Next Meeting:
September 18, 2019
3:00 p.m.
Executive Conference Room #114

Mission Statement

The mission of the Rancho Santiago Community College District is to provide quality educational programs and services that address the needs of our diverse students and communities.

The mission of Santa Ana College is to inspire, transform, and empower a diverse community of learners.

Santiago Canyon College is an innovative learning community dedicated to intellectual and personal growth. Our purpose is to foster student success and to help students achieve these core outcomes: to learn, to act, to communicate and to think critically. We are committed to maintaining standards of excellence and providing the following to our diverse community: courses, certificates and degrees that are accessible, applicable, and engaging.

Sustainable RSCCD Committee

Purpose

The Sustainable RSCCD Committee is a participatory governance committee, working with the campus committees, responsible for raising awareness within the district and making recommendations to the Chancellor concerning the conservation of energy and other resources and the implementation of sustainability practices that impact the district and community.

Responsibilities

- Promote and nurture new patterns of thinking about college and district operations, practices, learning programs, support services and the relation to the local community that include consideration of conservation of energy and sustainability.
- Develop a comprehensive plan to achieve climate neutrality.
- Create institutional structures and identify resources relating to conservation of energy and sustainability to guide and support the implementation of the comprehensive plan.
- Complete an inventory of all greenhouse gas emissions and update that inventory.
- Encourage the development of curriculum that raises awareness about climate neutrality and sustainability and that offers a career path to employment in “green” technologies.
- Review the status of and develop objectives related to improving and maintaining the “green infrastructure” of the district and colleges.
- Provide periodic progress reports on the accomplishments of the committee.

Membership

District Representatives

- Chancellor
- Assistant Vice Chancellor, Facilities – Chair

College Representatives

- Vice President, Administrative Services – SAC
- Vice President, Administrative Services – SCC
- Vice President, CEC
- Vice President, OEC

Faculty Representatives*

- Two faculty members as appointed by the SAC Academic Senate
- Two faculty members as appointed by the SCC Academic Senate

Classified Representatives*

- Four classified representatives as appointed by CSEA

Student Representatives

- Two students as appointed by the SAC Associated Student Government
- Two students as appointed by the SCC Associated Student Government

* If possible, faculty and classified representatives will be appointed to a two year term. To ensure committee continuity, the terms will be staggered. Initial appointment by half of the representatives will be for a two year term and the other half of the representatives will be for a three year term.

Sustainable RSCCD Committee
