Public Safety Task Force Security Recommendations – Progress report

Structure of Safety & Security

Recommendation 1: Transition from current unarmed public safety to a hybrid armed non-sworn department.

This recommendation is complete. Armed officers are now on campus throughout the district. The District has a total of 17 armed officers (includes all district safety managers).

	DAYS	SWINGS	MIDS
DO	1		
SAC	3	3	2
SCC	4	2	0
CEC	1	1	0

Joint Training

Recommendation 2: Establish close working relationships with local police departments in Santa Ana and Orange by training together whenever possible.

EOC training has been completed in October 2018 at both SAC and SCC. Table top exercises along with a drill are planned for both SAC and SCC in spring 2019. Both Santa Ana PD (SAPD) and Orange PD (OPD) will be invited to participate. A training plan is being developed for active shooter and other emergency preparedness training through 2019. Santa Ana Unified School District (SAUSD) Police has agreed to participate. Additionally, we will be conducting joint briefings with SAUSD police.

Recruitment of additional officers and increase supervisory coverage

Recommendation 3: Recruit additional officers to provide graveyard coverage at SCC and create supervisory positions to support Lieutenants in their roles and recruit accordingly.

This recommendation is complete. The District Safety and Security department is a 24/7 365 operation with supervisory support for the lieutenant at each campus.

Environment Safety and Emergency Services

Recommendation 4: Recruit a part-time Environmental Safety and Emergency Services position

This recommendation is in the recruitment stage.

Community Policing

Recommendation 5: Formalize training in Community Policing for Safety and Security Department.

All officers are scheduled for ongoing advanced officer training in a variety of topics including Community policing for safety and security.

Written Policies and Formal Agreements

Recommendation 6: Memorandum of Understanding (MOU) and Mutual Aid to be developed with both local police agencies (SAPD and OPD) for planning, training and responding to a need for local law enforcement services on RSCCD property.

This recommendation is complete. A Memorandum of Understanding and Mutual aid agreement with both SAPD and OPD are approved.

Interoperability

Recommendation 7: The Director of RSCCD Security should work with local Police Chiefs to gain access to their existing 800 MHz radios systems in the event of a shooting on campus or an emergency.

This recommendation is complete. The transition to 800 MHz is in the final stages. All radios have been purchased and programmed by Orange County Communications. Radios have been distributed to both SAC and SCC. We realized we had open channels and decided to have them programmed with Santa Ana Unified School District (SAUSD) police and the Orange County Sheriff's Department. Upon approval, radios will be provided to O.C. communications for programming.

Media and Public Relations

Recommendation 8: Establish a close working relationship with the PIO's of both SAPD and OPD. Develop a marketing plan for the administrators, faculty and students to be aware of what to do in case of an emergency such as an Active Shooter.

This recommendation is ongoing. We are coordinating with 25th Hour Communications, the district's public affairs contractor, to develop a marketing plan focused on the Safety and Security department. Under development are a crisis management communication plan and implementation of social media accounts for the Safety and Security department such as Twitter and Facebook.

Mass Communication

Recommendation 9: Purchase a single sign on mass communication platform to use in the event of an extreme emergency. Also make it an 'opt out' system so that all the campus community is automatically signed up when registration takes place.

This recommendation is complete. Rave Mobile Safety emergency notification software is utilized throughout the district.

Coordination Plans

Recommendation 10: RSCCD campus Safety & Security and local police from Santa Ana and Orange must coordinate with each other in order to be prepared to respond to critical incidents such as an Active Shooter.

This recommendation is ongoing. We meet with SAPD and OPD leadership on a regular basis to provide updates and share information.

Orange County Police Chiefs and Sheriffs Association

Recommendation 11: It is strongly recommended that the Director of Security for RSCCD become an associate member of the OC Chiefs and Sheriffs Association.

While the Chief of District Safety and Security cannot become a member of OCOPSA, the chief participates with several associations to ensure information sharing in our region.

- National Association of Clergy Compliance Officers And Professionals (NACCOP)
- California College and Universities Police Chiefs Association (CCUPCA)

DISTRICT SAFETY & SECURITY TRAINING REPORT

District Safety & Security Personnel Training

The Rancho Santiago Community College District’s Office of Safety & Security consists of one chief, two lieutenants, four sergeants and thirty eight District Safety Officers. The department is comprised as follows:

<u>Classification</u>	<u>Job Description</u>	<u>Armed</u>	<u>Unarmed</u>
Full Time	Manager(Chief, Lieutenants, Sergeants)	7	
Full Time	Sr. District Safety Officer	10	
Full Time	District Safety Officer		11
Part Time	District Safety Officer		10
Part Time-Temporary	District Safety Officer		7
Total:		17	28

Of the seventeen armed officers, nine are assigned to SAC, five assigned to SCC, two assigned to CEC and one assigned to the district officer (Chief). All officers have completed the following training:

- First Aid
- Campus Security (SB 1626)
- PC 832(a)
- Emergency Preparedness

In addition to the above training, all *armed* officers have completed PC 832(b) and BSIS Guard Registration training both the armed and unarmed courses. Currently, of the seventeen part time staff, four possess the BSIS Guard Registration (unarmed). Although not required for part time staff, it is the goal of this department to have all part time staff complete the BSIS training.

Of the seventeen armed officers, eleven of them have graduated from a POST certified police academy. These eleven officers provide the district with a combined total law enforcement experience of approximately 300 years.

District Wide Training

One core mission of the District’s Office of Safety & Security is to develop, coordinate and facilitate various types of training throughout the district. To this purpose, the office has developed a Multi-Year Training and Exercise Plan (MYTEP). The MYTEP documents the district’s overall training and exercise program priorities for a specific multi-year time period. It is considered a living document that can be updated and refined as needed. This MYTEP

identifies the training and exercises that will help the district build and sustain the core capabilities needed to address its training and exercise program priorities.

District Safety identified four training priorities which are the focus of the current MYTEP. These priorities are:

- **ICS, SEMS, NIMS**
 - The Incident Command System (ICS) is a management system designed to enable effective and efficient domestic incident management by integrating a combination of facilities, equipment, personnel, procedures, and communications operating within a common organizational structure.
 - The Standardized Emergency Management System (SEMS) is the cornerstone of California's emergency response system and the fundamental structure for the response phase of emergency management.
 - The National Incident Management System (NIMS) provides a common, nationwide approach to enable the whole community to work together to manage all threats and hazards.
- **District's Emergency Operations Plan (EOP)**
 - The Emergency Operations Plan addresses Rancho Santiago Community College District's (RSCCD) planned response to extraordinary emergency/disaster situations associated with natural and manmade disasters, technological incidents and national security emergencies, occurring on or affecting the campuses or any center. It is placed into operation whenever an emergency affecting the campuses cannot be controlled through normal channels.
- **Active Shooter**
 - Active shooter situations are unpredictable and evolve quickly. Typically, the immediate deployment of law enforcement is required to stop the shooting and mitigate harm to victims. Because active shooter situations are often over within 10 to 15 minutes, before law enforcement arrives on the scene, individuals must be prepared both mentally and physically to deal with an active shooter situation.
- **All Hazards**
 - It is impossible to predict exactly when unforeseen or natural disasters will occur, or the extent to which they will affect the District. With careful planning and collaboration among district personnel, public agencies, private organizations, and the community, it is possible to minimize losses and damage.

Campus Specific Training

Each Campus Safety office provides training opportunities to their campuses. Although similar training is provided to both campuses, each campus is provided training which is inherent to their needs. As such, there are distinct differences in the topics, length, and participation of the training provided to each campus. Below is a breakdown of the training offered to the campuses to date.

Santa Ana College (SAC)

In partnership with SAC's Professional Development Team, Campus Safety provides and facilitates several training opportunities throughout the year. In total, campus safety has conducted over 32 presentations.

Location	Presentations
SAC	27
CEC	4
REC	2
DMC	1
Total:	34

SAC Campus Safety training topics:

- Active Shooter
- Fire Safety
- Disaster Preparation
- Live Safe
- General Campus Safety
- Student Discipline
- Maxient Reporting

Santiago Canyon College (SCC)

SCC provides training opportunities throughout the year for all SCC staff. SCC does not currently have a Professional Development Team. Campus Safety coordinates with campus administration, department heads and managers to facilitate all training opportunities.

Location	Presentations
SCC (management, faculty, staff)	11
Special Events	4
New Student Orientation	3
Total:	18

SCC Campus Safety training topics:

- Safety on Campus
- Active Threats
- Campus and Student Interaction
- Emergency Operations Plan (EOP)
- Incident Command System (ICS)
- Responsibilities in an Emergency

COMPLETION TIMELINE FOR THE NEW SAFETY EMERGENCY PHONES DISTRICTWIDE

The installation for the new safety emergency phones is progressing towards completion. The table below illustrates the completed work to date and the projected schedule for the remaining locations.

1.-	DMC (2 Towers)	Work completed on December 14, 2018.
2.-	OCSRTA (3 Towers)	Work completed on January 18, 2019.
3.-	SAC (13 Towers)	Work tentatively scheduled to start on Spring Break.
4.-	CEC (5 Towers)	Work tentatively scheduled to start on May 2019.
5.-	SCC (23 Towers)	Work tentatively scheduled to start during Summer Break.
6.-	DO (2 Towers)	Work tentatively schedule after ADA project completion tentatively November 2019.

Additionally, Facilities is currently working on a Design Firm (Architect) to review the existing locations of the parking lot ticket kiosk for daily parking permits. Once completed, Facilities will begin replacing the existing equipment with the new equipment.

2018 ANNUAL SECURITY REPORT

The Clery Act requires colleges and universities to disclose policy statements and crime statistics for incidents which occur on four defined areas: on-campus, in on-campus housing, on unobstructed public areas immediately adjacent to the campus and on non-campus properties owned and or controlled by the institution.

This information is published in the Annual Security Report on or before October 1st annually for the preceding three years. The annual report is written in a Portable Document Format (pdf) and can be viewed using Adobe Acrobat Reader.

The Rancho Santiago Community College District's 2018 Annual Security Report was completed by Chief Toni Bland on September 26, 2018. The report was uploaded to the District Safety and Security's web site, SCC web site and SAC web site. On October 1, 2018, all students received instructions on how to access the web links via the RAVE alert system. Additionally, the report was distributed by the District Safety and Security department personnel throughout each of the following locations:

- Santa Ana College
- Santiago Community College
- Orange Education Center
- Centennial Education Center
- Remington Education Center

District Safety and Security provided the report to all the campus presidents, vice presidents of continuing education and administration personnel. Safety personnel placed copies of the report in areas of high student traffic such as food courts, libraries, administration buildings and student services.

Message from the Chancellor, RSCCD

The Rancho Santiago Community College District is committed to providing our students, staff and visitors with a safe and secure environment for learning and work. That commitment is reflected in the many safety-related services that we offer including escorts, campus patrols, training, emergency notifications, and the LiveSafe app. We take seriously our commitment to protecting the college community from all forms of misconduct including dating violence, domestic violence and stalking. Accordingly, RSCCD offers a broad range of training, education and outreach programs, including not only prevention education, but also advocacy, counseling and consultation services. We also work hand-in-hand with local law enforcement agencies to create a safer community. One of the most important things you can do to remain safe on our campuses and centers is to become an active participant in your safety. As part of those efforts, we offer our Annual Security Report. It recaps the many safety related services available on campus; offers information on emergency messaging and emergency preparedness; and summarizes key policies and procedures. Thank you for taking the time to read the Annual Security Report.

Raúl Rodríguez, Ph.D.
Chancellor

Message from the Chief, Safety & Security

Thank you for taking the time to read the Annual Security Report (ASR) which contains information on safety and security policies, procedures, safety programs and resources available at the Rancho Santiago Community College District (RSCCD). The ASR provides crime statistics that are reported to local law enforcement and our safety and security personnel. This report is provided in compliance with the Jeanne Clery Act of 1998 and the associated amendments including the Violence Against Women Reauthorization Act of 2013. The information contained in the ASR can help to keep you and your property safe. Information on how to contact District Safety and Security to report suspicious activity or other concerns is included. District safety and security supports the campuses and centers by taking a proactive, community policing approach to ensure a safe learning and working environment. We pride ourselves on the professionalism of our employees and the partnerships established with students, staff and visitors. Your district safety and security team looks forward to working together to provide a secure campus conducive to student achievement and academic success.

Toni Bland, Ed.D.
Chief, District Safety

ABOUT RANCHO SANTIAGO COMMUNITY COLLEGE DISTRICT

The Rancho Santiago Community College District (RSCCD) is a multi-college District with various sites and centers offering classes in multiple cities within Orange County serving a population of more than 700,000 persons in Santa Ana, Irvine, Anaheim Hills, Garden Grove, Orange, Tustin and Villa Park. Primary sites include Santa Ana College and Santiago Canyon College, Centennial Education Center, Orange Education Center, the Orange County Sheriff's Regional Training Academy, Orange County Regional Fire Training Center, the Digital Media Center, and the Remington Education Center. The Rancho Santiago District Operations Center, in Santa Ana, provides services and resources to all RSCCD colleges and centers. RSCCD serves approximately 28,000 students each semester in college credit, continuing education, non-credit education and community services divisions.

