1. Participatory Governance Items

President Vázquez suggested that the district consider moving forward with a discussion of how planning is done in the district, a topic which was introduced at the March 12 District Council meeting. Chancellor Rodríguez stated that it was important that the district address this and work will be done during the summer to present a proposal in the fall that can be discussed throughout the district. All District Council members agreed this was an important effort.

2. Review of Board Docket

The May 21, 2012 board docket was reviewed. Dr. Rodríguez stated that Board President Yarbrough will move to suggest that Item 6.3 – Redistricting be discussed after the two public hearings, in consideration for community members who may be in attendance.

3. Reports

Academic Senate/SAC: SAC Academic Senate President Ray Hicks reported that the Academic Senate has begun discussion of a “comprehensive district” versus a “comprehensive college.” This discussion centered on the idea of the district pooling their resources from all areas to provide services to the district’s students, a topic that should be taken into consideration when discussing planning for the district.

Academic Senate/SCC: SCC Academic Senate President Morrie Barembaum reported that he attended the CSULB Educational Forum where a discussion of regional cooperation took place. He supported the idea of using district resources across the district to meet the needs of the community.

3. Reports (continued)
