INTRODUCTION

The Rancho Santiago Community College District 2013-2023 Planning Design Manual is a guide to integrated institutional planning at the district level. The planning processes ensure broad participation in district-level planning and to ensure compliance with the Accrediting Commission for Community and Junior Colleges Standards on institutional planning.

The processes described in this document identify the ways that constituent groups participate in and contribute to student success through district-level long-term and short-term planning. This document begins with a description of the Rancho Santiago Community College District (RSCCD) Planning Design. Following this overview is a description of the purpose, process, and timeline for each component in the Planning Design.

Both of the RSCCD colleges, Santa Ana College and Santiago Canyon College, have independent cycles of integrated planning in which the components are linked to one another, as well as to district-level planning. The college planning processes link to district planning in two ways:

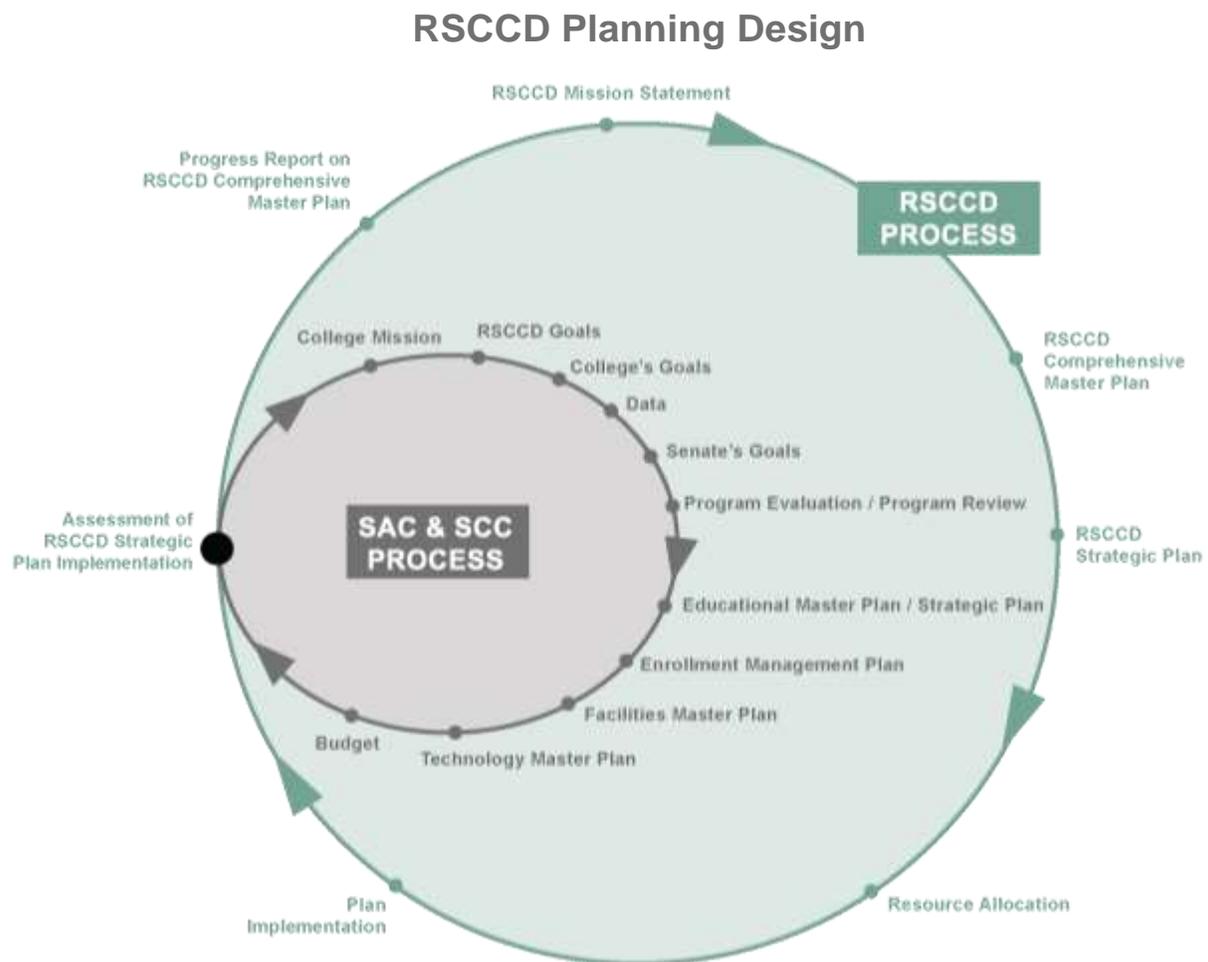

- The RSCCD Goals are the foundation to planning at the two colleges. Each college develops site- specific goals, objectives, and action plans that collectively contribute to the achievement of the RSCCD Goals.
- The annual Progress Report details progress on RSCCD Goals and RSCCD Objectives as well as the colleges' goals and objectives.

