1.1. Purpose

By way of this Request for Qualifications/Request for Proposals (“RFQ/RFP”), the Rancho Santiago Community College District (“District”) is requesting Statements of Qualifications and Proposals (“Responses”) to provide Constructability Review Services (“Services”) for two projects: 1) Campus Entrance Improvement – Phase 1 Project at Santa Ana College and 2) Access Control Pilot Projects at Santiago Canyon College, Santa Ana College, and Digital Media Center. The purpose of this RFQ/RFP is to obtain information that will allow the District to select a qualified Firm (“Consultant” or “Firm”) to provide Services for this Project on behalf of the District. The District has an immediate need for constructability review of the plans and specifications for above projects. The District reserves the right and discretion to determine if any Responses will be utilized to add firms to the list of pre-qualified Constructability Review consulting firms for future RFPs.

Consultant has the option to respond to any of the two (2) projects as desired. Consultant must submit a separate fee proposal for each project and corresponding documents. It is the District’s intent to award two (2) separate agreements for the project.

The District has an established prequalified short-list of constructability consulting firms based on RFQ/RFP #1718-205. Firms are required to submit a response according to **Section 1.5 “Response Format”**.

All Exhibits may be recreated in another program as long as the formatting and information requested mirrors the PDF forms attached to this RFQ/RFP. The intent of the PDF forms is to keep all the requested information in a uniform format.

NOTE for Firms teaming with Sub-Consultants: Each responding Firm shall select their proposed sub-consultants based on their own criteria. However, RSCCD reserves the right to approve and request additional information or substitutions for sub-consultants proposed for any projects that may be awarded. Sub-Consultants do not need to complete all the Exhibits in this RFQ/RFP. Carefully read each section to determine which forms the Sub-consultants need to submit.

Responses to all questions received prior to the deadline will be provided to all Consultants via addendum.

2. PROJECT DESCRIPTION and SCHEDULE

Project # 1 Campus Entrance Improvements at Santa Ana College Description

The District is interested in developing Lots 1, 3, 4, and the front entrance as part of the Santa Ana College Facility Master Plan. This project is the first of three potential phases of work and construction. This first phase of work includes a new entry plaza with a vehicular looped driveway to facilitate a safer drop off area from the 17th Street main entrance, it also includes new hardscape and softscape, and creates a new passenger-loading zone to serve

both students and visitors. The work will create an entirely new front entry for the college that is safer for pedestrians, more efficient for vehicles, and will provide a welcoming atmosphere. These improvements are necessary to restore the site upon completion of the Russell Hall demolition project, to remove accessibility barriers, and enhance the visibility of the new Johnson Student Center when you enter the campus from the main entrance.

Project # 2 Access Control Pilot Projects at Santa Ana College, Santiago Canyon College, and Digital Media Center

In 2018, the District conducted a door and hardware assessment district-wide as part of an effort to develop a long-term solution to convert to a new electronic access control system

across buildings district-wide (i.e. using electronic key ID cards for access entry into buildings, etc.) to enhance the security and safety of students and staff.

As a result of the assessment, the District has a district-wide inventory of doors and hardware with professional recommendations on the recommended access control platform and electronic hardware requirements.

Before a more comprehensive plan can be developed district-wide, the District is interested in conducting pilot projects at the Digital Media Center (“DMC”), Santiago Canyon College (“SCC”), and Santa Ana College (“SAC”) to replace the existing access control systems and/or install a new system. The District selected a new access control platform called Genetec Security Center and has installed an enterprise level server with multiple buildings already integrated and tested. However, a comprehensive pilot is required across the Colleges and District centers to increase the scale of the installation and pilot the District’s new Key and Electronic Access Control procedures. Piloting the access control system at strategically selected locations will help the planning process before a more comprehensive plan is developed and deployed district-wide. The test pilot will serve to work out deployment challenges and operational issues with the new Key and Electronic Access Control procedures before it is implemented on a larger scale district-wide

The access control system technology has advanced and modern systems allow for a centrally controlled system using a web-based application. Given the multitude of buildings that are planned to have access-controlled doors and the installation complexity implementing the District’s new Key and Electronic Access Control procedures, the District desires to test pilot the access control system technologies. During the pilot of the system, the District will have the ability to pilot the credential approval process, badging and card issuance, faculty and building workgroup development, employee database integration with the software platform, integration of existing security cameras with the new access control system, and will gain a better understanding of the physical installation challenges.

