ACADEMIC HONESTY POLICY

(An Academic Honesty/Plagiarism statement is required on your syllabus. Suggested wording below.)

You are expected to be honest in this course. That means that any assignments or quizzes that you turn in should be original, not copied from others, and that the work is done by the student receiving the grade. This does not mean that you can't work with others on homework. In fact, I encourage you to talk about homework problems with your classmates and to practice your English with others. I want you to be successful in my class, and I understand that plagiarism can sometimes be confusing for ESL students. However, I also want you to be aware that plagiarism has serious consequences in the United States. Please contact me if you have questions about plagiarism.

ACADEMIC INTEGRITY AND ARTIFICIAL INTELLIGENCE (AI)

(Should you choose to include a statement on AI use in your class, please visit the [ASCCC's Academic Integrity Policies in the Age of Artificial Intelligence \(AI\) Resource Document](#) for examples of possible statements, depending on your approach. See pages 6-8 for examples.)

TITLE IX STATEMENT

(Should you choose to include a statement about Title IX in your syllabus, please use the following statement, updated August 8, 2019, and approved by the Academic Senate.)

Santiago Canyon College (SCC) faculty are committed to supporting our students and providing an environment free from sex or gender-based harassment or discrimination as outlined by Title IX of the Education Amendments Act of 1972. Therefore, if a student chooses to confide in a member of SCC's faculty regarding an issue of sexual misconduct, sexual harassment, stalking, intimate partner violence, or other forms of gender-based discrimination or harassment, that faculty member is obligated to tell the Title IX Coordinator. Faculty members are considered "responsible employees" under Title IX and are required to report all details of an incident (including the identities of both the victim and alleged perpetrator) to the Title IX Coordinator. This disclosure allows the college to take immediate action to protect the victim and take steps to correct and eliminate the misconduct.

If a student does not wish to report an incident to a responsible employee but wishes to speak to someone confidentially, the student can speak to a psychologist for free through the TimelyCare application: [TimelyCare 24/7 medical and mental health care](#)