The Rancho Santiago Community College District 2013-2023 Planning Design Manual is reviewed to maintain credibility as a valuable resource. This annual update prepared by POE Committee should reflect minor changes, such as in descriptions, timelines, membership, or processes. At any time, substantive changes can be recommended through the governance processes. In addition to this annual review of content, the planning processes described in this document are evaluated at the end of the planning 10-year cycle. This assessment occurs as part of RSCCD's assessment of its decision-making processes. This timeline and assessment process is described in the "Assessment of Planning and Decision-Making Processes" section of this document. Through these two review processes, one completed on an annual basis and one completed every ten years, this document is maintained to reflect the inevitable changes in planning processes that are to be expected as part of RSCCD's cycle of continuous quality improvement.

OVERVIEW OF THE PLANNING DESIGN

The Planning Design depicts how the components of district-level planning link to one another in a cycle of evaluation, development of goals and objectives, resource allocation, plan implementation, and re-evaluation. The district demonstrates institutional effectiveness and practices a cycle of continuous quality improvement through the systematic and routine implementation of the following planning processes. In this graphic and throughout this document, RSCCD refers to the entire district collectively as an institution, encompassing the two colleges and District Services. The graphic below is followed by a narrative explanation of the district-level planning processes.

- ▶ The **RSCCD Mission Statement** is the foundation of all planning processes because it describes the intended student population and the services that RSCCD provides to the community.
- ▶ The **RSCCD Comprehensive Master Plan** is informed by an analysis of effectiveness in which RSCCD compares its current status to the RSCCD Mission Statement (internal scans) and studies projected demographics changes in order to identify challenges and opportunities (external scans).

- ▶ Based on this analysis, the district develops and refines the 10-year **RSCCD Comprehensive Master Plan**. This plan includes summaries of all institutional plans (educational and facilities master plans), developed by the two colleges and the districtwide data. Through the process of developing and refining the comprehensive master plan, the district collaboratively develops RSCCD Goals to describe how it intends to address the identified current and anticipated challenges. As depicted in the Planning Design, these RSCCD Goals are part of the foundation for planning at the two colleges.
- ▶ The RSCCD Goals are also used to develop RSCCD Objectives presented in the tri-annual **RSCCD Strategic Plan**. RSCCD Objectives describe specific initiatives that require the collaboration and coordination of administrators, faculty, and staff across the district in order to move toward achievement of the RSCCD Goals. In addition to the RSCCD Objectives, each site also develops initiatives that contribute to the achievement of RSCCD Goals. These initiatives are documented in the colleges' Education Master Plans and in the District Services Planning Portfolios.
- ▶ Annually, all general funds coming into the district are dispersed to the colleges and District Services based on formulas that reflect the Student Center Success Center Formula. Following that allocation, each college and District Service uses independent processes for **Resource Allocation** to ensure that the initiatives identified in their respective plans are appropriately funded to the extent possible.
- ▶ Upon annual resource allocation, the next step in the Planning Design **is Plan Implementation**, which refers to work by the responsible parties to complete the RSCCD Objectives outlined in the RSCCD Strategic Plan.
- ▶ The **Assessment of RSCCD Strategic Plan Implementation** is consolidated and documented in the annual report on Planned Activities. This document both summarizes the current achievements and informs the district's planning efforts.

The components of the Planning Design summarized in this overview and described in this manual are evaluated on a ten-year cycle along with the evaluation of the collaborative decision-making processes at the district level.

RSCCD PLANNING COMMITTEES

There are six participatory governance committees involved in planning at the district level.

The District Council serves as the primary participatory governance body that is responsible for district-wide planning activities including developing planning and budgetary recommendations that are submitted to the Chancellor and Board of Trustees.

The following five district-level participatory governance committees support the work of the District Council:

- ▶ Planning and Organizational Effectiveness
- ▶ Fiscal Resources
- ▶ Human Resources
- ▶ Physical Resources
- ▶ Technology Advisory Group

The responsibilities and membership for each of these committees is described in Appendix 3 of this document. When necessary, appointing of appropriate designee is allowed.

