**Addendum #1**

**Issued: March 29, 2021**

The following changes, additions, deletions, or corrections shall become part of the above-mentioned RFQ/RFP:

1. Question: If we are awarded the contract to complete the master plan, are we prohibited from applying for the implementation project that emerges from the master plan?

*Response: If your firm is awarded the contract to the master plan, you will not be prohibited from applying for the implementation project that emerges from the master plan.*

2. Question: Exhibit I, Project Objectives, Item 4 states, "Assist in preparation of a follow-on RFQ/RFP for implementation of the facility's site master planning, if necessary." Please advise if this precludes the selected team from future work.

*Response: Award of the contract for the master plan does not prohibit application for possible future master plan implantation projects.*
