

RANCHO SANTIAGO COMMUNITY COLLEGE DISTRICT

ADDENDUM NO. 1

Bid #1410

Charter Bus Transportation

August 15, 2022

**Rancho Santiago Community College District
2323 North Broadway Room 109
Santa Ana, California 92706**

The following changes, additions, deletions, or corrections shall become a part of the Bid documents for the project named on the previous page, and all other conditions shall remain the same. Addendum No. 1 must be acknowledged by placing company name, authorized signer name, title, signature, and date at the end of this addendum and include this document in your Bid.

1. **Question:** Is District willing to waive the 50% rule for fleet age? Pandemic had most buses sitting for 2 years which means a 7-year-old bus is really the same mileage and wear and tear as a 5-year-old bus. As well, for School Buses, it is nearly impossible to find any newer buses for purchase and brand-new buses have a 12-month waiting period.

Answer: The District will waive the 50% rule on fleet age.

2. **Question:** Is District willing to alter their SAM insurance requirements to industry standard \$1MM/\$2MM or \$1MM/\$3MM at the most? \$3MM/\$6MM is outside the scope of what most insurance carriers offer.

Answer: The District will accept \$1,000,000/\$3,000,000 in Sexual Misconduct or Molestation Liability coverage

This is the end of ADDENDUM NO. 1