RSCCD MISSION STATEMENT

The RSCCD Mission Statement is the touchstone for planning processes across the district because it describes the intended student population and the services that RSCCD provides to the community

RSCCD established its first district-wide mission statement in fall 2012.

The mission of the Rancho Santiago Community College District is to provide quality educational programs and services that address the needs of our diverse students and communities.

The cycle for reviewing and possibly revising the district-wide mission statement is every three years.

PROCESS FOR REVIEWING THE MISSION STATEMENT

SEPTEMBER 2015, 2018, AND 2021

The Board of Trustees charges the Chancellor with developing and implementing a process for a district-wide review of the RSCCD Mission Statement.

In collaboration with the District Council, the Chancellor distributes a district-wide request asking faculty, staff, and students to suggest changes to the RSCCD Mission Statement along with a justification or rationale for the suggestion.

OCTOBER 2015, 2018, AND 2021

The District Council reviews the suggested changes and either recommends reaffirmation of or revisions to the RSCCD Mission Statement. If major revisions are warranted, District Council assigns a workgroup to evaluate the suggested revisions and prepare a single recommended revision to the RSCCD Mission Statement.

NOVEMBER 2015, 2018, AND 2021

The District Council solicits feedback district-wide regarding the reaffirmation of or recommended modifications to the RSCCD Mission Statement.

DECEMBER 2015, 2018, AND 2021

Based on the feedback, the District Council makes a recommendation to the Chancellor. The recommendation is either an affirmation of the current RSCCD Mission Statement or suggested revisions to the RSCCD Mission Statement.

JANUARY 2016, 2019, AND 2022

The Chancellor considers the District Council's recommendation. If approved, the revised or reaffirmed RSCCD Mission Statement is recommended to the Board of Trustees for approval.

If the Chancellor does not approve the recommended reaffirmation of or revision, collaboration and compromise with the District Council continues until approved. Once agreement is reached, the Chancellor recommends the reaffirmed or revised RSCCD Mission Statement to the Board of Trustees for approval.

RSCCD COMPREHENSIVE MASTER PLAN

The RSCCD Comprehensive Master Plan is a long-term plan that describes the district's projections and goals for the coming decade.

The process for developing the RSCCD Comprehensive Master Plan begins with an analysis of current internal and external conditions. These data are the foundation for assessing RSCCD's effectiveness in advancing its mission and for identifying anticipated challenges. These conversations culminate in:

- ▶ The identification of challenges that RSCCD is facing or is likely to face in the coming decade;
- ▶ RSCCD Goals, which articulate how the district intends to address current and anticipated challenges; and
- ▶ A plan for the addition or remodeling of facilities and technology infrastructure to support RSCCD's programs and services.

The RSCCD Goals are collaboratively developed and reviewed through district-wide dialogue. Following this review and dialogue, the District Council recommends the RSCCD Goals to the Chancellor and the Board of Trustees for approval.

The RSCCD Comprehensive Master Plan is linked to its mission statement. Assessment of the district's effectiveness in meeting its mission is the first step in the planning process. The RSCCD Comprehensive Master Plan is central to the overall Planning Design. The RSCCD Goals included in this long-term plan are the basis for the RSCCD Objectives in the RSCCD Strategic Plan and progress toward achieving the RSCCD Goals as described in the annual progress report.

The *Rancho Santiago Community College District 2013 Comprehensive Master Plan* is the district's current long-term plan. It was developed during the 2012-13 academic year and presented to the Chancellor and the Board of Trustees for approval in May 2013. This plan includes the identification of current and anticipated challenges; RSCCD Goals; summaries of the colleges' educational and facilities master plans; the technology plan for centralized technology needs; and plans for other college and district facilities.

PROCESS FOR DEVELOPING THE NEXT RSCCD COMPREHENSIVE MASTER PLAN

APRIL 2021

The Planning and Organizational Effectiveness Committee calls for the development of the *Rancho Santiago Community College District 2023 Comprehensive Master Plan* and develops both a process for preparing the RSCCD Comprehensive Master Plan, an outline of what should be included in this plan, and a process that will include all district constituencies.

AUGUST 2021 – FEBRUARY 2022

The RSCCD Comprehensive Master Plan is drafted following the process developed by the Planning and Organizational Effectiveness Committee. The first step in the process is an analysis of current internal and external conditions to assess RSCCD's effectiveness in advancing its mission.

