

Award Type Certificate of Competency (Noncredit)

Description

Description

The combination of courses in this certificate is designed to help students be proficient in using English in situations that occur at home, school, work, and in the community. These courses emphasize and provide higher-level reading and writing instruction leading to completion of student learning outcomes to prepare students for higher education, career opportunities, and lifelong learning.

Program Learning Outcomes

1. **Outcome**

Students will acquire high-intermediate to advanced-level competency and skills to be prepared to take noncredit or credit courses and programs in other subject areas, academic and vocational training programs, as well at other institutions.