OUR COMMITMENT TO YOUR SAFETY AND SECURITY

RSCCD is committed to your safety and security on and around our campuses. As part of this responsibility, the District Safety and Security Department compiled this annual security report on behalf of the District, in compliance with federal law, including the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act. The 2008 revision of the Higher Education Opportunity Act (Public Law 110-315), and the California Education Code section 67380, which informs members of the community of institutional policies concerning campus security including District Safety and Security's law enforcement authority, crime reporting policies, alcohol and drug use, crime prevention, sexual assault and other matters of related importance. Also included is information about the Violence Against Women Reauthorization Act of 2013 (VAWA), which amends the Jeanne Clery Act, under the campus Sexual Violence Elimination provision (Campus SaVE Act).

OUR NUMBER ONE PRIORITY IS YOUR SAFETY

The District Safety and Security Department takes great pride in keeping people safe across the communities of our campuses and centers. This community is a great place to live, learn, work and study; however, this does not mean that the campus community is free from problems. With that said, the District Safety and Security Department has implemented several measures to create and maintain a safe environment on campus. We strongly encourage community members to report any criminal and suspicious activity occurring on or near campus in one of the following ways. To the District Safety Department at 714-564-6330, Santa Ana Police Department (SAPD) 714-245-8665, Orange Police Department (OPD) at 714-744-7444, Crime Stoppers, anonymously through the LiveSafe app or WeTIP. This will ensure, appropriate follow-up actions, including issuing a timely warning or emergency notification as appropriate.

PREPARATION OF THE ANNUAL SECURITY REPORT

The Chief of District Safety and Security prepares this report to comply with the Jeanne Clery Disclosure of Campus Security Policy and Crime Statistics Act. The Clery Act requires colleges to:

- Collect, classify, and count crime reports and statistics
- Issue campus alerts when appropriate
- Publish an annual security report
- Submit crime statistics to the Department of Education
- Maintain a daily crime log
- Disclose missing student notification procedures

Pursuant to the Clery Act, the District must report this information every year, for the most current three-year period. Copies of the annual report are available to all students and employees and are available for prospective students at the RSCCD (www.rsccd.edu), SAC (www.sac.edu) and SCC (www.scollege.edu) websites, the District Safety and Security office and other locations throughout our District.

ABOUT THE SAFETY AND SECURITY DEPARTMENT

The RSCCD District Safety and Security Department consists of one Chief, two Lieutenants, four sergeants, eighteen full time officers, thirteen part time officers, and six reserves who provide service 24 hours a day, 365 days a year. The department is a hybrid agency with armed and unarmed officers.

All officers are required to complete training established by the Commission on Peace Officer Standards and Training (POST), including a School Security or Campus Law Enforcement course (S.B. 1626), or School Peace Officer course, Penal Code 832 and 832.3, CPR, Emergency Response, tactics, and First Aid.

All armed officers receive extensive training as prescribed by POST and additional training to meet the unique needs of a campus environment. The armed officers also completed a rigorous process to become armed similar to that of city and county peace officers. The Department is well trained and handles all patrol, preliminary investigations, crime prevention education, and related duties for the campus community.

WORKING RELATIONSHIP WITH LOCAL LAW ENFORCEMENT AGENCIES

The District Safety and Security Department maintains a cooperative relationship with law enforcement, such as Santa Ana Police Department (SAPD), Orange Police Department (OPD), Santa Ana Unified School District Police Department (SAUSD) and the Orange County Sheriff's Department (OCSD). This includes joint active shooter training and sharing of information for investigations, which occur on or near our campuses. Our ongoing relationship with local law enforcement helps to ensure our campuses and centers are safe, a rapid response in the event of an emergency and training that benefits both local law enforcement and our campuses and centers.

PROCEDURES TO REPORT CRIMINAL ACTIONS OR OTHER EMERGENCIES

The District has a number of ways for campus community members and visitors to report crimes, suspicious activity, and other emergencies to appropriate college officials. Irrespective of how and where you report these incidents, it is critical for the safety of the entire college community that you immediately report all concerns to District Safety and Security at 714-564-6330 to ensure an effective investigation and appropriate follow-up actions, including issuing a Timely Warning or emergency notification. RSCCD encourages accurate and prompt reporting of all crime to the District Safety and Security Department and the appropriate local police department.

Voluntary, Confidential Reporting

RSCCD has a reputation for maintaining safe campuses where staff, students and faculty can work and study without fear for their personal safety or property. This is, in part, a result of everyone working together to create an atmosphere that is safe and conducive to learning. If crimes go unreported, little if anything can be done to prevent other members of the community from possibly becoming victims. We encourage college community members to report crimes promptly and to participate in and support crime prevention efforts. The college community will be much safer when all community members participate in safety and security initiatives. If you are the victim of a crime or want to report a crime you are aware of, but do not want to pursue action within the college or criminal justice system, we ask that you consider filing a voluntary, confidential report. Depending upon the circumstances of the crime you are reporting, you may be able to file a report while maintaining your confidentiality. The purpose of a confidential report is to comply with your wish to keep your personal identifying information confidential, while taking steps to ensure your safety and the safety of others. The confidential reports allow the College and Centers to compile accurate records on the number and types of incidents occurring on campus. Reports filed in this manner are counted and disclosed in the Annual Security Report. In limited circumstances, the department may not be able to assure confidentiality and will inform you in those cases.

Anonymous Reporting

If you are interested in reporting a crime anonymously, you can utilize WeTIP, which can be accessed through its website: <http://wetip.com/>. By policy, we do not attempt to trace the origin of the person who submits information in this manner, unless such is deemed necessary for public safety. Persons may also report crimes through Crime Stoppers at 855-TIP-OCCS or via its website at <http://occrimestoppers.org/>. In addition, RSCCD has partnered with LiveSafe to provide a free app that allows the RSCCD community to share information and safety concerns directly with Campus Safety via text, with pictures, video and audio attachments. You can even start a live chat. Through the app, reporting can also be done anonymously.

Reporting to Safety and Security Services

Anyone may call the District Safety and Security Department at 714-564-6330 to report concerning information. Callers may remain anonymous. Crime reports are taken at the campus safety office of Santa Ana College (X Bldg.), the campus safety office at Santiago Canyon College (U-90 Building) or at the administrative offices of the other sites and centers. District Safety Officers can also respond to your location on campus to take a report.

The Chief, District Safety and Security Department at the District administration offices (714-480-7331) is the crime prevention officer for the District and may also be contacted to report suspicious activity. Additional contact information and locations are found on the table below.

Emergency Phones

Emergency phones are located on all colleges and centers. Phones are located in public areas including buildings, elevators, administration buildings, and numerous outdoor locations. The call boxes provides direct voice communication to the Safety and Security department 24/7 and can be used to report suspicious activity and crime.

Campus Security Authorities

We also recognize that some individuals may elect to report crimes to other college officials. While the Colleges prefer that community members promptly report all crimes and other emergencies directly to District Safety and Security at 714-564-6330, we also understand that some may prefer to report to other individuals or College offices. The Clery Act recognizes certain college officials and offices as "Campus Security Authorities (CSA)." The Act defines these individuals as "officials" of an institution who has significant responsibility for student and campus activities, including, but not limited to, student housing, student discipline and campus judicial proceedings. An official is defined as any person who has the authority and the duty to take action or respond to particular issues on behalf of the institution." We have listed those offices where campus community members may report crimes. This includes:

- Deans of Student Affairs / Development;
- Office of Human Resources;
- Other Deans;
- Athletics directors;
- Coaches;
- Faculty advisors to student groups;
- International student coordinators; and
- Counselors.

These individuals are designated as "Campus Security Authorities" and are required to report crimes reported to them to District Safety and Security.

Professional Mental Health Psychologist

A professional (mental health) psychologist is excluded from the mandatory reporting of crime. However, RSCCD is committed to ensuring a safe and secure environment and encourages a professional psychologist to advise those who they are counseling of the College's voluntary, confidential reporting process and procedures for victims of crime who wish to remain confidential. Anyone on campus can report a crime or other emergency by dialing 911 to reach local law enforcement authorities or district safety at 714-564-6330.

DAILY CRIME LOG

The District Safety Department maintains a Daily Crime Log. To review the log stop by the Santa Ana College campus safety and security office, X-101. It is available for viewing Monday through Thursday, from 7:30am to 9:00pm, and on Fridays from 7:30am to 4:00pm. The crime log contains a brief description of all incidents reported to the District safety

department at all RSCCD sites and centers. The District carefully monitors all reported incidents that occur and allocates resources as needed to maintain a safe environment.

CAMPUS CRIME AND SAFETY ALERTS AND TIMELY WARNINGS

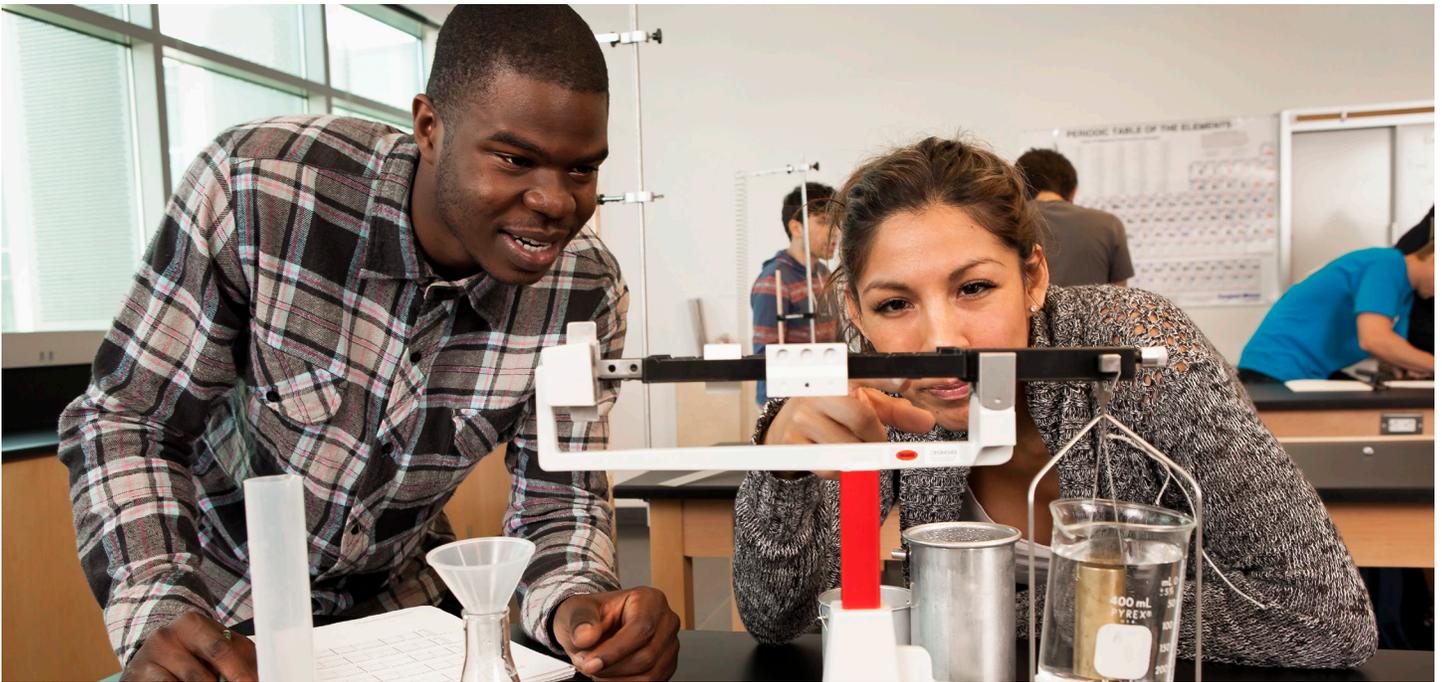

The purpose of a timely warning is to alert the campus community to the occurrence of a crime that poses an ongoing threat to the campus community and/or heighten safety awareness of students as soon as pertinent information is available when a Clery reportable crime is reported.

The Chief, District Safety and Security, or in their absence, their designee, will make a decision, in consultation with other administrative personnel as needed, whether to disclose the incident through a Timely Warning Notice. The circumstances of any situation are unique. In the event an alleged Clery Crime (defined below) occurs on campus, on public property within or immediately adjacent to the campus, or in non-campus buildings or property controlled by the College. The college will determine, in its best judgment, if the allegations present a serious or continuing threat to the college community. For purposes of this policy, "timely" means as soon as reasonably practicable, generally not more than 48 hours after an incident has been reported to the District Safety and Security Department or the Campus Security Authorities identified by RSCCD, or local police agencies that have concurrent jurisdiction and shared information with the impacted College. If the Chief or designee is not available, a member of the campus emergency response contingent who are part of the Incident Command (ICS) team will make the determination.