To promote broad district-wide participation, the Planning and Organizational Effectiveness Committee distributes drafts of the document district-wide for review and comment at multiple points during this period.

MARCH 2022 – APRIL 2022

Feedback from these district-wide reviews is integrated into the document to create a final draft of the RSCCD Comprehensive Master Plan. The final draft is forwarded to the District Council for final recommendations.

MAY 2022 – NOVEMBER 2022

Members of the District Council distribute the final draft of the *RSCCD Comprehensive Master Plan* to their constituents for review and comment. Once feedback is received and integrated into the draft as appropriate, the District Council makes a recommendation to the Chancellor.

The Chancellor considers the District Council's recommendation. If approved, the *Rancho Santiago Community College District 2023 Comprehensive Master Plan* is recommended to the Board of Trustees for approval.

If the Chancellor does not approve of the *Rancho Santiago Community College District 2023 Comprehensive Master Plan*, collaboration and compromise with the District Council continues until approval.

Once agreement is reached, the Chancellor recommends the *Rancho Santiago Community College District 2023 Comprehensive Master Plan* to the Board of Trustees for approval.

RSCCD STRATEGIC PLAN

The strategic plan is the district's short-term plan. This plan uses the **RSCCD Goals** as the basis for developing **RSCCD Objectives**.

The RSCCD Objectives describe specific initiatives intended to achieve the RSCCD Goals that require collaboration and coordination among District Services and college administrators, faculty, and staff. The initiatives developed at each site that contribute to the achievement of the RSCCD Goals are documented in college planning documents and in the District Services Planning Portfolios.

Since the term of the RSCCD Strategic Plan is three years, there will be three RSCCD Strategic Plans developed under the umbrella of the *Rancho Santiago Community College District 2013 Comprehensive Master Plan*:

RSCCD Strategic Plan 2013 – 2016

RSCCD Strategic Plan 2016 – 2019

RSCCD Strategic Plan 2019 – 2022

The primary components of the *RSCCD Strategic Plan* are described below.

- ▶ **RSCCD Goals** are broad statements that articulate how RSCCD intends to address current and anticipated challenges.
- ▶ **RSCCD Objectives** describe more specifically those initiatives intended to achieve the RSCCD Goals that require collaboration and coordination among District Services and college administrators, faculty, and staff.
- ▶ **Responsible Party** identifies the individual(s) assigned to launch, oversee, and complete one of the RSCCD Objectives. The responsible individual(s) may complete the RSCCD Objective or may collaborate with others to complete the RSCCD Objective. The assignment of a responsible party is essential for accountability.
- ▶ **Timeline** identifies the target date for the completion of the RSCCD Objective.

PROCESS FOR DEVELOPING THE RSCCD STRATEGIC PLAN

FEBRUARY 2013, 2016, 2019

The District Council appoints an RSCCD Strategic Plan Workgroup to prepare the RSCCD Strategic Plan 2013 - 2016 (or 2016 - 2019 or 2019 - 2022).

MARCH 2013, 2016, 2019

The RSCCD Strategic Plan Workgroup reviews the RSCCD Goals in the *Rancho Santiago Community College District 2013 Comprehensive Master Plan* and progress on the RSCCD Objectives in the most recent Progress Report on the RSCCD Comprehensive Master Plan. Based on this review, the RSCCD Strategic Plan Workgroup develops RSCCD Objectives and the corresponding Responsible Parties and Timelines for the next three years.

APRIL 2013, 2016, 2019

The RSCCD Strategic Plan Workgroup distributes the draft RSCCD Strategic Plan 2013 – 2016 (or 2016 - 2019 or 2019 - 2022) across the district for review and input.

The RSCCD Strategic Plan Workgroup uses the feedback from this district-wide review to prepare the final Rancho Santiago Community College District-wide Strategic Plan 2013 – 2016 (or 2016 – 2019 or 2019 - 2022) and forwards the final draft to the District Council.

Members of District Council distribute the final draft of the Rancho Santiago Community College Districtwide Strategic Plan 2013 - 2016 (or 2016 - 2019 or 2019 - 2022) to their constituents for review and input.

The District Council considers the constituents' recommendations, integrates feedback as warranted, and makes a recommendation to the Chancellor.

