FMP Goals Discussion (Previous FMP Goals/Principles for Reference below)

- Create a plan with order and flexibility
- Develop a complete plan with long-term solutions
- Develop a plan that is based on college-wide priorities
- Develop the image of the campus to the surrounding community
- Focus on students
- Consolidate related programs
- Encourage collaboration and connections
- Right-size functions and spaces to align with state standards
- Identify facilities to be replaced versus renovated
- Incorporate universal access design principles
- Incorporate sustainable design principles

Add:

- **M&O should be always considered**
- **Welcoming & inviting**

Maximize functional space

- Renovate facilities
- Address program needs

Eliminate non-functional space

- Remove temporary buildings
- Replace aging facilities

Improve efficiency/utilization of facilities

- Plan facilities to consolidate related programs
- Create flexible, interdisciplinary spaces
- Plan for efficient use of space

Right-size the campus to address program needs

- Align the projected space inventory with state guidelines
- Position the College to maximize funding (federal, state, and local)

Develop the campus environment

- Define clear, inviting campus entry points
- Develop clear pedestrian connections
- Create gathering spaces to support collaboration

Establish principles to guide the design of facilities

- Design for safety and security
- Design for sustainability
- Design to foster connections