Issuing a Timely Warning Notice is determined on a case-by-case basis for Clery Act crimes: arson, homicide, burglary, robbery, forcible and non-forcible sex offenses, aggravated assault, motor vehicle theft, domestic violence, dating violence, stalking and Hate Crimes, as defined by the Clery Act. The Chief, District Safety and Security, Chancellor, Presidents, Vice Presidents, or their designees also may distribute notices for other crimes as deemed necessary.

In determining whether to issue a Timely Warning, the College will consider any factors available related to whether the alleged crime represents a serious or continuing threat to the college community. Including, but not limited to, (a) the nature of the incident; (b) when and where the incident occurred; (c) when it was reported; (d) the continuing danger to the campus community; and (e) the amount of information

¹ A hate crime is a criminal offense of murder and non-negligent murder, forcible sex offenses, non-forcible sex offenses, robbery, aggravated assault, burglary, motor vehicle theft, arson, larceny-theft, simple assault, intimidation, destruction/damage/vandalism of property, domestic violence, dating violence, or stalking incidents. Where the criminal offense was committed against a person or property, which is motivated, in whole or in part, by the offender's bias. Bias is a preformed negative opinion or attitude toward a group of persons based on their race, gender, gender identity, religion, disability, sexual orientation or ethnicity/national origin.

known by the District Safety and Security Department. If there is insufficient information available to determine whether the incident represents a continuing threat to the college community, the campus will issue a Timely Warning. Unless, based on the information available, it appears unlikely that there is an ongoing threat to the Community. District Safety and Security will document and retain for seven years, the reason a Timely Warning Notice may or may not be issued for any reported Clery Crime.

The Timely Warning Notice will include the following information, if available, the date, time and nature of the offense, a brief overview of the circumstances, a physical description of the involved person(s), law enforcement's immediate actions, a request and method for witnesses to contact law enforcement and where applicable and appropriate, cautionary advice that would promote safety. In developing the content of the Timely Warning Notice, the District will take all reasonable efforts not to compromise ongoing law enforcement efforts.

The Colleges distribute Timely Warning Notices in a variety of ways. Once it is determined a Timely Warning Notice will be issued, the District Safety and Security Department will e-mail the announcement and post it on its website (www.sac.edu or www.sccollege.edu), and bulletin boards throughout campus. Text and email alerts will also be disseminated via our emergency mass communication system, Rave Mobile Safety. Anyone with information about a serious crime or incident should report the circumstances to the District Safety and Security Department by phone at (714-564-6330) or in person at either District Safety and Security Office at Santa Ana College or Santiago Canyon College. If a report is made to other College administrators, those administrators will immediately notify the District Safety and Security Department.

EMERGENCY RESPONSE AND EVACUATION PROCEDURES

The District has developed a comprehensive, all-hazard Emergency Response Plan that outlines steps the District will take to prevent and mitigate, prepare for, respond to, and recover from a full range of likely hazards our campuses may face. An Emergency Procedures guideline is posted in every building at each site and in each classroom. It contains basic instructions to employees and students for responding to various emergency incidents.

To ensure these plans remain current and actionable, the District and Colleges will conduct an emergency management exercise, at a minimum once yearly. These exercises may include evacuations; tabletop drills, or full-scale emergency response exercises. The Colleges and District conducts after-action reviews of all emergency management exercises. When the campuses are evacuated, staff and students gather at designated assembly areas at a safe distance from the buildings to await further instructions. Employee volunteers who serve as building and floor captains have been provided training to ensure their areas have been evacuated and that injured persons and safety hazards are reported.

The District has designated employees who are members of their site's emergency response organization and has provided training for these employees in the Incident Command System (ICS) at every site, and uses the ICS principles when responding to emergencies. In addition to evacuation exercises, the District conducts other emergency preparedness activities, including tabletop exercises, to evaluate the effectiveness of the emergency response plans.

Emergency Notification System:

RSCCD is committed to ensuring the campus community receives timely, accurate, and useful information in the event of an emergency on campus or in the local area, which poses a risk to the health and safety of our campus community members. To support this commitment, RSCCD has invested in several multi-modal forms of communications that allow administrators to distribute notices in the event of a critical incident or dangerous situation. RSCCD uses Rave Mobile Safety to provide alerts email and text alerts as well as phone notification to the campus communities. Rave Mobile Safety is an emergency notification service which all staff and students are automatically enrolled; it is an opt-out system. Rave Mobile Safety is used to send messages within minutes of an emergency occurring. In addition, using the LiveSafe app, campus Safety can send a message directly to a targeted or specific area on campus if necessary.

Initiating the Emergency Notification System:

District Safety and Security and/or other campus first responders may become aware of a critical incident or other emergency that potentially affects the health and/ or safety of the campus community. Generally, campus first responders become aware of these situations when they are reported to the District Safety and Security Dispatch or upon discovery during patrol or other assignments. Once first responders confirm there is, in fact, an emergency or dangerous situation that poses an immediate threat to the health or safety to some or all members of the campus community, first responders will notify supervisors in Safety and Security or other authorized college officials to issue an emergency notification.

RSCCD has authorized representatives, including supervisors in the District Safety and Security Department, officials in the Office of Communications and Publications, and/or other members of the RSCCD's administration, to initiate all or some portions of the RSCCD's emergency notification system. If, in the professional judgment of first responders, issuing a notification potentially compromises efforts to assist a victim or to contain, respond to, or otherwise mitigate the emergency, RSCCD may elect to delay issuing an emergency notification. As soon as the condition that may compromise efforts is no longer present, RSCCD will issue the emergency notification to the campus community or applicable segment of the community.

Target Audience for Emergency Notification:

Campus and local first responders on the scene of a critical incident or dangerous situation that poses an immediate threat to the health or safety of the campus community will assist those preparing the emergency notification with determining what segment or segments of the campus community should receive the notification. Generally, campus community members in the immediate area of the dangerous situation (i.e. the building, adjacent buildings, or surrounding area) will receive the emergency notification first. RSCCD may is-

sue subsequent notifications to a wider group of community members. In addition to the emergency notification that may be issued via the District mass notification system, RSCCD, will also post applicable messages about the dangerous condition on the college's homepage to ensure the rest of the campus is aware of the situation and the steps they should take to maintain personal and campus safety. If the emergency affects a significant portion of or the entire campus, RSCCD officials will distribute the notification to the entire campus community.

Contents of the Emergency Notification:

For those emergencies when the District's ICS team is in command, the employee designated as the incident commander will normally make the decision to notify the campus community. Employees who are designated as the incident commander will vary from site to site, but may include the Vice Chancellors, College Presidents, Vice Presidents, Deans, Chief, Lieutenants and Sergeants of Safety and Security and the Risk Manager as well as their designees. The office responsible for issuing the emergency notification will determine the content of the notification. RSCCD has developed a wide range of template messages addressing several different emergencies. These methods of communications include the mass notification system Rave Mobile Safety, which may include SMS, e-mail, voice, RSS, Twitter, and Facebook. We may also use verbal announcements within buildings, public address systems, and fire alarms. Those issuing the alert will select the template message most appropriate to the on-going situation and modify it to address the specifics of the current incident. Those issuing the notification will use the following guidelines when determining the contents of the emergency notification.

1. The first message is intended to **Alert** the community or appropriate segment of the campus community of the dangerous condition and the actions they should take to safeguard their and their neighbor's safety. Messages distributed in this stage of a rapidly unfolding critical incident will generally be short, precise, and directive. Examples include "The campus is experiencing a major power outage affecting the following buildings: A, B, C and D Buildings. All occupants of these buildings should immediately evacuate and meet at the designated location."
2. The second message is intended to **Inform** the community or appropriate segment of the campus community about additional details of the situation. This message is generally distributed once first responders and the Emergency Operations Center has additional information about the dangerous situation. Examples include "The power outage affecting A, B, C and D Buildings was caused by a cut power line. Southern California Edison is responding along with Facilities personnel to repair the damage. We expect the outage to last until 2:00pm Refer to the Colleges homepage for additional information or dial a designated number."

3. Finally, the third message is the **Reassure** notice that is generally distributed once the situation is nearly or completely resolved. The purpose of this message is to reassure the community that RSCCD or the college is working diligently to resolve the dangerous situation. It can also be used to provide additional information about the situation and where resources will be available.

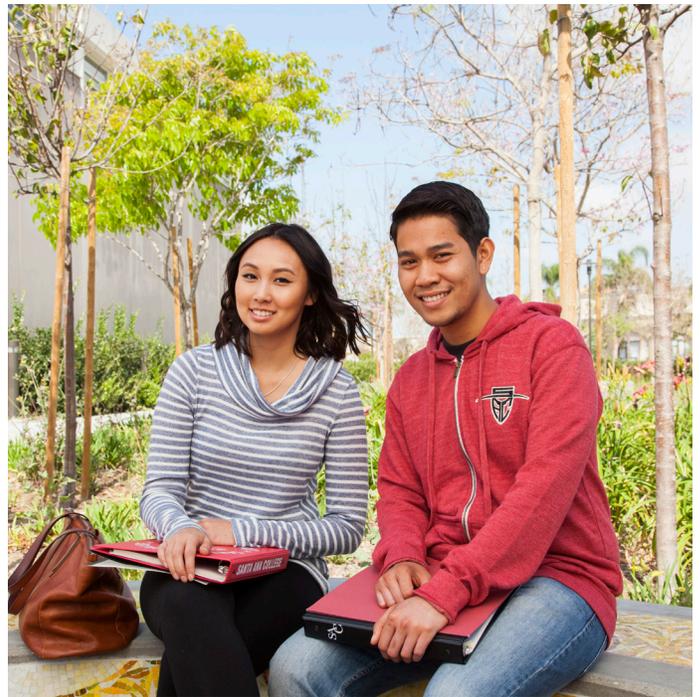

In those cases where there are no pre-determined template messages in the system, the individual issuing the alert will develop and send the most succinct message to convey the appropriate message to the community. The goal is to ensure individuals are aware of the situation and know the steps to take to safeguard their personal and community safety.

Procedures to Notify the Campus Community:

In the event of a situation that poses an immediate threat to members of the campus community, the college has various systems in place for communicating information quickly. Some or all of these methods of communication may be activated in the event of an emergency notification to all or a segment of the campus community. These methods of communication include the mass notification system Rave Mobile Safety, the District's e-mail system, campus PA system and/or emergency messages through the District telephone system. RSCCD will post updates during a critical incidents on the College and Districts homepage. This information is provided as part of RSCCD's commitment to safety and security on our colleges and centers throughout the District.

ACCESS TO CAMPUS AND SECURITY CONSIDERATIONS

The District does not have any residential areas and does not operate housing facilities on any campus or center. Most campus buildings are open from 7:00am to 10:30pm. Academic buildings are open on weekends only as needed. Access to individual classrooms and laboratories is limited to those enrolled in the courses meeting there. Likewise, access to most programs is limited to those enrolled in the program or otherwise authorized access. People have access to buildings for study, work, or teaching, but not unrelated school functions. Therefore, only those who have approval are provided access. Students and staff may be asked to produce identification if there is a question about authorization to a specific area on campus. Persons who need to be in campus buildings or areas after regular hours should obtain approval from supervisors and notify the safety department of their presence during off-hours. Students may not use facilities after hours unless supervised by authorized staff. Except for scheduled weekend classes, campus buildings are locked from 10:30pm on Friday until 6:00am on Monday. Persons entering the campus without lawful business may be subject to arrest. District safety officers will unlock doors for weekend classes and for other scheduled events. It is the responsibility of those using the facilities to ensure that lights and other electrical equipment are turned off and that doors

and windows are closed and locked after use. Safety and Security staff will patrol and monitor District facilities after hours to ensure they are locked and secure, and will notify appropriate staff of any safety problem or other hazards.

District Safety and Security is committed to maintaining a safe and secure campus. Keys and access control devices are provided to staff members, by campus services, on a need-to-enter basis, when approved by the appropriate supervisor. Lost keys and access control devices must be reported immediately to the supervisor and to campus services. Payment for lost keys may be required. Keys and access control devices may not be loaned to other staff or to students. District safety officers will confiscate any keys in the possession of unauthorized persons. District keys shall not be duplicated. District property may not be removed from District facilities without authorization. The maintenance and operations, custodial, grounds, and safety and security departments combine to enhance the safety, security and maintenance of District facilities. Maintenance and operations staff performs routine preventive maintenance programs, including monitoring lighting systems, fire extinguishers and emergency exit signs. The grounds department routinely trims trees and bushes to reduce potential hazards. We encourage community members to promptly report any security concern, including concerns about locking mechanism, lighting, or landscaping to the District Safety and Security office at 714-564-6330 or by utilizing the functions imbedded in the LiveSafe app. Custodial and security staff secure doors and windows, and perform periodic inspections to spot and mitigate safety hazards. Life safety, intrusion alarms, video surveillance systems, and access control systems are installed at various facilities and are monitored and inspected regularly.

