- Also ask for the government rate which can sometimes be less

Lodging

- For travel within California, fill out the Transit Occupancy Tax Waiver (last page of the CRCF) and bring with you to present at check in
 - When accepted, provides substantial savings by reducing taxes charged
- At this time the District does not allow business lodging booked from vacation rental companies such as Airbnb, VRBO, etc.

Meals

- The intent of meal reimbursement is to cover the incremental cost of having to eat out rather than at home. It is not to cover the entire cost of meals
- Meals for which expenses are actually incurred during period of travel shall be reimbursed at the per diem rate per meal using the current single low level IRS rate (\$10 breakfast, \$20 lunch, \$30 dinner)
- No per diem for meals covered by conference. If an employee chooses to purchase a meal that is covered, this is a personal expense