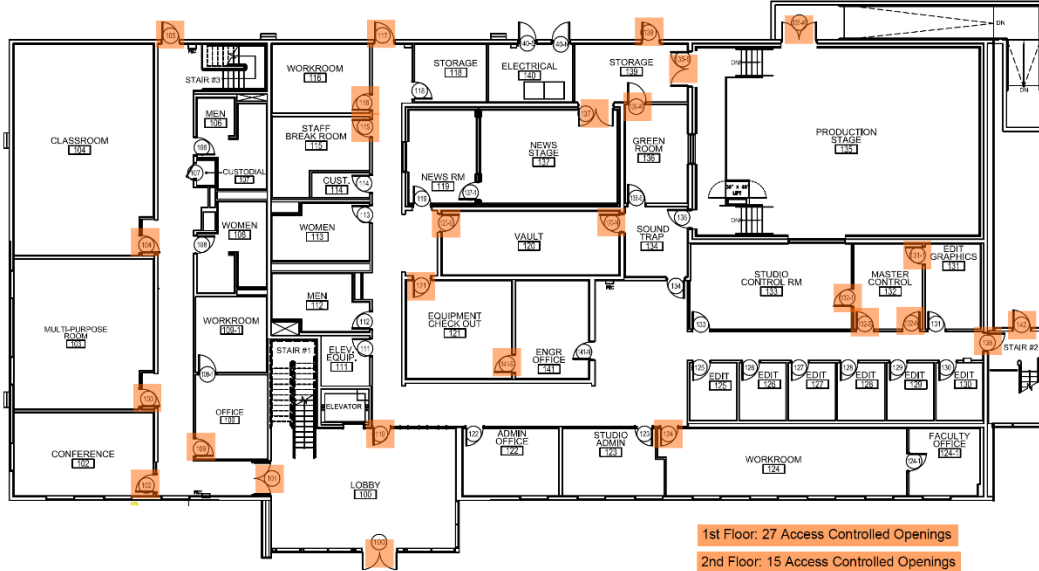

The District intends to undertake several test pilots for a variety of building conditions and door types to retrofit adding or upgrading electronic access control features, changing out mechanical locks to the new Medeco lock system, and to test pilot the new draft of the Key Distribution Procedures and Guidelines developed by the District Working Group per Administrative Regulation 6520. The District recognizes that the access control system implementation may require Americans With Disabilities Act (“ADA”) upgrades as mandated by DSA IR 11B-10- Scoping and Path of Travel Upgrade Requirements for Facility Alteration, Addition, and Structural Repair Projects.

To effectively pilot the District’s new Key Distribution Procedures, the District wishes to replace the existing Keyso key cylinder system with the Medeco key system at all doors as per the District’s new standard at the Digital Media Center, Santiago Canyon College Building D and H, and Santa Ana College Building D.

Invoices requesting payment for overtime must reflect straight time and overtime hours being charged, and must include a copy of the DISTRICT’s written authorization to incur additional overtime expense. ARTICLE III – TERMINATION: SUSPENSION