CAMPUS SAFETY AND SECURITY AUTHORITY

District safety officers receive their authority, limited to District property, from the Board of Trustees of RSCCD and the Penal Code, Education Code and Vehicle Code of California. District safety officers are non-sworn and do not possess peace officer status or police authority. District safety officers may make, or can assist others in making private citizen's arrests pursuant to section 837 of the penal code. District safety officers are authorized to enforce traffic and parking regulations on District campuses. They may issue citations for parking violations at Santa Ana College, Centennial Education Center, Orange Education Center, Santiago Canyon College and other District sites.

Partnership with Law Enforcement

The District safety department maintains a close working relationship with local police departments and have entered into an operations and protocol agreement with local law enforcement agencies. Our officers may detain offenders for local law enforcement officers. Local law enforcement agencies have primary responsibility for exercising police authority and investigating crimes on our facilities. District safety officers will make internal incident and crime reports, and may call local police departments that have primary jurisdiction to respond to crime scenes, take official police reports from victims and provide investigative forensic services as required for all serious crimes. District safety officers at the colleges will respond to all crime reports in a timely manner, and will assist victims in contacting local police to make official crime reports.

Monitoring and Recording of Off-Campus Crimes Involving Recognized Student Organizations

RSCCD does not recognize any off-campus student organizations. Off campus activities involving students will be supervised by appropriate staff that will notify law enforcement authorities if a crime occurs. Supervisors of these events should also notify district safety and security of these incidents. Safety officers do not have authority to respond to off-campus incidents.

SEXUAL VIOLENCE PREVENTION AND RESPONSE PROGRAMS AND SEX OFFENSE PROCEDURES

RSCCD does not discriminate based on gender in its educational programs. Nor does it tolerate sexual harassment and sexual violence, which is a type of sex discrimination. Other acts can also be forms of sex-based discrimination and are prohibited whether gender based or not and include dating violence, domestic violence, and stalking. As a result, RSCCD issues this statement of policy to inform the community of our comprehensive plan addressing sexual misconduct; educational programs and procedures that address sexual assault, domestic violence, dating violence, and stalking, whether

the incident occurs on or off campus, and how these events are reported to a District official. In this context, RSCCD prohibits the offenses of domestic violence, dating violence, sexual assault and stalking and reaffirms its commitment to maintain a campus environment emphasizing the dignity and worth of all members of the campus community.

These guidelines apply to all students, faculty, staff, contractors and visitors. Any sexual violence occurring on District facilities or at a District sponsored or supervised event is strictly prohibited and is a violation of District policy whether committed by an employee, student or member of the public, and is subject to administrative disciplinary action and criminal and civil prosecution.

Our Commitment to Addressing Sexual Assault/Rape, Domestic Violence, Dating Violence, and Stalking

The District does not tolerate sexual misconduct or abuse, such as sexual assault, rape, or any other forms of non-consensual sexual activity. Sexual misconduct in any form violates the Student code of conduct, District policies (www.rsccd.edu/Trustees/Board-Policies/Pages/3000/BP-3540.aspx) and may violate federal and state laws. Violations by students and/or staff are subject to disciplinary sanctions through the office of Student Conduct and Human Resources respectively. Violations are outlined in applicable District policies (please refer to Board Policy BP3540 Sexual

and Other Assaults on Campus). Also visit (www.rscsd.edu/Departments/Risk-Management/TitleX/Pages/default.aspx) to review procedures, policies and protocols for reporting and addressing allegations of sexual misconduct.

What is Affirmative Consent?

Affirmative consent means affirmative, conscious, and voluntary agreement to engage in sexual activity. It is the responsibility of each person involved in the sexual activity to ensure that he or she has the affirmative consent of the other to engage in the sexual activity. Lack of protest or resistance does not mean consent, nor does silence mean consent. Affirmative consent must be ongoing throughout a sexual activity and can be revoked at any time. The existence of a dating relationship between the persons involved, or past sexual relations between them, should never by itself be assumed to be an indicator of consent. If coercion, intimidation, threats or physical force is used there is no consent. If a person is mentally or physically incapacitated or impaired and cannot understand the fact, nature or extent of the sexual situation, there is no consent. This includes impairment or incapacitation due to alcohol or drug consumption, or being asleep or unconscious. Inducement of incapacitation of another with the intent to affect the ability of an individual to consent or refuse to consent to sexual contact, negates consent.

Defining Sexual Assault/Rape, Domestic Violence, Dating Violence and Stalking

People who have experienced a sexual assault may struggle to understand what happened to them and to define their experience as a “sexual assault” or “rape”. This may happen due to the lack of knowledge and comfort levels with these terms.

Sexual assault is committed by boyfriends, girlfriends, friends, acquaintances, family, lovers, partners and strangers and affects people of all ages, races, genders, sexualities, and abilities. Sexual violence does not discriminate. Sexual violence is sometimes used as a way to hurt, humiliate or gain control over someone else. The fact that someone has been intimate with a partner in the past does not mean they have consented to any or all future sexual activity with that partner.

Sexual Violence

Sexual violence is defined as physical sexual acts engaged without the consent of the other person or when the other person is unable to consent to the activity. Sexual violence includes sexual assault, rape, battery, and sexual coercion; domestic violence; dating violence; and stalking.

Sexual Assault

Sexual assault occurs when physical sexual activity is engaged without the consent of the other person or when the other person is unable to consent to the activity. The activity or conduct may include physical force, violence, threat or intimidation, ignoring the objections of the other person, causing the other person’s intoxication or incapacitation through the use of drugs or alcohol or taking advantage of the other person’s incapacitation (including voluntary intoxication).

Dating Violence

Controlling, abusive, and aggressive behavior, which can include verbal, emotional, physical or sexual abuse, or a combination of these during the dating process, in either heterosexual or same sex relationships. The existence of a romantic or intimate relationship will be determined based on the length of the relationship, the type of relationship and the frequency of interaction between the persons involved in the relationship.

Domestic Violence

Domestic violence is defined as abuse committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and includes felony or misdemeanor crimes of violence committed by:

- A current or former spouse of the victim;
- By a person with whom the victim shares a child in common;
- By a person who is cohabitating with or has cohabitated with the victim as a spouse;
- By a person similarly situated to a spouse of the victim under California law; or
- By any other person against an adult or youth victim who is protected from that person’s acts under California law.

Stalking

Stalking is behavior in which a person willfully, maliciously, and repeatedly follows or willfully and maliciously harasses another person and who makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her immediate family.

Rape

Under California Penal Code 261, rape is summarized as sexual intercourse against an individual’s will accomplished by force or threats of bodily injury; or fear that the victim or another will be injured if the victim does not submit to the intercourse; or where the victim is incapable of giving consent or prevented from resisting due to being intoxicated, drugged, unconscious or asleep.

For more information go to Rape Abuse Incest National Network <https://www.rainn.org>.

Rights for Victims of Sexual Assault

If a student, employee or visitor has been the victim of an incident of sexual violence, domestic or dating violence, or stalking, they should immediately report it to the RSCCD’s District Safety and Security at 714-564-6330 or in person at a District Safety and Security Office (SAC, Building X and SCC Building U 89). In the case of an emergency or ongoing threat if possible get to a safe location and please report the incident by calling 911. Local police may be contacted at:

Santa Ana Police Department 60 Civic Center Plaza
Santa Ana, CA 92701 714-245-8665

Orange Police Department
1107 N Batavia Street Orange, CA 92867 714-744-7444

Students may also report to the Associated Dean of Student Development at:

- SAC 714-564-6211, VL (room 108)
- SCC 714-628-4932, A Building (room 201)

Employees may also report to Vice Chancellor of Human Resources at:

714-480-7489,
2323 N. Broadway, Santa Ana, CA 92706.

RSCCD officials will assist any victim in notifying law enforcement, including local police, if they elect to do so. Victims are also entitled not to report to law enforcement. Any student or employee who reports an incident of sexual violence whether the offense occurred on or off campus shall receive a written explanation of their rights and options. Victims of sexual violence on campus are urged to report the incident to District Safety and Security or go to the Student Health and Wellness Center at SAC (U-120) or SCC (T-102). Victims are provided with immediate confidential care. If the Health Center is closed, go to the Campus Safety office, (SAC at X-101, 714-564-6330 or SCC at U-89, 714-628-4730).

Off campus, victims should immediately call 9-1-1 to report the crime to law enforcement authorities. Reporting a rape or other act of sexual violence does not commit a victim to filing charges.

In California, evidence may be collected even if a victim chooses not to report the incident to local law enforcement. Even if the victim was under the influence of alcohol or drugs at the time of an attack, a sex crime has still occurred. California Penal Code says, sexual assault victims cannot be charged for misdemeanor alcohol or drug use at the time of the attack.

Students and staff may get assistance at the SAC or SCC Health Center for on and off campus, counseling and other

support services. The District maintains a zero tolerance policy regarding sexual violence. Whether a victim reports the crime to the police, or not, if the alleged offender is a member of the Campus community. The victim has a right to proceed to seek District discipline against the offender as explained in more detail at AR3540 Sexual and Other Assaults on Campus (www.rscdd.edu/Trustees/Administrative-Regulations/Pages/Admin-Regulation-BusFin-Support-Serv-AR3540.aspx) and AR 3435 Discrimination and Harassment Investigations (www.rscdd.edu/Trustees/Pages/AR-3435.aspx).

All reports of sex crimes on our facilities will be thoroughly investigated so appropriate sanctions, including disciplinary, criminal and civil action can be taken by the District and/or the State. Potential actions, which may be imposed following the final determination of an on-campus disciplinary procedure regarding sexual offenses, are 1) dismissal; 2) suspension; 3) probation; and 4) referral to local law enforcement agencies for prosecution, pursuant to Board Policy # 5201 (Standards of Student Conduct). An on-campus disciplinary proceeding, applicable to individual students, student organizations, faculty and staff, may be held in cases of alleged sexual assaults. The accuser and the accused are entitled to the same opportunity to have others present during such a hearing. Both the accuser and the accused shall be informed of the outcome of this hearing. Moreover, to the extent of the victim's cooperation and consent, campus officials will work cooperatively to ensure that the complainant's health, physical safety, work and academic status are protected pending the outcome of a formal District investigation of the complaint. For example, if reasonably available, a complainant may be offered changes to academic or working situations in addition to counseling, health services and assistance in notifying appropriate local law enforcement. Additionally, in most cases and consistent with other federal law, personal identifiable information about the victim will

be treated as confidential and only shared with persons with a specific need to know who are investigating/ adjudicating the complaint. The District does not publish the name of the crime victims nor place identifiable information regarding victims in the campus district safety and security daily crime log or online.

Procedures Victims Should Follow

After an incident of sexual assault, domestic violence, dating violence or stalking occurs it is important to seek medical attention, preserve evidence to aid in the possibility of a successful criminal prosecution. The victim of a sexual assault should not wash, douche, use the toilet, or change clothing prior to a medical exam. Any clothing removed should be placed in a paper bag. Evidence of violence, such as bruising or other visible injuries following an incident of domestic or dating violence should be documented including through the preservation of photographic evidence. Victims of sexual assault, domestic violence, stalking and dating violence are encouraged to also preserve evidence by saving text messages, instant messages, social networking pages, other communications and keeping pictures, logs or other copies of documents, if they have any, that would be useful to District hearing boards/investigators or police. The District will assist any victim with notifying local police if they so desire. A victim of domestic violence, dating violence, sexual assault or stalking who proceeds through the criminal process has the following rights:

- transportation to a hospital, if necessary;
- counseling by Student Health Center psychologist, or referral to a counseling center;
- notice to the police, if desired
- assistance with disciplinary process by Vice President of Student Services/Vice President of Continuing Education or designee;
- a list of other available campus resources or appropriate off-campus resources by Chief, District Safety and Security

Written resources are available for victims and outline reporting options and other resources. This information is available on campus or at this link: www.rscgd.edu/Departments/Risk-Management/titleIX/Documents/RSCGD_Title_IX_Brochure_English_Revised_2%20%282%29.pdf

On & Off Campus Resources

RSCGD, Santa Ana Police and Orange Police Department also offer other important resources to the victims of sexual violence including medical treatment, counseling and advocacy. The Health and Wellness Centers at SAC (U-120) or SCC (T-102) are available to assist any student or employee free of charge. The Health and Wellness Centers will also help them consider their options and navigate through any resources or recourse they elect to pursue. A victim need not make a formal report to law enforcement or RSCGD to access resources that include the following.

