TEACHING EXPERIENCE

Teaching Associate

- English 2880: Science Fiction, Cal Poly Pomona, Fall 2021-Spring 2022
 - Course description: The course examines science fiction as a literary genre. The history of science fiction. The significance of science fiction in contemporary life and thought. Observing science fiction from its early sightings during the seventeenth century and the Romantic period to contemporary times. By studying science fiction from early as the seventeenth century, we will observe the genre's evolution: what science fiction was before it became an official genre, what science fiction entails, what has changed, and how themes remain relevant today.

Prison Education Project Instructor

- Introduction to Creative Writing course, Riverside Southwest Juvenile Facility, Summer 2022
- Introduction to Autobiography Writing course, CIW: The California Institute for Women, Fall 2021-Spring 2022
