CAMPUS UTILITY MAPPING AND INVESTIGATION SERVICES

FOR

DISTRICT WIDE UTILITY SURVEY

Addendum No.1

Issued: January 10, 2025

The following changes, additions, deletions, or corrections shall become part of the above-mentioned RFP:

The following are responses to questions received:

1. Question: We received RFP #2425-369 for utility mapping. We would like to confirm that this is a prevailing wage project and does not fall under a PLA (Project Labor Agreement). If this is a prevailing wage project we will need a DIR (Department of Industrial Relations) number.

Answer: Please note, this RFP only reflects utility-mapping/compilation based services as noted in Phases 1 & 3 of the RFP. Meaning, the consultant is not responsible for the exploration or invasive field investigation required. A contractor will be solicited directly under the district as noted in Phase 2 of the RFP. Phase 2 will be prevailing wage and a DIR number will be provided to the awarded contractor at that time.