Community resources for victims of sexual assault include:

- North County Rape Crisis Center: 714-834-4317
- South County Rape Crisis Center: 714-752-1971
- Anaheim Regional Hospital: 714-774-1450
- Chapman Global Medical Center: 714-633-0011
- St. Joseph Hospital: 714-633-9111
- OC Global Medical Center: 714-953-3500
- Community Service Programs, Inc. 714-957-2737

Risk reduction, warning signs of abusive behavior and future attacks

No victim is EVER to blame for being assaulted or abused. Unfortunately, studies show that a person who is the victim of sexual or dating violence is more likely to be re-victimized. Below are some tips to help reduce your risk, to recognize warnings signs of abusive behavior and how to reduce the risk of a potential attack.

Warning Signs of Abusive Behavior

Domestic and dating abuse often escalates from threats and verbal abuse to violence. In addition, while physical injury may be the most obvious danger, the emotional and psychological consequences of domestic and dating violence are severe. Warning signs of dating and domestic violence include:

- Being afraid of your partner.
- Constantly watching what you say to avoid a “blow up.”
- Feelings of low self-worth and helplessness about your relationship.
- Feeling isolated from family or friends because of your relationship.
- Hiding bruises or other injuries from family or friends.
- Being prevented from working, studying, going home, and/or using technology (including your cell phone).
- Being monitored by your partner at home, work or school.
- Being forced to do things you do not want to do.

Help Reduce Your Risk and Avoid Potential Attacks

- If you are being abused or suspect that someone you know is being abused, speak up or intervene.
- Get help by contacting the Counseling Center or Health Center for support services
- Learn how to look for “red flags” in relationships so you can learn to avoid some of those characteristics in future partners
- Consider making a report with District Safety and Security and/or the Title IX Coordinator and ask for a “no contact” directive from the District to prevent future contact
- Consider getting a protection from abuse order or no contact order from a local judge or magisterial justice
- Learn more about what behaviors constitute dating and domestic violence, understand it is not your fault, and talk with friends and family members about ways you can be supported
- Trust your instincts—if something does not feel right in a relationship, speak up or end it.

Sexual Assault Prevention (From RAINN)

- Be aware of rape drugs
- Try not to leave your drink unattended
- Only drink from unopened containers or from drinks you have watched being made and poured. Avoid group drinks like punch bowls
- Cover your drink. It is easy to slip in a small pill even while you are holding your drink. Hold a cup with your hand over the top, or choose drinks that are contained in a bottle and keep your thumb over the nozzle
- If you feel extremely tired or drunk for no apparent reason, you may have been drugged. Find your friends and ask them to leave with you as soon as possible
- If you suspect you have been drugged, go to a hospital and ask to be tested
- Keep track of how many drinks you have
- Try to come and leave with a group of people you trust
- Avoid giving out your personal information (phone number, where you live, etc.). If someone asks for your number, take his/her number instead of giving out yours.

Traveling around campus (walking)

- Make sure your cell phone is easily accessible and fully charged. Subscribe to LiveSafe and use this free safety app. You can get the app at www.sac.edu/livesafe for Santa Ana College and www.sccollege.edu/livesafe for Santiago Canyon College.
- Be familiar with where emergency phones are installed on the campus
- Be aware of open buildings where you can use a phone
- Take major, public paths rather than less populated shortcuts
- Avoid dimly lit places and talk to campus services if you believe that lights need to be installed in an area
- Avoid putting music headphones in both ears so that you can be more aware of your surroundings, especially if you are walking alone
- Walking though out the campus late at night is sometimes unavoidable, so try to walk with a friend
- Carry a noisemaker (like a whistle) on your keychain
- Carry a small flashlight on your keychain
- If walking feels unsafe, try calling campus security

Stalking

Stalking is behavior wherein an individual willfully and repeatedly engages in a knowing course of harassing conduct directed at another person, which reasonably and seriously alarms, torments or terrorizes that person. Stalking involves one person's obsessive behavior toward another person. Initially, stalking will usually take the form of annoying, threatening, or obscene telephone calls, e-mails or letters. The calls may start with one or two a day but can quickly increase in frequency. Stalkers may conduct covert surveillance of the victim, following every move his/her target makes. Even the victim's home may be staked out. Many will stop after they have been arrested, prosecuted and/or convicted. Unfortunately, laws do not stop most stalkers. Studies of stalkers

indicate that they stop when their target is no longer available to them, or they find someone else to harass. Here are some strategies that might help you fight back and regain some control of your life:

- Notify the stalker to stop: Your attorney or you can send a registered letter to the stalker stating that he/she must stop the behavior immediately.
- Notify law enforcement: Request that law enforcement agencies log your complaint each time you call whether they respond or not. Request a copy of the report.
- Obtain a Protective Order: You will need to go to court to get a criminal warrant and then file for a protective order. While the stalker may not respect the order, the police are required to make an arrest if the order is violated.
- Document everything: Record any information that you or any witnesses can provide.
- Tell everyone: Give friends, neighbors, coworkers and family members a description of the stalker. Ask them to watch for him/her, document everything listed above and give you a written account for your records.
- Take pictures: When you see the stalker, try to take a photo or videotape if it is safe to do so.
- Press charges: Call the police each time the stalker breaks a law. The stalker should be arrested, bonded, and then released. Request that one of the terms of the bond be that the stalker may not have any contact with you at all. Obtain copies of all documents and the name of the arresting officer.
- Save all communications: Save and date all cards, letters, notes, envelopes, e-mails, and taped messages on your telephone voice mail that are from the stalker.
- Keep all legal documents: Obtain copies of protective orders, court orders, etc.
- Make it hard to track you down:
 - Alter travel routes and routines.
 - Obtain a post office box.
 - Give your address and phone number to as few people as possible. Inform professional organizations that they are to provide no one with information about you.
 - Post a No Trespassing sign on the edge of your property where it is clearly visible.
 - Report any threatening calls to the telephone company.
 - Report to the FBI all threats sent by mail.
- If you move:
 - Do not ask the post office to forward your mail. Have them hold it for you
 - Take all important records with you: your (and your children's) medical, financial, academic records, Social Security cards, green cards, passports, driver's licenses, etc.
- Take a self-defense class: You may find that you feel more empowered and self-sufficient, even if you never employ the techniques that you learn in your class.

The National Center for Victims of Crime Stalking Resource Center (2012b) provides a number of online resources for victim services providers to aid in promoting victim safety, here is the link: www.victimsofcrime.org/our-programs/stalking-resource-center/resources/for-practitioners.

Bystander intervention (the 4Ds)

Please remember that your safety is of the utmost importance. When a situation that threatens physical harm to yourself or another student ask someone for help or contact the police.

1. **Direct:** Step in and address the situation directly. This might look like saying, "That's not cool. Please stop." or "Hey, leave them alone." This technique tends to work better when the person that you are trying to stop is someone that knows and trusts you. It does not work well when drugs or alcohol are being used because someone's ability to have a conversation with you about what is going on may be impaired and they are more likely to become defensive.
2. **Distract:** Distract either person in the situation to intervene. This might look like saying, "Hey, aren't you in my Spanish class?" or "Who wants to go get pizza?" This technique is especially useful when drugs or alcohol are being used because people under the influence are more easily distracted than those that are sober.
3. **Delegate:** Find others who can help you to intervene in the situation. This might look like asking a friend to distract one person in the situation while you distract the other ("splitting" or "defensive split"), asking someone to go sit with them and talk, or going and starting a dance party right in the middle of their conversation. If you did not know either person in the situation, you could also ask around to see if someone else does and check in with him or her. See if they can go talk to their friend, text their friend to check in or intervene.
4. **Delay:** For many reasons, you may not be able to do something right in the moment. For example, if you are feeling unsafe or if you are unsure whether someone in the situation is feeling unsafe, you may just want to check in with the person. In this case, you can combine a distraction technique by asking the person to use the bathroom with you or go get a drink with you to separate them from the person that they are talking with. Then, this might look like asking them, "Are you okay?" or "How can I help you get out of this situation?" This could also look like texting the person, either in the situation or after you see them leave and asking, "Are you okay?" or "Do you need help?"

Education Programs

Santa Ana College and Santiago Canyon College Health Centers offer educational programs to promote the awareness of rape, acquaintance rape and other sex offenses. These sexual assault programs are aimed at the prevention of sex offenses and the procedures to be followed once a sex offense has occurred. Resources and assistance are offered

to all RSCCD students through the Crisis Intervention Team (CIT), student health center, mental health professionals and a personal growth seminar series program.

The Vice President of Student Services or designee shall:

- Provide, as part of each campus' established on-campus orientation program, education and prevention information about domestic violence, dating violence, sexual assault or stalking. The information shall be developed in collaboration with campus-based and community-based victim advocacy organizations.
- Post sexual violence prevention and education information on the campus internet website regarding domestic violence, dating violence, sexual assault and stalking.

The Vice Chancellor of Human Resources or designee shall:

- Provide during staff orientation advice on sexual assault education, prevention and information about domestic violence, dating violence, sexual assault and stalking.
- Make information available on the Title IX web site giving advice on prevention strategies.

Accommodations

Whether or not a student or employee reports to law enforcement and or pursues any formal action, if they report an incident of sexual violence, RSCCD is committed to providing them a safe learning or working environment. RSCCD will make any reasonably available change to a victim's academic, transportation, and or working situation. Students may contact the Associated Dean of Student Development for more information:

SAC 714-564-6211, S Building (room 214)
SCC 714-628-4932, A Building (room 201)

Employees may also contact the Vice Chancellor of Human Resources:

714-480-7489,
2323 N. Broadway, Santa Ana, CA 92706.

If a victim reports to law enforcement, they may assist them in obtaining a restraining order from a criminal court. RSCCD is committed to ensuring any such order is enforced on all institutionally owned and controlled property. RSCCD is also committed to protecting victims from any further harm. Accommodations for the complainant might include, but are not limited to:

- providing an escort to ensure the complainant can move safely between classes and activities;
- ensuring the complainant and alleged perpetrator do not attend the same classes or work in the same work area;
- preventing offending third parties from entering campus;
- providing counseling services;
- providing medical services;
- providing academic support services, such as tutoring;
- arranging for a student-complainant to re-take a course or withdraw from a class without penalty, including ensuring any changes do not adversely affect the complainant's academic record and reviewing any disciplinary actions taken against the complainant to see if there is a causal connection between the harassment and the conduct that led to the discipline.

Conduct Proceedings

RSCCD strictly prohibits all acts of sexual assault, domestic violence, dating violence, and stalking. In addition to facing criminal action, students, employees and other affiliates may also face disciplinary action by RSCCD irrespective of whether they are students or staff. Individuals found responsible for having committed such a violation face dismissal; suspension probation and referral to local law enforcement agencies for prosecution, pursuant to Board Policy # 5500 Standards of Student Conduct (www.rscdd.edu/Trustees/Pages/BP-5500.aspx). Incidents involving accused students will be handled by:

Associated Dean of Student Development at:

SAC 714-564-6211, S Building (room 214)
SCC 714-628-4932, A Building (room 201)

Incidents involving accused employees will be handled by: Vice Chancellor of Human Resources or their designee at:

714-480-7489,
2323 N Broadway, Santa Ana, CA 92706.

All conduct proceedings, whether the conduct is reported to have occurred on or off campus, shall provide a prompt, fair and impartial investigation and resolution by officials who have received annual training on the nature of the types of cases they are handling on how to conduct an investigation and conduct a hearing in a manner that protects the safety of victims and promotes accountability. Determination of responsibility shall be made by the Vice Chancellor of Human Resources using the preponderance of the evidence standard (which means that it is more likely than not that the alleged misconduct occurred).

In all proceedings, including any related meetings, both the accused and accuser are entitled to the same opportunities to have others present including the right to be accompanied by an advisor of their choice. Both the accused and accuser shall simultaneously be informed in writing of the outcome made by the Vice Chancellor of Human Resources of procedures for appealing the results of the outcome, of any change to the results that occurs prior to the time that they become final and when such results become final. Disclosure of the outcome shall be made to both parties unconditionally, and each shall be free to share or not share the details with any third parties.

For additional information about student conduct proceedings please consult Board Policy 5500 Standards of Student Conduct (www.rscdd.edu/Trustees/Pages/BP-5500.aspx) also available at Associated Dean of Student Development:

SAC 714-564-6211, S Building (room 214)
SCC 714-628-4932, A Building (room 201)

For additional information about employee conduct proceedings please consult BP 7365 Discipline and Dismissal available at (www.rscdd.edu/Trustees/Board-Policies/Pages/7000/BP-7365.aspx).

Internal Disciplinary Procedures that will be followed once an incident of Domestic Violence, Dating Violence, Sexual Assault, or Stalking is reported.

