

RESEARCH DEPARTMENT

**Rancho Santiago Community College District
Course Advisements in Math, English, ESL/ACE/EMLS, and Reading**

Compiled by the RSCCD Research Department, October 2013

Standardized placement tests are administered to all students prior to their initial placement into the Math, English, ESL/EMLS/ACE, and Reading course sequences. Those scores are valid for placement into the specified English/ESL/EMLS/ACE course for a period of two years, into the Math course sequence for a period of one year, and into Reading coursework indefinitely. The recommendations included here indicate course advisements for the given semester (based on the test score and multiple measures), and DO NOT indicate actual enrollment in these courses for the specified semester.
