Application Career Pathway Writing

Student Name: _____

Date: _____

Compare SAC's credit/non-credit CTE pathways by answering the following questions:

- What are the similarities?
- What are the differences?
- Is there something you would like to pursue in the future?
-

Write a two-paragraph writing about your career pathway, available job(s), and necessary action steps. Please include the following in your writing.

* Paragraph 1- The similarities/differences between credit and non-credit CT.

* Paragraph 2 – Your chosen career pathway title, available jobs/career areas and education/experience requirements for the jobs along with the necessary action steps, including sample classes and possible career-related work experiences.
