

Comparison Shopping - Sentence Construction

Materials Needed: Two Supermarket Circulars (Circular is another word for advertisement.)

Step 1: Find three items that are listed in both circulars.

Example: Bottled water, salmon, & toilet paper

Item 1:	Item 2:	Item 3:

Step 2: Compare their prices.

Example: Bottled Water Northgate: \$5.99 for 24 pack Albertsons: \$9.99 for 24 pack

Item Name	Price at Supermarket 1	Price at Supermarket 2

Step 3: Construct comparative sentences using the information above.

Example: A 24 pack of bottled water is cheaper at Northgate than at Albertsons.

Item 1 Sentence: _____

Item 2 Sentence: _____

Item 3 Sentence: _____

In your opinion, what supermarket in your community has the best prices?