If the Chancellor approves of the final document, the *RSCCD Strategic Plan* 2013 - 2016 (or 2016 - 2019 or 2019 - 2022) is presented to the Board of Trustees. If the Chancellor does not approve, collaboration and compromise continues until approved.

The *RSCCD Strategic Plan* 2013 - 2016 (or 2016 - 2019 or 2019 - 2022) is implemented beginning in the subsequent fall semester.

RESOURCE ALLOCATION

Resource allocations align with the RSCCD Mission Statement and link RSCCD Goals and RSCCD Objectives to the resources needed to accomplish these institutional goals.

Generally speaking, the goals and objectives at both district and college levels reflect the district's commitment to its mission. Therefore, the purpose of resource allocations is to fund the programs and services that both directly and indirectly promote student success.

The budget development process begins with the development of budget assumptions. The budget assumptions are the foundation for the budget development process and guide the allocation of resources. Information from a variety of sources is considered in the development of the budget assumptions, including but not limited to:

- ▶ RSCCD Goals and RSCCD Objectives;
- ▶ Priorities identified by the district's participatory governance committees that have been vetted and approved by the District Council;
- ▶ A review of the effectiveness of the prior year's resource allocations;
- ▶ Maintenance of appropriate reserves for contingencies and economic uncertainties;
- ▶ Mandates from external agencies; and
- ▶ Plans for payment of liabilities and future obligations, such as retiree health benefits, STRS, and PERS.

Budget assumptions are categorized into the following three types: general, revenue, and expenditure. General assumptions describe broad agreements, such as the revenue allocation model and the level of the reserve. Revenue assumptions summarize the current status of anticipated revenue, such as cost-of-living adjustments, growth and state apportionment. Expenditure assumptions provide projected costs of contractual agreements and required budget reductions if any.

RSCCD's three budget centers are Santa Ana College, Santiago Canyon College, and District Services. These entities have the autonomy and responsibility to provide appropriate programs and services that support achievement of the RSCCD Goals and RSCCD Objectives as well as their respective goals, objectives, and initiatives. In addition, RSCCD budgets for Institutional Costs that include districtwide expenses such as retiree health benefits, property, and liability insurance and interfund transfers.

The RSCCD Revenue Allocation Model is patterned after the community college funding protocols established in SB361. Revenue is allocated to the colleges based upon these parameters except for an allocation to support centralized services. Any proposed changes to the allocation for district-wide services is reviewed by the Fiscal Resources Committee and recommended to the District Council and Chancellor.

Beyond the expenditures determined through district-wide collaboration, each budget center develops individual budgets for expenditures from general fund and categorical revenue in the following categories:

- ▶ Salaries and benefits as determined by union contracts;
- ▶ Supplies and materials;
- ▶ Services and other operating expenses, such as travel;
- ▶ Capital outlay, such as equipment; and
- ▶ Maintenance.

Planning is linked to resource allocations in the following ways:

1. Each budget center (Santa Ana College, Santiago Canyon College, and District Services) has developed unique planning processes. Each set of these processes is designed so that RSCCD Goals are the basis for site planning and that the resulting plans are the basis for resource allocations within that budget center.
2. The five district committees (Planning and Organizational Effectiveness Committee, Fiscal Resources Committee, Human Resources Committee, Physical Resources Committee, and Technology Advisory Group) provide specific recommendations for resource allocations in the Budget Modification form. These budget recommendations describe initiatives that require additional, decreased, or reallocated funding and are submitted to District Council for consideration during development of the tentative budget. The recommendations included in the Budget Modification form must justify how the modification is aligned and will contribute to the achievement of RSCCD Goals and RSCCD Objectives.
3. Once funding recommendations are received from the five district committees, District Council is responsible for ensuring that resources are aligned to overall planning and allocated to initiatives that contribute to the achievement of RSCCD Goals and RSCCD Objectives. To make this link between planning and resource allocation transparent, District Council uses a Budget Modification Rubric to prioritize each Budget Modification Recommendation based on the extent to which it is aligned with current RSCCD Goals and RSCCD Objectives and/or is justified by health or safety concerns. District Council then assigns the Chancellor's Cabinet to review and recommend the source and use of funds for the prioritized recommendations, including contributions from the other budget centers and/or the re-allocation of funds. District Council then reviews and acts on the proposal should funding not be available to meet the needs of all requests.
4. To provide the opportunity for Board oversight of the RSCCD Goals, when the tentative and final budgets are presented to the Board each June, the presentation includes a review of the RSCCD Mission Statement, the RSCCD Goals and RSCCD Objectives as well as the identification of specific budget items that directly relate to the RSCCD Goals and RSCCD Objectives where appropriate.
5. To ensure effective allocation of resources, this process shall be reviewed annually by POE.

