

## Communicative Practice Scenarios

### Scenario 3:

Tom is a student at Santa Ana College/ Santiago Canyon College. He's been looking for work for the past four months. Recently, he heard from a classmate that there is a service which provides vocational training and assists to meet the Department of Social Services requirements. He's excited to find out more about this service.

### Scenario 4:

Savana is a student at Santa Ana College/ Santiago Canyon College. She's been working at a restaurant for the past two years, but she's been looking for a different job. She's interested in working as a daycare assistant teacher. She's wondering what she needs to do to qualify to apply for the job.

### Scenario 5:

Emily is a student at Santa Ana College/ Santiago Canyon College. She's currently enrolled in ESL classes (8-11am/ Monday through Thursday). Emily has two young children at home. When she is in school, her mom comes over and watches her children. However, Emily has a problem now. Her mom will be out of country for the next two months to visit her relatives in Peru. Emily doesn't know what to do.

### Scenario 6:

Lupe is a new student at Santa Ana College/ Santiago Canyon College. She heard there are many benefits of having a college student ID and is wondering where she can get her ID. She doesn't know whether she has to pay a fee or not.

### Scenario 7:

Van is a student at Santa Ana College/ Santiago Canyon College. He is having a hard time hearing the teacher's instructions and directions in class. He is wondering where he can get some help and what kind of accommodations the college offers.

### Scenario 8:

Billy is a new student at Santa Ana College/ Santiago Canyon College. He wants to explore various services offered at SAC/SCC. Especially, he is wondering if the college offers any scholarships and wants to find out the qualifications to see if he qualifies.
