AR 4232 Pass/No Pass

Reference(s):

Title 5 Section 55022

Courses may be offered in either or both of the following categories:

- Courses in which all students are evaluated on a "pass-no pass" basis.
- Courses in which each student may elect on registration, or within the first 30% of the class's scheduled duration, to take the course on a "pass-no pass" basis.

A student electing to be evaluated on the "pass-no pass" basis will receive both course credit and unit credit upon satisfactory completion of the course. In computing a student's grade-point average, grades of "pass-no pass" are omitted.

A pass grade is granted for performance that is equivalent to the letter grade of "C" or better. A student who fails to perform satisfactorily will be assigned a "no pass" grade.

The student is held responsible for all assignments and examinations required in the course. The standards of evaluation are identical for all students in the course.

The following guidelines apply to courses taken for pass-no pass as designated by each College Catalog:

- Courses in the student's major field may not be taken under the Pass/No Pass policy except as designated.
- Honors courses cannot be taken for Pass/No Pass.
- Courses that meet major requirements must be taken for a letter grade. Also, Pass/No Pass grades could have a negative effect on scholarships and international students. In addition, students who plan to pursue graduate or professional studies later are advised to be selective in opting for courses on a Pass/No Pass basis.
- A maximum of 6 Pass/No Pass units may be carried during any one semester.
- A maximum of 12 Pass/No Pass units is allowed for any degree program. This does not include units taken under credit by examination or assessment.
- Pass/No Pass petitions are available at the Admissions and Records Offices. The Pass/No Pass petition must be signed by a counselor and be submitted between the first and fifth week of the fall and spring terms (for full semester classes) or by the first thirty percent (30%) of the class meeting dates (for short term classes), whichever is less.
- Pass/No Pass status cannot be changed back to a letter grade after the deadline has passed.

- Pass indicates a “C” or better.
- Pass/No Pass grades are accepted for certification in all areas. However, letter grades may be recommended or required for specific courses in a given major. Each CSU campus may also limit the total number of units graded Pass.
- For a certificate a Pass/No Pass course is acceptable if it is required for the certificate and (a) offered on a Pass/No Pass basis only or (b) if the Pass/No Pass is earned on the basis of credit by examination.
- For Associate Degrees, units earned at a regionally accredited college or university on a Pass/ No Pass basis will be counted toward the degree requirements of the college, to a maximum of 15 units.
- Every university has a limitation on the number of courses/units that can be taken for Pass/No Pass and applied to graduation and may require General Education taken Pass/No Pass to be retaken for a letter grade.
