

Thanksgiving Day

It's the fourth Thursday in November. It's Thanksgiving Day.

Families are getting together. What happens on Thanksgiving? Families have a feast on Thanksgiving. They have turkey for dinner. They have stuffing with their turkey. They have mashed potatoes and gravy. They have cranberry sauce. For dessert, they have pumpkin pie for dessert. Families give thanks on Thanksgiving. They are thankful for the food they eat. They are thankful for the friends and family they have.