1. Termination for Default. Either the DISTRICT or CONSULTANT may terminate this Agreement upon seven (7) days advance written notice to the other if there is a default by the other party in its performance of a material obligation hereunder and such default in performance is not caused by the party initiating the termination. Such termination shall be deemed effective the seventh (7th) day following the date of the written termination notice, unless during such seven (7) day period, the party receiving the written termination notice shall commence to cure its default(s) and diligently thereafter prosecute such cure to completion. In addition to the DISTRICT's right to terminate this Agreement pursuant to the foregoing, the DISTRICT may terminate this Agreement upon written notice to CONSULTANT if: (i) CONSULTANT becomes bankrupt or insolvent, which shall include without limitation, a general assignment for the benefit of creditors or the filing by CONSULTANT or a third party of a petition to reorganize debts or for protection under any bankruptcy or similar law or if a trustee or receiver is appointed for CONSULTANT or any of CONSULTANT's property on account of CONSULTANT's insolvency; or (ii) if CONSULTANT disregards applicable laws, codes, ordinances, rules or regulations. If DISTRICT exercises the right of termination hereunder, the Contract Price due the CONSULTANT, if any, shall be based upon Basic Services, authorized Additional Services, and allowable expenses incurred or provided prior the effective date of the DISTRICT's termination of this Agreement, reduced by the DISTRICT's prior payments of the Contract Price and losses, damages, or other costs sustained by the DISTRICT arising out of the termination of this Agreement or the cause(s) for termination of this Agreement. Payment of the

amount due the CONSULTANT, if any, shall be made by DISTRICT only after completion of the Post-Construction Phase of the Project. CONSULTANT shall remain responsible and liable to DISTRICT for all losses, damages, or other costs sustained by DISTRICT arising out of termination pursuant to the foregoing or otherwise arising out of CONSULTANT's default hereunder, to the extent that such losses, damages or other costs exceed any amount due CONSULTANT hereunder for Basic Services, authorized Additional Services, and Expenses.

2. DISTRICT's Termination for Convenience. The DISTRICT may, at any time, upon seven (7) days advance written notice to CONSULTANT terminate this Agreement or the Work of the Project for the DISTRICT's convenience and without fault, neglect, or default on the part of CONSULTANT. In such event, the Agreement shall be deemed terminated seven (7) days after the date of the DISTRICT's written notice to CONSULTANT or such other time as the DISTRICT and CONSULTANT may mutually agreed upon. In such event, the DISTRICT shall make payment of the Contract Price to CONSULTANT for services provided through the date of termination plus actual costs incurred by CONSULTANT directly attributable to such termination.

3. CONSULTANT Obligations upon Termination. Upon the DISTRICT's exercise of the right of termination under Article III, Paragraph 1 or 2 of this Agreement, the CONSULTANT shall take action as directed by the DISTRICT relative to its on-going administration of construction services of the Project. If requested by the DISTRICT, the CONSULTANT shall within ten (10) days of such request, assemble and deliver to the DISTRICT all Documents, work product, instruments of service, and other items of a tangible nature (whether in the form of documents, drawings, samples or electronic files) prepared by or on behalf of the CONSULTANT under this Agreement. The CONSULTANT shall deliver the originals of all Documents, work product, instruments of service, and other items of a tangible nature requested by the DISTRICT pursuant to the preceding sentence; provided, however, that the CONSULTANT may, at its sole cost and expense, make reproductions of the originals delivered to the DISTRICT.

4. DISTRICT's Right to Suspend. The DISTRICT may, in its discretion, suspend all or any part of the construction of the Project or the CONSULTANT's services under this Agreement; provided, however, that if the DISTRICT shall suspend construction of the Project or CONSULTANT's services under this Agreement for a period of sixty (60) consecutive days or more and such suspension is not caused by the CONSULTANT's default or the acts or omissions of CONSULTANT or its CONSULTANTS, upon lifting of such suspension, the Contract Price may be adjusted to reflect actual costs and expenses incurred by CONSULTANT, if any, as a direct result of the suspension and resumption of the Project construction or CONSULTANT's services under this Agreement.

5. CONSULTANT Suspension of Services. If the DISTRICT shall fail to make payment of an undisputed invoice when due CONSULTANT hereunder, CONSULTANT may, upon seven (7) days advance written notice to the DISTRICT, suspend further performance of services relating to the Project hereunder until such undisputed payment is received. In such event, CONSULTANT shall have no liability for any delays or additional costs of construction of the Project due to, or arising out of, such suspension.

ARTICLE IV – DISPUTES

1. Continuation of CONSULTANT Services. Except in the event of the DISTRICT's failure to make payment of an undisputed invoice due CONSULTANT for the Project, notwithstanding any disputes between DISTRICT and CONSULTANT hereunder or in connection with the Project, CONSULTANT and DISTRICT shall each continue to perform their respective obligations hereunder; including the obligation of the CONSULTANT to continue to provide and perform services hereunder pending a subsequent resolution of such disputes.

