

# Student Learning Outcome (SLO) Assessment Results

**Course:** ESL 801 ESL for Patient Care Skills

**Semester:** Spring 2026

**Instructor Name:** \_\_\_\_\_

**Section Number:** \_\_\_\_\_

**Date:** \_\_\_\_\_

**Instructions:** For each SLO, report the assessment results in the third column. If you have any suggestions for improvement regarding the SLOs, write them in the box on the next page. Return these results to Rita Van Dyke-Kao by the last day of instruction.

SLO	Assessment Criteria	Assessment Results
<p>SLO #1: Demonstrate effective communication skills in a healthcare environment by appropriately responding to work-related questions, communicating with co-workers and residents, and explaining procedures clearly.</p>	<p>Student work should be evaluated using appropriate course assessments (e.g., tests, projects, assignments, etc.). A score of 70% or higher indicates that the student meets expectations for the SLO. A score below 70% indicates that the student does not meet expectations.</p>	<p># of students assessed: _____                      # of students who meet expectations: _____                      # of students who do not meet expectations: _____</p>
<p>SLO #2: Demonstrate comprehension of patient care scenarios, procedures, and regulatory standards (such as HIPAA, OBRA, Title 22) by articulating opinions or providing detailed, step-by-step instructions.</p>	<p>Student work should be evaluated using appropriate course assessments (e.g., tests, projects, assignments, etc.). A score of 70% or higher indicates that the student meets expectations for the SLO. A score below 70% indicates that the student does not meet expectations.</p>	<p># of students assessed: _____                      # of students who meet expectations: _____                      # of students who do not meet expectations: _____</p>