Sexual misconduct and relationship violence, in any form, violates the Student Code of Conduct BP 5500 (www.rscdd.edu/Trustees/Pages/BP-5500.aspx), and Board Policy 3540 (www.rscdd.edu/Trustees/Board-Policies/Pages/3000/BP-3540.aspx) and may violate federal and state laws. All investigations into these incidents will be carried out in accordance with AR 3435 (www.rscdd.edu/Trustees/Pages/AR-3435.aspx). Violation of this policy is subject to disciplinary sanctions through the Associated Dean of Student Development and/or the Human Resource Department.

Reports or complaints alleging sexual assault, domestic violence, dating violence and stalking are processed on the basis of the status of the alleged perpetrator (respondent). Reports or complaints against any District employee (faculty, staff, administrator or executive) or complaints alleging discrimination or harassment of any member of the District community by individuals who are not members of the District community (e.g., third party vendors, contractors, and guests) or harassment by a student will be processed by the Title IX Coordinator (Vice Chancellor for Human Resources and Educational Services). Confidential reports can be made through Psychological Services, based in the Health Centers at the either SAC (Village room 211) or SCC (T building).

Student conduct must conform to the standards established by the Board of Trustees. Violations are subject to the following types of disciplinary actions. (These disciplinary actions are listed in degree of severity but not necessarily in sequential order. Disciplinary actions may be imposed separately or in combination.)

- A. **WARNING** – Verbal notice to the student that continuation or repetition of specific conduct may be cause for other disciplinary action.
- B. **REPRIMAND** – Written reprimand for violation of District rules, with copy to the student and to the student disciplinary file. A reprimand admonishes the offender to avoid any future infractions of District rules.
- C. **PROBATION** – Probation is a disciplinary action which allows the offender to return to the District with the understanding of expected appropriate future behavior. Probation may include exclusion of the individual(s) from extra-curricular District activities that would be set forth in the written notice of probation. The probation would be for a specified period and appropriate notice will be sent to any advisor(s) of student organizations(s) involved. Any further violations of the Standards of Student Conduct during this probationary period will result in further, more serious disciplinary action against the offender.
- D. **RESTITUTION** – Reimbursement by the offender(s) for damage(s) or for the misappropriation of District property may take the form of appropriate community service to repair or otherwise compensate for damage(s) or loss.
- E. **REMOVAL** – An instructor or department administrator may remove a student from his or her class or departmental service for up to two days and shall report all such action to the Academic Dean of the appropriate division and to the administrative designee responsible for student discipline.

The administrative designee responsible for student discipline may suspend privileges from that class, campus service, office, department, or the entire campus based upon the violation for up to ten days.

During the period of the removal, the student shall not be returned to a class from which he or she was removed without the concurrence of the instructor and administrative designee responsible for student discipline; nor shall the student be returned to the service, department, office from which they were removed or the campus without concurrence of appropriate administrator.

If the student is a minor, the college president, or designee shall ask the parent or guardian to attend a conference regarding the removal as soon as possible and if the parent so requests, the Dean of Student Affairs or designee at Santa Ana College or the Vice President of Student Services or designee at Santiago Canyon College shall attend (depending on the college).

- A. **SUSPENSION** – The Board of Trustees, the Chancellor or the Chancellor’s designee may suspend a student for good cause, as defined in Student Code of Conduct, for any of the following periods:
 - a. From one or more classes for less than the remainder of the school term.
 - b. From one or more classes for the remainder of the school term.
 - c. From all classes and activities of the college for up to two (2) academic years.
 - d. During the period of the suspension, the student is prohibited from being enrolled in or physically present on any campus of the District for the period of the suspension. The Chancellor or designee may impose a lesser disciplinary sanction than suspension, including, but not limited to warning, reprimand, probation, restitution or ineligibility to participate in co-curricular activities or any combination of the listed options.
- B. **EXPULSION** – Expulsion may be for good cause (refer to Section I, A-V), when other means of correction fail to bring about proper conduct or when the presence of the student causes a continuing danger to the physical safety of the student or others.

Employees, who are found in contravention of District sexual assault policies, are subject to alternative sanctions ranging from:

- a. Letter of Direction,
- b. Letter of Reprimand,
- c. Suspension,
- d. Termination.

Burden of Proof

As noted, the standard of evidence for determining whether a violation occurred, specifically when investigating alleged domestic violence, dating violence, sexual assault and stalking is “preponderance of evidence.”

Protecting the confidentiality of victims

All members of the District community who have responsibility for investigations into incidents of sexual assault, domestic violence, dating violence or stalking, have been trained in confidentiality of student records and the provisions of the Family Educational Rights to Privacy Act. Personal identifiable information about the victim will be treated as confidential and only shared with persons with a specific need to know who are investigating/adjudicating the complaint or delivering resources or support services to the complainant. The District does not publish the name of crime victims nor maintain identifiable information regarding victims in the District Safety and Security departments Daily Crime Log.

Education and Prevention Programs

1. RSCCD engages in comprehensive educational programming to prevent domestic violence, dating violence, sexual assault and stalking. Educational programming consists of primary prevention and awareness programs for all incoming students and new employees that:
2. Identifies domestic violence, dating violence, sexual assault and stalking as prohibited conduct;
3. Defines what behavior constitutes domestic violence, dating violence, sexual assault, and stalking;
4. Defines what behavior and actions constitute consent to sexual activity in the State of California;
5. Provides safe and positive options for bystander intervention that may be carried out by an individual to prevent harm or intervene when there is a risk of domestic violence, dating violence, sexual assault, or stalking against a person other than the bystander;
6. Provides information on risk reduction so that students and employees may recognize warning signs of abu-

sive behavior and how to minimize the risk of potential attacks;

7. Provides an overview of information contained in the Annual Security Report in compliance with the Clery Act.
8. RSCCD has developed an annual educational campaign consisting of presentations that include distribution of educational materials to new students; participating in and presenting information and materials during new employee orientation; presenting programs throughout the year on at least a quarterly basis, including sessions such as:
 - a. Speakers on Healthy Relationships & Sexual Assault
 - b. Student Affairs campus training and inclusion of campus resources from the RSCCD web page: (www.rsccd.edu/Departments/Risk-Management/TitleIX/Pages/default.aspx).

Campus Sex Crimes Prevention Act

Members of the general public may request community notification flyers for information concerning sexually violent predators in a particular community by visiting the office of local law enforcement in their community. Local police may be contacted at:

**Santa Ana Police Department,
60 Civic Center Plaza, Santa Ana, CA 92701.
714-245-8665**

**Orange Police Department
1107 N. Batavia Street, Orange, CA 92867
Phone: 714-744-7444**

Also registered sex offender information is available at the Megan's Law website: (www.meganslaw.ca.gov).

CRIME PREVENTION PROGRAMS AND SAFETY AWARENESS PROGRAMS

RSCCD promotes security awareness on the part of all members of the campus community. The effectiveness of the District's crime prevention program is based on the cooperation of all students, faculty and staff. We seek to minimize criminal activities and opportunities through individual participation in crime awareness programs.

1. The District contributes the following towards crime prevention and security awareness.
2. ESCORT PROGRAMS – Safety Officers and student Security Assistants are available to escort persons on campus particularly during hours of darkness.
3. LiveSafe – RSCCD has partnered with LiveSafe to develop an app that provides students, faculty and staff with a direct connection to campus safety. Students, faculty, and staff can easily communicate all their safety needs to District Safety. The app has easy-to-use features to help users stay safe every day and enables us to better protect the campus. The app can be downloaded at:
 - a. Santa Ana College
www.sac.edu/livesafe
 - b. Santiago Canyon College,
www.sccollege.edu/livesafe
4. NEW STUDENT/FACULTY/STAFF ORIENTATION – The District Safety and Security Department participates in security orientation programs for new personnel and students. This occurs at the start of each semester and at staff orientation.
5. EMERGENCY CALL-BOXES/TELEPHONES – This equipment is installed at Santa Ana and Santiago Canyon Colleges and the CEC campus as part of the District's security enhancement program. Telephones are located along the main walkways, malls and in the parking lots.
6. CONTINUOUS PATROLS TO DETER CRIME – Uniformed Safety Officers patrol the campus grounds on foot, carts, bikes and marked safety cars. This is in addition to the continuing vehicle security patrols of the campus. Safety officers are on duty 24 hours a day, seven days a week at Santa Ana College and Santiago Canyon College. After hour patrols of our Education Centers and other off sites occur periodically throughout the day. Uniformed student security assistants who are assigned to patrol specific areas, and parking lots supplement the regular safety and security staff.
7. BEGINNING SELF DEFENSE - Beginning self-defense classes are offered within our District each semester. This includes instruction in personal safety and self-protection including the effective use of hands, knees, elbows, feet and a defensive mindset. Proficiency with everyday objects such as weapons and defense against common street weapons is also stressed.
8. CRIME PREVENTION BULLETINS – As often as required bulletins are issued by the District Safety Department, these bulletins offer suggestions on implementing individual security programs.
9. SAFETY ALERTS – Periodically, when a specific threat to safety exists or a serious crime has occurred on or around our campuses that may be repeated, information is provided through announcements, posted notices and e-mails.
10. WeTIP – Confidential and anonymous reports of on-campus crimes may be made to WeTIP at 800-78-CRIME or at their website: (www.wetip.com/schools). Cash rewards are possible for crimes solved through these tips.
11. VIDEO SURVEILLANCE - The District installed a video surveillance camera system throughout each of its campuses. This system records continuously and is useful to prevent and deter crime, investigate crimes, respond to critical incidents, and monitoring activity around high value or high threat areas.
12. SEXUAL ASSAULT PREVENTION And SELF DEFENSE TRAINING: At Santa Ana College and Santiago Canyon College, Campus Safety hosts a training course to students, faculty, and staff taught by a law enforcement professional. This training includes a classroom lecture and hands on interactive training.
13. BEHAVIORAL INTERVENTION AND THREAT ASSESSMENT: In order to extend our efforts on emergency preparedness and prevention, Santa Ana College and Centennial Education Center have established a Behavioral Assessment Team and Santiago Canyon College has a Threat Assessment Team. The objective of these teams is to put in place a structured process for evaluating potentially threatening situations that occur at the Colleges. The multi-disciplinary team is comprised of members from around the College community.
14. WEAPONS POLICY: The possession, carrying and use of weapons, ammunition, or explosives are prohibited on District owned or controlled property. The only exception to this policy is for authorized law enforcement officers, or others specifically authorized by RSCCD. Failure to comply with the RSCCD's weapons policy will result in disciplinary action against violators.
15. EMERGENCY PREPAREDNESS TRAINING: District Safety presents training to employees who are critical in the evacuation process should the need arise. This training includes real life examples, definitions, and practical application of building evacuations.
16. COMMUNITY RELATIONS EVENTS: District Safety staff go to different events on campus and shares information regarding safety programs and resources.

DRUG AND ALCOHOL POLICIES, PREVENTION PROGRAMS AND ALCOHOL AND DRUG FREE ENVIRONMENT

Federal law requires RSCCD to notify all faculty, staff, and students of certain information pertaining to the unlawful possession, use, or distribution of illicit drugs and alcohol on its property or as part of its activities. The information included in this report complies with the notification requirements of the Drug-Free Schools and Communities Act and regulations.

RSCCD prohibits the unlawful possession, use, manufacturing or distribution of alcohol or controlled substances by students, faculty, staff, and guests in buildings, facilities, grounds or property controlled by RSCCD or used as part of RSCCD activities. For students, this includes prohibiting the possession and consumption of any beverage containing alcohol on campuses. In addition, the smoking of any material is prohibited in all facilities of RSCCD, at all locations or within 20 yards of a doorway of a building. Smoking including electronic cigarettes is only permitted in the parking lots of RSCCD sites. Using or being under the influence of unauthorized drugs while attending District approved functions is also prohibited. Violation of this policy will constitute cause for disciplinary action. RSCCD will impose sanctions for violation of this policy, which may include completion of an appropriate rehabilitation program, expulsion from school, or referral to the authorities for prosecution. All federal and state drug and alcohol laws will be enforced.

In accordance with Public Law 101-226, "Drug Free Schools and Communities Act Amendment of 1989", the Board of Trustees of Rancho Santiago Community College District, in BP 3550 (www.rscdd.edu/Trustees/Board-Policies/Pages/3000/BP-3550.aspx) prohibits the unlawful possession, use or distribution of illicit drugs or alcohol by students employees and guests. The unlawful manufacturing, distribution, dispensing, possession or use of a controlled substance is prohibited in all facilities under the control and use of the District. Any student or employee who violates this policy will be subject to disciplinary action (consistent with local, state, or federal law), which may include referral to an appropriate rehabilitation program, the Employee Assistance Program, suspension, demotion, expulsion or dismissal, and may also be subject to criminal prosecution and sanctions including fines, jail, or prison sentences.