2. Mandatory Mediation. All claims, disputes and other matters in controversy between the CONSULTANT and the DISTRICT arising out of or pertaining to this Agreement, excepting therefrom claims for indemnity, shall be submitted for resolution by non-binding mediation conducted under the auspices of the JAMS or other mutually agreeable dispute resolution service and their respective governing Construction Mediation Rules in effect at the time that a Demand For Mediation is filed. The commencement and completion of mediation proceedings pursuant to the foregoing is a condition precedent to either the DISTRICT or the CONSULTANT commencing arbitration proceedings pursuant to Paragraph 3 below.

3. Arbitration. All claims, disputes or other matters in controversy between CONSULTANT and DISTRICT arising out of or pertaining to this Agreement which are not fully resolved through the mandatory mediation set forth in Paragraph 2 above shall be settled and resolved by binding arbitration before one (1) retired judge conducted under the auspices of the JAMS or other mutually agreeable dispute resolution service. Any arbitration hereunder shall be conducted in the JAMS' Regional Office or other ADR service's office closest to the Site. The award rendered by the Arbitrator(s) shall be final and binding upon the DISTRICT and the CONSULTANT and shall be supported by law and substantial evidence pursuant to California Code of Civil Procedure §1296. Any written arbitration award that does not include findings of fact and conclusions of law in conformity with California Code of Civil Procedure §1296 shall be invalid and unenforceable. The DISTRICT and CONSULTANT hereby expressly agree that the Court shall, subject to California Code of Civil Procedure §§1286.4 and 1296, vacate the award if, after review of the award, the Court determines either that the award is not supported by substantial evidence or that it is based on an error of law. In connection with any arbitration proceeding commenced hereunder, the discovery rights and procedures provided for in California Code of Civil Procedure §1283.05 shall be applicable, and the same shall be deemed incorporated herein by this reference. Furthermore, if any claim or dispute is asserted by the Project Architect, Construction Manager if any, the Contractor and/or the DISTRICT relating to the Project and arising in whole or in part out of this Agreement, the services provided by or through the CONSULTANT hereunder or the Instruments of Service prepared by or through the CONSULTANT, CONSULTANT and DISTRICT agree that any arbitration proceedings initiated between CONSULTANT and DISTRICT hereunder shall, without the need for an order of the Court, be consolidated with any arbitration proceedings initiated in connection with such other claim or dispute by and between the aforementioned parties, regardless of the dispute resolution service selected.

4. Compliance with Government Code §900 et seq. The foregoing provisions relating to dispute resolution procedures notwithstanding, neither this Agreement nor such provisions shall be deemed to waive, limit or modify any requirements under Government Code §900 et seq. relating to the CONSULTANT's submission of claims to the DISTRICT as a express condition precedent and prerequisite to filing a Demand for Arbitration, which shall be deemed a "claim" for money or damages under Government Code §900 et seq. The CONSULTANT's strict compliance with all applicable provisions of Government Code §900 et seq. in connection with any claim, dispute or other disagreement arising hereunder shall be an express condition precedent to the CONSULTANT's initiation of the binding arbitration procedures under Article IV, Paragraph 3, above.

5. Limitation on Arbitrator's Authority. Notwithstanding any other provision of this Article, the Superior Court for the State of California for the County of Orange, shall have sole and exclusive jurisdiction, and an arbitrator shall have no authority, to hear and/or determine: (i) a challenge to the institution or maintenance of a proceeding in arbitration of a claim on the grounds that the claim is barred by the applicable statute of limitations, (ii) the claim is barred by a provision of the California Tort Claims Act, (iii) claimant has failed to satisfy any and all conditions precedent to arbitration, (iv) the right to compel arbitration has been waived by the petitioner, (v) grounds exist for the revocation of the arbitration

agreement, and/or (vi) there is the prospect that a ruling in arbitration would conflict with a ruling in a pending proceeding regarding the Project on a common issue of law or fact.
