

## Santiago Canyon College Traditional Courses with Highest Enrollment, 2005-2009

**March 2010**

With the many course offerings at Santiago Canyon College, which has the highest enrollment? The RSCCD Research Department analyzed course enrollments for the last four school years (defined in order of fall, summer and spring). Annual course offerings range from 526 to 570 (2029 to 2480 sections); the 20 courses that consistently have high enrollment are listed below. Though this list contains courses in almost every major department and mostly courses that are transferrable to the four-year universities, apprenticeships, cosmetology and labs are NOT included in this analysis.
