplinary action is based; the rule or regulation, policy, practice or law which the unit member has violated; the level of discipline to be imposed; any materials upon which the action is based; and the length of time in which the unit member will have to respond either orally or in writing to the due process (Skelly) notice. This notice shall also include a "Request for Skelly Meeting" form.
- 24.7.2 The unit member shall have the opportunity to respond to the notice orally (Skelly meeting) or in writing within ten (10) calendar days. This meeting shall be held before a Cabinet-level administrator who is not a party to the proposed disciplinary action, either as the supervisor initiating the proposed disciplinary action or as a direct witness to the proposed charges. In the alternative, the permanent unit member may elect to respond in writing to the notice of recommended disciplinary action to the designated administrator. The Skelly officer shall have the authority to uphold, reduce, or dismiss the discipline and/or charges brought forth by the District.
- 24.7.3 If disciplinary action is proposed after the due process (Skelly) meeting, the unit member shall be notified in writing of the specific acts and/or omissions upon which the disciplinary action is based; the rule or regulation, policy, practice or law which the unit member has violated; the level of discipline to be imposed; any materials upon which the action is based; and the length of time in which the unit member will have to appeal the disciplinary action.

ARTICLE 26

RECLASSIFICATION

26.1 Overview

A. The purpose of classification review is to assign jobs to appropriate classification specifications and to measure those specifications for an appropriate salary level. It may be conducted for gradual and permanent changes in the:

- Assigned responsibilities
- Complexity of duties
- Organizational impact of the position
- Level of supervision received and/or exercised
- The knowledge, skills and abilities required to successfully perform in the position.

A classification study is not conducted for reasons such as:

- Added workload
- Desire to increase current position salary range
- Desire to promote
- Personality traits
- Performance
- Effectiveness
- Longevity
- Speed
- Dedication
- Retention
- Future and Strategic planning
- and/or for additional position(s) under manager's purview.

B. Classification review is initiated as a result of (1) a reclassification request or (2) a reorganization or as specified in 26.3 below.

C. A review may result in no change in classification assignment. If there is a change in classification, salary level may be higher, lower or remain unchanged.

D. Requesters should note that normal increases in skills, experience and proficiency in the position are addressed by step increases. Also, reclassification requests should not be submitted on the basis of increases in workload where duties remain unchanged.

26.2 Definitions

A. Incumbent: An individual holding the position.

- B. Reclassification: Placement of a position in a different class specification as a result of a gradual shift in duties.
- C. Classification Change: Placement of a position in a different class specification as a result of a reorganization.
- D. Reorganization: A planned change in departmental structure, as recommended through administrative levels and approved by Cabinet, that affects the duties of one or more positions.
- E. “Y” Rate: A circumstance when a unit member is assigned to a different classification in a lower salary grade and retains their current salary. This would continue until the salary schedule increases to include the incumbent’s salary.
- F. Class: A group of positions which are so significantly similar in duties and responsibilities that each person in the group requires the same or equivalent qualifications; can be filled using the same selection methods/criteria; and can be given the same general title. Examples of classes include Administrative Clerk and Custodian.
- G. Class Specification: A written description for a group of positions that relates to a range of duties that may be performed, identifies minimum qualifications and is used to determine appropriate salary levels.
- H. Class Series: A group of classes (two or more) similar in duties and related in job content, but different in level. Examples of class series include Admissions and Records Specialist I, II, and III; and Custodian and Senior Custodian/Utility Worker.
- I. Classification: The process by which a position is assigned to a class.
- J. Job Measurement: The process of determining the salary level of a position in an organization. The District may use a different system for evaluation by mutual agreement with CSEA.
- K. Position: The specific assignment/work location within a classification.

26.3 **Reclassification Request Process**

- A. Requests for classification reviews may be submitted to People & Culture by an incumbent or when it is believed there has been a substantial and permanent change of duties that may result in a different classification of the position held.
- B. The unit member must have served in the position for at least one year before a request may be submitted. A position may not be reviewed more than once in any

two-year period. This period is counted from the date of submission of the reclassification request.