The Associate Deans of Student Development will handle student disciplinary action, the Vice Chancellor of Human Resources will be responsible for employee disciplinary action, and the Chief, District Safety and Security will work with local law enforcement agencies for criminal sanctions. Awareness of this policy will help create a drug and alcohol free environment. This policy and regulation are available to students and employees on the District and college websites, including the employee intranet, Admissions and Records, the college Health Centers, Student Services and Safety

and Security. It will also be included in the Annual Security Report, the college Catalogs, the Student Handbooks, and Schedule of Classes.

The District emphasizes the prevention and intervention of substance abuse through education. The colleges will provide information about the dangers of drugs and alcohol and will engage in prevention programs through efforts by the Student Services offices, the Health Centers, District Safety and Security and Risk Management. At Santa Ana College, alcohol & other prescription drug education and awareness programs offer students the opportunity to learn about prescription & other nonprescription drug abuse and impaired driving involving drugs and alcohol. Discussion topics include informed decision-making, alcohol myths, serving sizes, alcohol overdoes, college & underage drinking and related topics, drinking & driving prevention and cost of DUI through individual consultations & campus wide tabling events.

Santa Ana College also works with the California Highway Patrol (CHP) for impaired driving, which has included having officers, their vehicles and impaired driving "goggles" for students. CHP provides education and demonstration with serving sizes, comparison charts (what is an average size drink). CHP also provides education for students on prescription drug abuse. (This is targeted towards young adults who take medicine not prescribed).

At Santiago Canyon College, the Health and Wellness Center offers SCC students free access to e-CHUG (The electronic Check-Up to Go (interwork.sdsu.edu/echeckup/usa/alc/coll/?id=SCCollege&hfs=true)). The e-CHUG is an online option for students to gain insight into their relationship with alcohol by taking a brief assessment tool, which takes about 6-7 minutes to complete; it is self-guided, requires no face-to-face contact time with a counselor, and is completely anonymous. After information is entered, it is calculated and compared to national responses and SCC's local college norms. Then personalized feedback is displayed for you in a standard format. Another tool used at SCC is Screening, Brief Intervention and Referral to Treatment (SBIRT)

SBIRT is an approach to the delivery of early intervention and treatment to people with substance use disorders and those at risk of developing these disorders. Screening quickly assesses the severity of substance use and identifies the appropriate level of treatment. Brief intervention focuses on increasing insight and awareness regarding substance use and motivation toward behavioral change. Referral to treatment provides those identified as needing more extensive treatment with access to specialty care.

Assistance for substance abuse may be obtained from one of the following sources:

- SAC and SCC Student Health Centers, for confidential counseling and referral to local agencies
- Alcoholics Anonymous of Orange County, 714-556-4555
- Treatment Reference Routing Service, 800-662-HELP

- Al-Anon/Alateen Family Group Headquarters, 800-356-9996
- Nar-Anon Family Group Headquarters, 800-477-6291
- 800 Cocaine, an information and referral hotline, 800-559-9503

Alcohol Use (BP 3560)

California state law and these procedures govern the possession, sale or the furnishing of alcohol on campus. The possession, sale, consumption or furnishing of alcohol is controlled by the California Department of Alcohol and Beverage Control. However, the enforcement of alcohol laws on-campus is the primary responsibility of the Chief, District Safety and Security. The campus has been designated "Drug free" and only under certain circumstances is the consumption of alcohol permitted. The possession, sale, manufacturing or distribution of any controlled substance is illegal under both state and federal laws. Violators are subject to disciplinary action, criminal prosecution, fine and imprisonment.

It is unlawful to sell, furnish or provide alcohol to a person under the age of 21. The possession of alcohol by anyone under 21 years of age in a public place or a place open to the public is illegal. It is also a violation of this policy for anyone

to consume or possess alcohol in any public or private area of campus without prior District approval. Organizations or groups violating alcohol or substance policies or laws may be subject to sanctions by the District.

Alcoholic beverages on campus are permitted if:

- The alcoholic beverage is for use during a non-college event at a performing arts facility built on District property and leased to a nonprofit public benefit corporation.
- The alcoholic beverage is possessed, consumed, or sold, pursuant to a license or permit obtained for special events held at the facilities of a public community college during the special event. "Special event" means events that are held with the permission of the governing board of the community college district that are festivals, shows, private parties, concerts, theatrical productions, and other events held on the premises of the public community college and for which the principal attendees are members of the general public or invited guests and not students of the public community college.
- The alcoholic beverage is acquired, possessed, or used during an event sponsored by the District or an organization operated for the benefit of the District at a community college-owned facility in which any grade from kindergarten to grade 12 (inclusive) is taught. Only if the event is held at a time when students in any grades from kindergarten to grade 12 (inclusive) are not present at the facility.
- The alcoholic beverage is for use during a fundraiser held to benefit a nonprofit corporation that has obtained a license under the Business and Professions Code to do so provided that no alcoholic beverage can be acquired, possessed or used at a football game or other athletic contest sponsored by the District.

California Laws

The following California laws regarding alcoholic beverages are abbreviated for general use and may not cover all situations. It is the responsibility of the server or consumer of alcoholic beverages to be aware of, and abide by, all laws.

It is against the law:

- to sell, furnish, give, or cause to be sold, furnished, or given away any alcoholic beverage to a person under the age of 21, and no person under the age of 21 may purchase alcoholic beverages;
- for a person under the age of 21 to possess alcoholic beverages on any street or highway or in any public place or any place open to the public;
- to sell, furnish, or give away alcoholic beverages to an obviously intoxicated person;
- to sell alcoholic beverages any place in the state of California without proper license from the Department of Alcoholic Beverage Control; and
- to drive under the influence of alcohol. A driver is considered legally intoxicated if found to have a blood alcohol concentration of .08% or greater.

Penalties set by the court in a criminal action range from probation, fines up to \$1,000, or jail (state prison if a felony is also involved). If you refuse to take a blood alcohol test (Passive Alcohol Sensor test administered by a law enforcement officer), your license will be suspended automatically for a year. A second offense for driving under the influence brings increased penalties, including a two-year suspension or re- vocation of up to 4 years. For two offenses in a seven- year period, a court can suspend a driver's license for 18 months; the DMV can impose an additional 12-month suspension.

Under the "zero tolerance" law, any driver under the age of 21 found to have been driving with a blood alcohol concentration of .01% or higher will have driving privileges immediately suspended for one year. Even a small amount of beer could put a person over the limit.

About Alcohol

Alcohol is the most widely used drug on American college and university campuses. Each year there are serious injuries and deaths resulting from the misuse of alcohol.

Alcohol abuse can lead to injuries, automobile accidents, fights, sexual assaults, vandalism, academic failure, an increased risk of AIDS and other sexually transmitted diseases, and even death by suicide, alcohol poisoning, drowning, falls, and other causes. This information is designed to give you an understanding of the properties of alcohol and health risks related to its use. Although many people do not think of it as a drug, alcohol is a powerful mood altering substance. Technically, it falls into a class of drugs known as sedative-hypnotic. Alcohol depresses the brain centers for self-control and inhibition, which can lead to loud or aggressive behavior and makes alcohol appear to act like a stimulant. Like all drugs, its effects depend on the dosage and consumer.

According to the Surgeon General, women should not drink alcoholic beverages during pregnancy because of the risk of birth defects. Consumption of alcoholic beverages impairs the ability to drive a car or operate machinery and may cause health problems. If you drink on an empty stomach, are tired, sick, upset, or have taken medicine or drugs, you can be unsafe with fewer drinks. Persons who choose to drink alcohol are encouraged to use alcohol responsibly and in moderation.

Two Key Concepts

Impairment: This refers to the deficits in performance, judgment, memory, and motor skills, which occur because of alcohol consumption. Impairment becomes noticeable at blood alcohol levels of 0.05, which can occur when as few as two drinks are consumed.

The deceptive part about impairment is, by definition, impaired judgment cannot recognize its own impairment. The individual thinks he or she is functioning well, when actually he/she is not. Later, there is an impaired memory of the impaired performance.

Impairment can be a group process. If a group of individuals is drinking heavily, they may reassure one another they are all functioning well, when in fact each of them has significant mental and behavioral impairment that would be obvious to someone who has not been drinking.

Tolerance: Tolerance means that a drug becomes less effective with repeated usage, and that higher and higher doses are needed to gain the same feeling as before. It is the body's way of adapting to having a foreign substance in the system.

People develop a high tolerance to alcohol when they drink over an extended length of time. This does not mean all in one night but repeated usage of alcohol over many weeks, months, or years. While tolerance may seem to some to be desirable, it significantly increases the risk of alcoholism, long-term health problems, and social problems. For instance, alcohol taken in larger quantities over a long period can damage many body organs, including the liver, heart, and brain. In addition, a person with high tolerance may not feel or look intoxicated when consuming large amounts of alcohol, but his or her cognitive and psychomotor skills are nevertheless impaired. For example, a heavy drinker could still be lucid with a blood alcohol concentration of 0.25, whereas the average person would barely be able to function. Even so, both people would be dangerous on the highway. If an individual has established such high tolerance that he/she can be aware and functional at high blood alcohol levels, this fact by itself usually indicates an alcohol problem or addiction.

Emergencies

If you suspect that someone needs medical attention or is in need of other assistance, it is important that you call for help. Please phone 911 in case of emergencies. Generally speaking, medical attention is warranted whenever there is a serious injury or illness. How alcohol affects the individual will largely depend on the drinker's tolerance level; a heavy drinker may not be at medical risk at 0.08%, but a novice or social drinker could be in serious danger. The following situations, caused by alcohol consumption, are indicators that the individual needs immediate medical assistance or professional evaluation.

The individual may show the following symptoms:

- vomiting, causing the person to choke or stop breathing;
- passed out or in a stupor;
- fever or chills;
- difficulty speaking or breathing;
- an injury;
- unable to stand or walk, or can do so only with difficulty;

- only poorly aware of his/her surroundings;
- obnoxious or unruly; or reported to have consumed a large quantity of alcohol, or chugged, or ingested other sedating or tranquilizing drugs within the last 30 minutes..

CALIFORNIA PENALTIES AND SANCTIONS FOR ILLEGAL POSSESSION OF A CONTROLLED SUBSTANCE

Under California law, the offense of possession of any concentrated cannabis is punishable by imprisonment in jail for not more than one year or by fine of not more than \$500 or both, or by imprisonment in state prison. A person in possession of not more than 28.5 grams of marijuana is guilty of an infraction. Penalties vary by age and include community service, education or fine of not more than \$100. Possession of more than 28.5 grams of marijuana is punishable by imprisonment in jail for not more than six months, or by a fine of not more than \$500 or both. (Health and Safety Code Section 11357)

- Planting, cultivating, harvesting, drying, processing, or selling marijuana is punishable by imprisonment in a county jail. (Health and Safety Code 11358, 11359)
- Every person 18 years or older who furnishes marijuana to a minor 14 years of age or older shall be punished by imprisonment in state prison for three, four, or five years. (Health and Safety Code 11361)

- Possession of paraphernalia for unlawful use is illegal. (Health and Safety Code 11364)
- It is unlawful to be in any room or place where any controlled substances (narcotic) are being unlawfully ingested or used with knowledge that such activity is occurring.
- Possession of certain controlled substances (such as opiates, cocaine base, hallucinogenic substances, or certain narcotic drugs) is punishable by imprisonment in state prison, or probation pursuant to a felony conviction and a fine of \$1,000 for the first offense or community service. (Health and Safety Code 11352)
- Selling and transporting such substances is punishable by three or more years in state prison. (Health and Safety Code 11352)

Medical Marijuana

On November 6, 1996, the people of the State of California enacted the Compassionate Use Act of 1996, codified in Section 11362.5 of the Health and Safety Code, in order to allow seriously ill residents of the state, who have the oral or written approval or recommendation of a physician, to use marijuana for medical purposes without fear of criminal liability under Sections 11357 and 11358 of the Health and Safety Code. Laws that govern cigarettes also apply to marijuana. Those laws prohibit smoking marijuana anywhere within 1000 feet of a school, recreation or youth center, on

a school bus or in a moving vehicle or boat. Marijuana use of any form is prohibited in any kind of workplace as well as correctional facilities. Employers have the right to terminate an employee who tests positive for marijuana, even for medical use. Possession, use or distribution of marijuana on any District property is prohibited and as such anyone contravening this prohibition will be subject to disciplinary action as well as possible report to local law enforcement.

Predatory Drugs

Predatory drugs have been used to weaken a victim – both male and female – before a robbery or sexual assault.

These illegal drugs are commonly dropped into alcoholic or other beverages in predatory situations and are difficult to detect:

- Flunitrazepam (Rohypnol)
- Gamma hydroxybutyrate (GHB)
- Scopolamine /Burundanga
- Ketamine

Protect Yourself!