PROCESS FOR ALLOCATING RESOURCES

OCTOBER

Board of Trustees' annual planning meeting includes a review and discussion of progress towards achieving RSCCD Goals and RSCCD Objectives, as well as other data used to assess the current environment.

JANUARY

Board of Trustees, Fiscal Resources Committee and District Council review the Governor's proposed state budget.

Through the spring, the Fiscal Resources Committee monitors changes in the forecasts for state allocations and revises the general and revenue budget assumptions as warranted. Any changes are submitted to the District Council for review and input.

FEBRUARY

Fiscal Resources Committee drafts tentative general, revenue and expenditure budget assumptions and forwards these to the District Council for review and input.

MARCH – APRIL

District Council review the budget assumptions and the Board of Trustees adopts them.

Budget Centers receive tentative revenue allocations for the coming fiscal year based on the RSCCD Revenue Allocation Model and develop a tentative budget for that site.

APRIL

The five district committees (Planning and Organizational Effectiveness Committee, Fiscal Resources Committee, Human Resources Committee, Physical Resources Committee, and Technology Advisory Group) draft expenditure assumptions as well as complete Budget Modification forms for initiatives that require additional resources. The Budget Modification form requires the committee to justify the recommendation by describing how the modification is aligned and will contribute to the achievement of RSCCD Goals and RSCCD Objectives.

The five district committees submit their Budget Modification recommendations to District Council.

▼

MAY

Fiscal Resources Committee Co-chairs revise the draft tentative budget assumptions, as needed based on changes to the proposed state budget and submit the revised tentative budget to District Council.

District Council revises the tentative budget as needed following their review of (i) the Governor's changes to the proposed state budget, (ii) revisions to the revenue budget assumptions if any, and (iii) the draft expenditure budget assumptions and (iv) Budget Modification recommendations.

District Council prioritizes the Budget Modification recommendations using the Budget Modification Rubric. Highest priority is given to Budget Modification recommendations that are linked to RSCCD Goals and RSCCD Objectives. While developing recommendations for District Services, the committee should review the current budget and actual expenditures, past recommendations and organizational charts for outdated priorities that no longer need the same level of resources and make every effort to cover the cost of the recommendation with existing District Services revenue allocation.

▼

JUNE

The tentative budget is presented to the Board of Trustees for approval. The presentation includes a review of the RSCCD Mission Statement and the RSCCD Goals as well as the identification of specific budget items that directly relate RSCCD Goals and RSCCD Objectives where appropriate.

▼

JULY – AUGUST

Fiscal Resources Committee reviews and updates the budget assumptions in July, reviews the draft of proposed adopted budget in August and then forwards it to District Council for review and input.

District Council reviews changes that impact the budget and recommends revisions to the proposed adopted budget as warranted.

▼

SEPTEMBER

The Vice Chancellor of Business Operations and Fiscal Services prepares the final proposed adopted budget as determined by District Council and directed by the Chancellor.

The final budget is presented to the Board of Trustees for approval. The presentation includes a review of the RSCCD Mission Statement and the RSCCD Goals as well as identifying specific budget items that directly relate to RSCCD Goals and RSCCD Objectives.

PLAN IMPLEMENTATION

Through the development of the RSCCD Strategic Plan, an individual is assigned responsibility for completing or overseeing the completion of each RSCCD Objective. This responsible party may complete the RSCCD Objective or may collaborate with others to complete the RSCCD Objective.

To ensure implementation of the identified activities that will move RSCCD toward accomplishment of the RSCCD Goals, responsible parties shall:

- ▶ Manage the timelines for the District Objective(s);
- ▶ Develop appropriate processes to complete the RSCCD Objective(s);
- ▶ Identify and address funding needs by submitting the request and rationale to the Planning and Organizational Effectiveness Committee;
- ▶ Provide data and other types of evidence to assess the levels of success following plan implementation; and
- ▶ Document the activities and outcomes to contribute to the preparation of the annual *Progress Report on the District Comprehensive Master Plan*.

PROGRESS REPORT ON THE COMPREHENSIVE MASTER PLAN

A progress report is produced annually by the POE Committee to inform the internal community about movement toward achievement of the RSCCD Goals and Objectives. The *Progress Report on the District Comprehensive Master Plan* is an essential accountability tool in the RSCCD Planning Design because it reinforces and sustains a district-wide dialogue on its long-term and short-term goals.

