

Health Awareness Proposal Form

There are so many health topics that people in our community should know more about. You and your partners are going to choose a health topic you believe people need to be educated about and use your creativity to come up with a unique way to raise awareness about it. You have 30 minutes to complete this activity.

**Make sure to do research online to help you answer the questions below. Google these health campaigns for guidance and inspiration.*

<i>The Truth - antismoking campaign</i>	<i>Healthy Schools Campaign</i>	<i>Let's Move – Exercise campaign</i>	<i>Wear It Pink – Breast Cancer Awareness</i>
---	---------------------------------	---------------------------------------	---

Step 1: What health topic will you focus on? Why are you choosing this topic?

Step 2: What do you plan to teach community members about your health awareness topic?

Step 3: What type of event or activity will you hold to raise awareness about your topic?

Step 4: In addition to your event, how else will you educate community members about your topic?

Step 5: How will you fund your proposal idea?

Step 6: How will you recruit volunteers?

Step 7: Prepare for your class presentation. Your group will be sharing steps 1 – 6 with the class. Your presentation must be between 2 and 3 minutes long and every group member should participate.

Bonus: *In lieu of a presentation, your group can choose to create a 30 - 60 second video about your health awareness proposal. Make sure to include the following:*

- *Your health awareness name*
- *Why your health awareness topic is important*
- *A health awareness event that will be happening soon*
- *Information on how viewers can learn more*
