

## REQUEST FOR QUALIFICATIONS/PROPOSALS (RFP) #1516-130 PROJECT MANAGEMENT FOR DISTRICTWIDE ACCESS COMPLIANCE SERVICES

### ADDENDUM # 1 (*revised*) ISSUED January 11, 2016

The following changes, clarifications, additions, deletions or corrections shall become part of the Request for Proposal for Project Management for Districtwide Access Compliance Services.

Revise:

1. Section 4.3 Firm Experience

“...relevant expertise and experience in environmental inspection services” to “... **relevant expertise and experience in Access Compliance services**”

The following are questions received from various firm:

1. Do you have an anticipated start date and/or expected total duration for the first of these several projects?

***The anticipated start date will be approximately February 23, 2016 and the contract term will be three years with the option to extend an additional two years.***

2. How often do you expect onsite meetings during active projects, and what percentage of those meetings could occur using virtual meeting technologies?

***Consultant shall assume bi-weekly, on site meetings and shall be readily available to meet with the District/Campus when necessary. Virtual meetings may take place from time to time, but should not be assumed to occur often.***

.