- Be aware, especially during notorious party times such as spring break, when you may let your guard down or you are with people you do not know.
- Drink from tamper-proof bottles or cans and insist on opening them yourself.
- Watch while any beverage you drink is mixed or prepared.
- Do not ask someone to watch your drink while you dance or go to the bathroom.
- The new formulation for Rohypnol produces a blue coloration in liquid. When used in darker liquids, the drink appears murky.

If You Think You're Being Drugged

- Do not go anywhere with anyone you do not trust.
- Get medical treatment or advice.
- Notify appropriate campus or community law enforcement. You can be tested for the drugs if you act promptly.
- Find a safe escort back to your room; do not sleep it off by yourself because you may find yourself in acute medical distress.

DRUG ABUSE PREVENTION INFORMATION

Symptoms

ANNUAL DISCLOSURE OF CRIME STATISTICS

While the campuses of the RSCCD are relatively safe places crimes do occur. We want all our community to be aware of these occurrences so they can better avoid being a victim of crime.

Theft

Theft is a common occurrence on college campuses. Often, this is because theft is often seen as a crime of opportunity. Open study areas, recreation facilities, and many open classrooms and laboratories provide thieves with effortless opportunities. Due to the friendly nature of the campus environment, many often feel a sense of security and become too trusting of their peers, while others leave classrooms and laboratories unlocked when not occupied for short periods of time.

It is important to be very vigilant when it comes to suspicious persons. Never leave items and valuables lying around un-

secured. Doors should be locked at all times. The following is a list of suggestions to help you not fall victim to theft.

- Keep doors to offices, labs, classrooms locked when not occupied.
- Do not provide unauthorized access to persons in the buildings or classrooms.
- Do not keep large amounts of money with you.
- Lock all valuables, money, jewelry, and checkbooks in a lock box or locked drawer.
- Keep a list of all valuable possessions including the makes, models, and serial numbers
- Take advantage of the Engraving Programs to have all valuables engraved with specific identifying marks.
- Do not leave laptop computers or textbooks unattended in labs or libraries, even if it is for a short period.
- Do not lend credit cards or identification cards to anyone.
- Report loitering persons or suspicious persons to District Safety and Security immediately; do not take any chances.
- Use a U lock for securing bicycles when you are leaving them on campus. The bookstore at SAC sell these locks for cost price. District Safety and Security offer a bicycle lock exchange. Any enrolled student can exchange an old bicycle lock for a U lock at the security office on their campus.

JEANNE CLERY DISCLOSURE OF CAMPUS SECURITY POLICY AND CAMPUS CRIME STATISTICS ACT

Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act (20 USC § 1092(f)) requires colleges and universities across the United States to disclose information about crime on and around their campuses. District Safety and Security collects the Clery crime statistics disclosed in the following charts through a number of methods. District Safety maintains a close relationship with all police departments where RSCCD owns or controls property to ensure that crimes reported directly to these police departments that involve RSCCD are brought to the attention of the RSCCD. In addition to collecting Clery crime statistics from local police departments, all reports of crime incidents made directly to the District Safety and Security (through dispatchers and officers) are entered into an integrated computer aided-dispatch systems/records management system. The entries are recorded in the system in accordance with the crime definitions outlined in the FBI Uniform Crime Reporting Handbook and the FBI National Incident-Based Reporting System Handbook (sex offenses only). To ensure each report is appropriately classified in the correct crime category, after a dispatcher or officer enters the report in the system, a department supervisor reviews the report to ensure it is appropriately classified. The department also periodically examines data in the system for appropriate classification.

In addition to the crime data that District Safety maintains, RSCCD collects Clery crime statistics of reports made to various campus security authorities, as defined in this report. The statistics reported in the following charts generally reflect the number of criminal incidents reported to the various campus security authorities. The statistics reported for the subcategories on liquor laws, drug laws, and weapons offenses represent the number of people arrested or referred to campus judicial authorities for respective violations, not the number of offenses documented.

Definitions of Reportable Crimes

Murder/Manslaughter – defined as the willful killing of one human being by another.

Negligent Manslaughter – defined as the killing of another person through gross negligence.

Sexual Assault (Sex Offenses) – any sexual act directed against another person, without consent of the victim, including instances where the victim is incapable of giving consent.

1. Rape is the penetration, no matter how slight, of the vagina or anus, with any body part or object, or oral penetration by a sex organ of another person, without the consent of the victim. This offense includes the rape of both males and females.
2. Fondling is the touching of the private body parts of another person for the purpose of sexual gratification, without the consent of the victim.

3. Incest is sexual intercourse between persons who are related to each other within the degrees wherein marriage is prohibited by law. Statutory Rape is sexual intercourse with a person who is under the statutory age of consent.

Robbery – defined as taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Aggravated Assault – defined as an unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm.

Burglary – unlawful entry of a structure to commit a felony or a theft.

Motor Vehicle Theft – theft or attempted theft of a motor vehicle.

Arson – any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Domestic Violence – Domestic violence is defined as abuse committed by a person who is or has been in a social relationship of a romantic or intimate nature with the victim and includes felony or misdemeanor crimes of violence committed by:

- a current or former spouse of the victim;
- by a person with whom the victim shares a child in common;
- by a person who is cohabitating with or has cohabitated with the victim as a spouse;
- by a person similarly situated to a spouse of the victim under California law; or
- by any other person against an adult or youth victim who is protected from that person's acts under California law.

Dating Violence – Means violence committed by a person—

- who is or has been in a social relationship of a romantic or intimate nature with the victim; and (b) where the existence of such a relationship will be determined by the reporting party's statement and based on a consideration of the following factors:
- The length of the relationship.
- The type of relationship.
- The frequency of interaction between the persons involved in the relationship.

Stalking – Stalking is behavior in which a person willfully, maliciously, and repeatedly follows or willfully and maliciously harasses another person and who makes a credible threat with the intent to place that person in reasonable fear for his or her safety, or the safety of his or her immediate family.

Hate Crimes – includes all of the crimes listed above that manifest evidence that the victim was intentionally selected because the perpetrator's bias against the victim based on one of the Categories of Prejudice listed below, plus the following crimes.

Larceny/Theft – includes pocket picking, purse snatching, shoplifting, theft from building, theft from motor vehicle, theft of motor vehicle parts or accessories, and all other larceny.

Simple Assault – unlawful physical attack by one person upon another where neither the offender displays a weapon, nor the victim suffers obvious severe or aggravated bodily injury involving apparent broken bones, loss of teeth, possible internal injury, severe laceration or loss of consciousness.

Intimidation – to unlawfully place another person in reasonable fear of bodily harm through the use of threatening words and/or other conduct but without displaying a weapon or subjecting the victim to actual physical attack.

Destruction/Damage/Vandalism to Property (except Arson) – to willfully or maliciously destroy, damage, deface, or otherwise injure real or personal property without the consent of the owner or the person having custody or control of it.

Categories of Prejudice

Race – A preformed negative attitude toward a group of persons who possess common physical characteristics genetically transmitted by descent and heredity that distinguish them as a distinct division of humankind.

Gender – A preformed negative opinion or attitude toward a group of persons because those persons are male or female.

Religion – A preformed negative opinion or attitude toward a group of persons who share the same religious beliefs regarding the origin and purpose of the universe and the existence or nonexistence of a supreme being.

Sexual Orientation – A preformed negative opinion or attitude toward a group of persons based on their sexual attraction toward, and responsiveness to, members of their own sex or members of the opposite sex.

Ethnicity/national origin – A preformed negative opinion or attitude toward a group of persons of the same race or national origin who share common or similar traits, languages, customs, and traditions.

Disability – A preformed negative opinion or attitude toward a group of persons based on their physical or mental impairments/ challenges, whether such disability is temporary or permanent, congenital or acquired by heredity, accident, injury, advanced age, or illness.

Gender Identity – A preformed negative opinion or attitude toward a group of persons because the perceived gender of those persons may be different from the gender traditionally associated with their gender at birth.

NONDISCRIMINATION POLICY

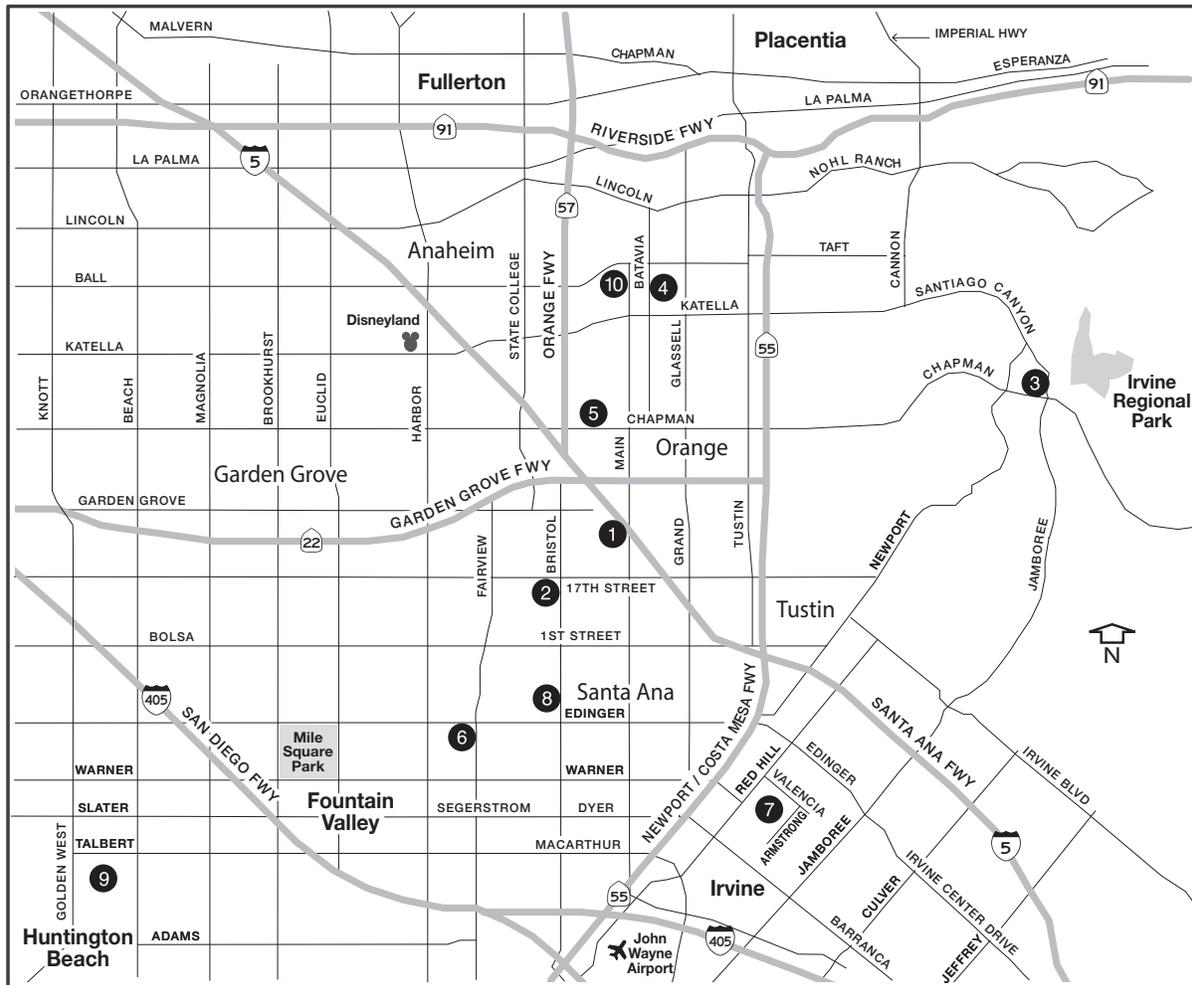

The District is committed to equal opportunity in educational programs, employment and all access to institutional programs and activities. The District and each individual who represents the District, shall provide access to its services, classes and programs without regard to national origin, religion, age, gender, gender identity, gender expression, race or ethnicity, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or based on association with a person or group with one or more of these actual or perceived characteristics.

The Chancellor shall establish administrative procedures that ensure all members of the college community can present complaints regarding alleged violations of this policy and have their complaints heard in accordance with the Title 5 regulations and those of other agencies that administer state and federal laws regarding nondiscrimination.

No District funds shall ever be used for membership, or for any participation, involving financial payment or contribution on behalf of the District or any individual employed by or associated with it, to any private organization whose membership practices are discriminatory on the basis of national origin, religion, age, gender, gender identity, gender expression, race, color, medical condition, genetic information, ancestry, sexual orientation, marital status, physical or mental disability, pregnancy, or military and veteran status, or because he or she is perceived to have one or more of the foregoing characteristics, or because of his or her association with a person or group with one or more of these actual or perceived characteristics. Inquiries regarding compliance and/or grievance procedures may be directed to RSCCD Title IX Officer and Section 504/ ADA Coordinator is the Vice-Chancellor of Human Resources, 2323 N. Broadway, Santa Ana, CA 92706, 714-480-7490.
