

Christmas Cookies

Sugar cookies are popular in December. Sugar cookies are made with flour, powdered sugar, butter, eggs, baking soda, and vanilla. The cookie dough is rolled flat and cut with cookie cutters. Popular shapes are stars, snowmen, wreaths, candy canes, and angels. The cookies are baked in a 350-degree oven for about 8 minutes. After the cookies cool, they are decorated with colored frosting, sprinkles, and small pieces of candy. People put their cookies on pretty plates or in baskets. They take their cookies to work or to school and share them with their friends.