Three tasks will be accomplished through the development of this progress report:

- ▶ Consolidate information about the tasks that have been completed by all RSCCD entities related to RSCCD Goals and Objectives;
- ▶ Analyze those outcomes in terms of their effectiveness in moving RSCCD toward achievement of the RSCCD Goals; and
- ▶ Edit or augment RSCCD Objectives for the coming year as needed based on the outcomes of the current year's work.

The *Progress Report on the District Comprehensive Master Plan* is prepared in the fall semester of the second and third year of each Strategic Plan cycle to describe the prior year's activities related to the RSCCD Goals and distributed at the end of spring. This document is a key assessment tool in planning meetings including the annual Strategic Planning Update to the Board of Trustees.

PROCESS FOR ASSESSING PROGRESS ON RSCCD GOALS

APRIL

The Planning and Organizational Effectiveness Committee develop or revise the template for the annual Progress Report on the RSCCD Comprehensive Master Plan.

MAY

The Planning and Organizational Effectiveness Committee calls for:

- ▶ Responsible parties identified in the RSCCD Strategic Plan to report on their progress in completing the RSCCD Objectives assigned to them and
- ▶ Colleges to report and evaluate the outcomes of activities undertaken to contribute to achievement of the RSCCD Goals.

JUNE

The reports are consolidated by the Co-chairs of the Planning and Organizational Effectiveness Committee to create a draft *Progress Report on the RSCCD Comprehensive Master Plan* that includes the reports of progress as well as an analysis of the effectiveness of the activities in fulfilling the RSCCD Goals.

The Planning and Organizational Effectiveness Committee reviews the draft *Progress Report on the RSCCD Comprehensive Master Plan* and provides input. The Co-chairs of the Planning and Organizational Effectiveness Committee revise the document as warranted based on the input.

JULY – AUGUST

The Co-chairs of the Planning and Organizational Effectiveness Committee present the draft *Progress Report on the RSCCD Comprehensive Master Plan* to District Council for review and input. Suggested changes are incorporated as warranted to finalize the document.

The Chancellor presents the final *Progress Report on the RSCCD Comprehensive Master Plan* to the Board of Trustees for information.

The annual *Progress Report on the RSCCD Comprehensive Master Plan* is distributed as appropriate to both internal and external constituencies online and/or in print.

ASSESSMENT OF PLANNING AND DECISION-MAKING PROCESSES

RSCCD routinely assesses its planning and decision-making processes and makes revisions in these processes in a cycle of continuous quality improvement.

A formal assessment of planning and decision-making processes is conducted by POE every three years. The assessment includes gathering district-wide input and using that feedback to prepare an assessment report that is submitted to the District Council. District Council reviews the assessment report and recommends revisions to planning and/or decision-making processes as warranted by the assessment. The Chancellor considers the recommendation and approved changes are documented with revisions to the *Rancho Santiago Community College District Planning Design Manual*.

In addition to this formal assessment, the current version of the *Rancho Santiago Community College District Planning Design Manual* is reviewed and updated annually by the Co-chairs of the Planning and Organizational Effectiveness Committee to capture minor changes in descriptions, timelines, or processes.

PROCESS FOR ASSESSING PLANNING AND DECISION-MAKING PROCESSES

SEPTEMBER – OCTOBER 2015, 2018, AND 2022

POE develops a mechanism for soliciting feedback on the components of the district-level planning design and decision-making processes from the groups and individuals who are directly involved in implementing district-level planning and decision-making.

NOVEMBER – DECEMBER 2015, 2018, AND 2022

POE considers the feedback from the groups and individuals who are directly involved in implementing district-level planning and decision-making processes and prepares a Planning and Decision-making Processes Assessment Report. This report may include recommended changes to the planning and/or decision-making processes.

POE forwards the Planning and Decision-making Processes Assessment Report to District Council for review and input.

FEBRUARY 2016, 2019, AND 2022

The Chancellor reviews the Planning and Decision-making Processes Assessment Report with District Council and determines which changes, if any, will be made to district-level planning and/or decision-making processes.

The Chancellor prepares an information report describing this assessment and the resulting changes to planning and/or decision-making processes, if any, for the Board of Trustees. This report is also distributed districtwide.

