- District Mission Statement

Following review and discussion of feedback received from district staff regarding the District's Mission Statement, the current Mission Statement was reaffirmed with no changes:

The mission of the Rancho Santiago Community College district is to provide quality educational programs and services that address the needs of our diverse students and communities.

- Use of One-Time Funds:

POE recommends that a necessary sum of the state Mandated Cost reimbursement be set aside for ADA, OEC, and Marketing liabilities and that all remaining funds be distributed to the colleges based upon the FTES revenue model. Any unspent funds set aside for the previously stated district liabilities should also be distributed to the colleges based upon the FTES revenue model.