- C. Unit members are to submit reclassification requests annually between July 1 to August 31. The process timelines commence on September 1.
- D. To initiate a classification study, the unit member is to fill out the Position Review Questionnaire. The questionnaire will be sent to both People & Culture and the manager/administrator.
- E. Upon receipt, the manager and the administrator will review.
- F. If there is an agreement in the need for classification study, the manager and the administrator shall draft a requesting memorandum (attached to the Position Review Questionnaire) hereafter referred to as “questionnaire” detailing what has changed in the position’s duties and responsibilities. The memorandum must include an organizational chart of the position’s unit.
- G. If there is no agreement in the need for classification study or if there is no response from the manager and the administrator within thirty (30) working days of submission to the manager and the administrator, People & Culture shall proceed with the review without the memorandum as described in section C.
- H. Upon receipt of the questionnaire and memorandum (if applicable) from the manager/administrator, People & Culture will review and conduct additional studies as needed such as needing additional information from the manager/employee, interviews, internal/external classification audits, compensation studies and/or conducting desk audits.
- I. The District shall schedule a meeting with CSEA to review all reclassification requests involving bargaining unit positions.
- J. Within ninety (90) working days of the questionnaire receipt, People & Culture will provide the unit member/manager/administrator with a recommendation letter (pending board approval).
- K. If People & Culture recommends no reclassification changes, the process will conclude. If People & Culture recommends reclassification changes, People & Culture will provide a justification memorandum with the personnel report to be adopted by the Governing Board.
- L. If the unit member wishes to appeal the decision, they must submit a written appeal articulating new and/or additional information that was not considered earlier to the Vice Chancellor, People & Culture within fifteen (15) working days. The decision of the Vice Chancellor, People & Culture shall be communicated to the unit member within thirty (30) working days. This decision shall be final.

26.4 **Effects of Reclassification Changes**

- A. When a position changes from one classification to another or the salary level is raised as a result of a review, the incumbent must meet the minimum qualifications for the new class. Should the incumbent not meet minimum qualifications, the incumbent shall submit a written plan to People & Culture that describes how and when minimum qualifications will be satisfied. This plan must be approved by the supervisor and the Vice Chancellor of People & Culture prior to the reclassification of the individual. Should the incumbent not meet minimum qualifications in the new classification in the prescribed time, the District and CSEA shall meet and review the qualification required and make a recommendation to either revise the minimum qualifications, extend the required time lines, or return the incumbent to their previous salary level and former classification. Should this classification no longer exist, the incumbent shall move into a related class at the previous salary level at the next vacancy.

When a position changes classification and/or there is a salary level change, and the incumbent qualifies for the higher level, the unit member will be placed according to the current bargaining unit agreement provision or Board Policy, as appropriate. Reclassification requests submitted during the reclassification period as stated under 26.3 (B). Reclassification of a position shall become effective on the date of board approval. In the instance of vacant reclassified positions, effective dates may be set in the future to allow time for recruitment to be completed.

- B. When a position is changed to a classification having a lower salary range, the unit member's wages may be "Y" rated. See "DEFINITIONS."

26.5 **Reorganization**

Reorganizations are planned changes in departmental structure where new duties and responsibilities may be assigned. Prior to implementing any reorganization, the District shall negotiate the decision and the effects with CSEA.

26.6 **Periodic and Regular Review of Class Specifications**

No Later than July 1st of each year, the parties shall begin reviewing classifications in order to determine if any class specifications require compensation or classification study. The parties will meet and consult on the process upon request of CSEA.

The order of review shall be as follows:

- A. All classifications that have not been reviewed in a five (5) year period. The classifications that have remained un-reviewed for the longest period of time shall be reviewed first. In the event that two or more classifications have been reviewed on the same date, the classifications shall be reviewed in alphabetical order. If the

parties are unable to determine the date of last review, the review date shall be determined by date of last modification.

B. The parties may review classifications out of order by mutual agreement.

If a class specification review results in the creation of a new classification or significantly alters the representative duties of an existing classification, the District shall submit the revised class specification(s) to the District's job evaluation consultant for measurement. The District and CSEA shall negotiate the implementation of any class specification reviews which result in a change in pay grade.

Abilities and Skills Affecting Performances:

Identify and evaluate those abilities and skills that are relevant to the accomplishments of the employee's job responsibilities. Job relevant skills not listed may be added.

PERFORMANCE STANDARD LEVELS

1. ***Above Standard*** – Contribution exceeds what is normally expected. Often viewed as a model for other employees in the specific area of evaluation. Others see this individual's counsel based on demonstrated authority of knowledge. A majority of marks at this level would signify to the employee that they are ready for further growth opportunities.
2. ***Meets Standard*** – Performance is what is expected of a fully qualified and experienced person in the position. You would not require significant improvement. If improvement occurs, it is a plus. If not, you have no reason to complain. There is confidence in most recommendations and the individual requires only normal supervision and follow-up.
3. ***Below Standard*** – Has been on the job long enough to have shown better performance. Must be made aware of performance deficiencies. Has not grasped the situation. If there are a number of marks in the category, the individual should be on a formal improvement program. Could result from being new on the job.
4. ***Not Relevant to Job*** – Not relevant to current job duties.

Workplace Performance Standards:

Ratings of above standard and below standard must be supported citing examples in comments section. Ratings of below standard must have recommendations for improvements, which shall include specific recommendations, time periods for improvement and provisions to assist the employee in implementing any recommendations made.
