How to print an ID card

You don't need an ID card to receive services

When visiting your Delta Dental or DeltaCare® USA dentist, simply provide your name, date of birth and social security or enrollee identification number. The dental office can use that information to verify your eligibility and benefits.

1. Go to **www.deltadentalins.com**

2. Log in to Online Services with your username and password. (If you don't already have a username or password, click the "Register Today" link to complete the quick registration process.)

3. Once you've logged in, click the "Eligibility & Benefits" tab.

4. Select "Print ID Card" on the left-hand side of the page. (If you do not see this option, in some instances you may also need to click on the "Eligibility & Benefits" link on the left-hand side of the page before you have the option to select "Print an ID Card.")

5. Click "Print."
