

# A Haunted House

## *Writing Activity*

One night just before Halloween, you discover a haunted house. You decide to go inside this spooky house and explore. You shine the light from your phone to see the old, creaky house. What does the house look like? What sounds do you hear? Is the moon full? Do you hear the hoot of an owl? Do you see rats scurry across the floor?

**In a short story, describe it!**
