

# SAC Nuventive Tutor Bot

An AI bot has been created to support Administrators using Nuventive as proof-of-concept with the Nectir.ai platform. The state Chancellor's Office created a pilot partnership with Nectir to make this platform available. Please provide feedback to John Steffens, Director, Student Information Support.

Access the bot using [this link for administrators](#). The first time you access the platform, you will need to create an account.

## Creating an Account

1. Navigate to the platform and select the "Create Account" button

**nectir**

### Log in

Use your school email to access Nectir.

**Sign in with email**

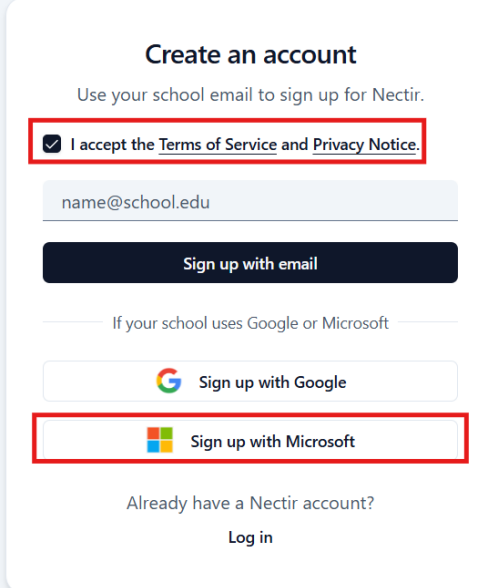

If your school uses Google or Microsoft

 Sign in with Google

 Sign in with Microsoft

**New to Nectir?**  
**Create an account**

2. Check the box to accept the Terms and Conditions and then select “Sign up with Microsoft”

**Create an account**

Use your school email to sign up for Nectir.

I accept the Terms of Service and Privacy Notice.

name@school.edu

Sign up with email
