

REQUEST FOR QUALIFICATIONS (RFQ) #2526-393

MATERIALS TESTING AND SPECIAL INSPECTIONS CONSULTING SERVICES

Addendum No. 01

Issued: August 14, 2025

The following changes, additions, deletions, or corrections shall become part of the above-mentioned RFQ:

A. The following are responses to questions received:

1. Question: “.....” is already prequalified for these services. Do we have to reapply?

Answer: *The RFQ that established the existing Materials Testing & Special Inspections pre-qualified list was completed in May 2019. The District renews their prequalified list every 5 years and a **new** Response is required to be eligible to be added to a new prequalified list.*

2. Question: Would you be able to share the estimated or awarded contract value associated with this RFQ? We’d appreciate any information you can provide to help us better understand the scope and scale of the opportunity.

Answer: *This Request for Qualifications (RFQ) has been issued for the purpose of developing a list of prequalified firms. Please note that no contract value will be awarded at this stage. Once a Request for Proposals (RFP) is issued to the prequalified firms, project scopes and scales may vary. In terms of construction costs, individual projects may range from approximately \$25,000 to \$10 million or more.*

3. Question: I’ve reviewed the RFQ document and would appreciate clarification on: The **contract value** or anticipated budget range for the scope of services.

Answer: *See Answer to Question 1.*

4. Question: I’ve reviewed the RFQ document and would appreciate clarification on the **expected duration** of the contract, including any estimated start and end dates

Answer: *This Request for Qualifications (RFQ) has been issued for the purpose of developing a list of prequalified firms. Please note that no contract value will be awarded at this stage. Once a Request for Proposals (RFP) is issued to the prequalified firms, project scopes with expected duration, including any estimated start and end dates may vary. The list of prequalified firms is valid for five (5) years.*
