1. Welcome/Introductions
   Mr. Didion welcomed the committee and guests from the accreditation visiting team.

2. Approval of Minutes
   The motion to approve the minutes of the September 10, 2014 meeting was moved by Judy Chitlik, seconded by Rosie Enriquez. The motion carried unanimously.

3. Status Report on Full-time Faculty Hiring Obligation
   Mr. Didion distributed information and led a discussion regarding the full-time faculty hiring obligation from the state chancellor’s office. Our obligation for fall 2014 was 334.8, we are 8 tenths of an FTE below and anticipate we will have 8 tenths of a penalty of the $73,000.00 and that it will fall to Santa Ana College. Santa Ana College completed their hiring but their last position which was in nutrition has a spring start date and was not included in the count. It was recommended that we target 19 positions at Santa Ana College, 10 positions at Santiago Canyon College with the latitude to adjust that upward if there is a growth rate that exceeds 1% in credit. The 10 and the 19 would be the base line vacancy allocation plus anyone else who retires or resigns between now and spring break. Those vacancies would stay at the college where they occur. Motion was made by Judy Chitlik and seconded by John Zarske to forward to District Council for fall 2015 faculty recruitment 29 full time faculty (19 at Santa Ana College and 10 at Santiago Canyon college) based on the 1% growth estimate. Motion carried unanimously.

4. 2013-14 EEO Fund Performance Report
   Employment Services Manager Elouise Marasigan reported on the Equal Employment Opportunity Fund District Performance Report for Fiscal Year 2013-14. The District received an allocation of $12,224 from the state Chancellors office to be used for the district’s EEO expenditures. There was

5. **Fifth Draft: Human Resources and Staffing Plan**
Mr. Didion reported that the suggestions from the last meeting were incorporated into the fifth draft with FON numbers on page 9 updated to real numbers versus projections.