The Co-chairs of the Planning and Organizational Effectiveness Committee prepare an updated version of the *Rancho Santiago Community College District Planning Design Manual* to incorporate any approved changes to district-level planning and decision-making processes.

APPENDIX 2: DISTRICT SERVICES PLANNING PORTFOLIO

The District Services Planning Portfolio is the program review process for centralized services. The purpose of this process is to analyze and track the efforts of each District Service to continually improve the quality of the services provided to the colleges and to other District Services.

District Services Planning Portfolios are designed to serve these purposes:

- ▶ Document the unique service initiatives for each District Service;
- ▶ Align and document strategies for achieving RSCCD Goals and RSCCD Objectives;
- ▶ Collect, analyze and distribute data on District Services performance;
- ▶ Provide an objective foundation for budget, staff, facilities, professional development, and other funding requests; and
- ▶ Demonstrate compliance with accreditation standards.

District Services Planning Portfolios are prepared every other year. To provide data for the analysis required by these planning portfolios, satisfaction surveys are distributed district-wide every other year requesting feedback on District Services. In the year between the preparations of comprehensive District Services Planning Portfolios, each District Service prepares an update of progress on the service initiatives undertaken to correct a weakness or work toward achievement of a RSCCD Goal or RSCCD Objective. Both the comprehensive District Services Planning Portfolios and the annual updates of progress are submitted to the Planning and Organizational Effectiveness Committee for their review and input.

This program review process is designed to lead to continuous quality improvement and therefore includes a cycle of data collection, analysis of strengths and weaknesses, development, and implementation of strategies to remedy weaknesses, and re-evaluation. The steps are:

1. Describe the services provided by the District Service
 - ▶ Organizational Chart
 - ▶ Functions
 - ▶ Budget, including grants
2. Analysis of quantitative and qualitative data that reflect the services' strengths and weaknesses
 - ▶ Outcome of prior year's service initiatives
 - ▶ Results of the most recent satisfaction survey
 - ▶ Data recorded by the District Service, such snapshots of time to complete tasks, etc.
3. Develop Service Initiatives for the coming year to (a) sustain or improve the services provided, (b) address a weakness identified through the data analysis, and (c) contribute to the achievement of RSCCD Goals and RSCCD Objectives.
4. Implement the Services Initiatives.
5. Assess the impact of the strategies.

The final step of assessment is the starting point for the development of the next year's District Services Administrative Review.

The District Services that complete a planning portfolio every other year are:

- ▶ Chancellor's Office
- ▶ Child Development Services
- ▶ District Research, Planning & Institutional Effectiveness
- ▶ Diversity, Equity and Inclusion
- ▶ Facilities Planning Services
- ▶ Fiscal Services
- ▶ Human Resources/Risk Management
- ▶ Information Technology Services
- ▶ Public Affairs/Publications
- ▶ Purchasing
- ▶ Resource Development
- ▶ Security/Public Safety
- ▶ Title IX

Resources are allocated to District Services through the RSCCD Revenue Allocation Model that is patterned after the community college funding protocols established in SB 361. Revenue is allocated to the colleges based on these parameters included in SB 361 except for an allocation to support centralized services.

There are two processes for changes to the allocation for District Services.

- ▶ Proposed changes to the proportion of the revenue allocated for District Services is reviewed by the Fiscal Resources Committee and recommended to the District Council and Chancellor.
- ▶ Specific revenue requests related to a Services Initiative presented in a District Services Planning Portfolio are submitted to the Planning and Organizational Effectiveness Committee. The Planning and Organizational Effectiveness Committee considers the request and the rationale presented in the District Services Planning Portfolio and prioritizes this request for consideration by the District Council. (See the "Process for Allocating Resources" timeline in this manual.)

PROCESS FOR PREPARING DISTRICT SERVICES PLANNING PORTFOLIOS

SEPTEMBER 2013, 2015, 2017, 2019, AND 2022

District Services gathers data as needed to document progress on the previous Service Initiatives as well as feedback from the satisfaction survey. This information will be compiled into a District Services Operational Review.

The appropriate district-level administrator drafts the District Services Planning Portfolio for the area(s) under his/her supervision. Refer to the accompanying narrative for the template of the District Services Planning Portfolio.

OCTOBER 2013, 2015, 2017, 2019, AND 2022

The administrator shares the draft District Services Planning Portfolio with other members of the unit and creates venues for discussion of the draft. The administrators revise the draft District Services Planning Portfolios based on the feedback as warranted.
