Hi Sharlene,

I love ASCIP. I've been with them since almost their inception, except for the years I was at Pasadena City College which was in the SWACC program. So I've seen both organizations.

I'd be happy to talk to you more about ASCIP. In my opinion and experience, with ASCIP almost all their programs are bundled under one fee. Keenan makes a lot of money because their coverages and services are separate and a la carte. Keenan is a for profit organization. ASCIP is a member owned organization that is not in business to make a profit.

I know everyone at ASCIP very well. If you would like to talk to them, I'd be happy to help arrange it.

Peter,

Do you like ASCIP better than SWACC?

Mt. SAC and Siskiyou are asking to come back to SWACC. But, I am a bit frustrated with SWACC after this ADA lawsuit and based on the Board meeting last week where they changed our Auxiliary – Foundation coverage from full coverage to a maximum of \$1 M with no notice.

Let me know what you think? Maybe we can chat.
