NEW BUSINESS	REPORT/OUTCOME	MEMBER
1. Review of Minutes from March 18 th , 2024	Approved	Scott Sakamoto
2. INTRODUCTIONS/ANNOUNCEMENTS	<ul style="list-style-type: none"> • Community science Night is on 4/19/2024. • There will be a trailer for an amazing babies brain attraction in the current drop off location (Trail's End) starting 4/18 for about a week. The drop off area will be closed. • Earth week is 4/22-4/25. 	
3. District Presentations	<ul style="list-style-type: none"> • Phase 1 of the entrance project is almost done. Hopefully, striping helps the traffic flow at the new drop off outside of the Science building. • Phase 2 is scheduled to begin in Fall 2024. • The new key system was discussed. It will be initiated at sAC, and then come to SCC. • Discussed the safety issues with buildings A and B, and the new key system should fix these issues. The topic is already under investigation. 	District Facilities (See Facilities and Safety site for PP located in the google drive folders)
4. Public Safety	<ul style="list-style-type: none"> • No update outside of what was mentioned during the district report. 	Tiffany Tingirides
5. College Facilities Update	<ul style="list-style-type: none"> • No update. 	Chuck Wales
6. Basics Needs Center	<ul style="list-style-type: none"> • No update. 	Jovannys Mejia
7. NEW BUSINESS /OTHER	<ul style="list-style-type: none"> • U-village decommission update. Scott is collecting usage surveys. The next task force meeting is 4/22/2024 in H-327 at 3 pm. The task force will begin brainstorming ideas for the relocation of U-village residents. 	

	<ul style="list-style-type: none"> • It was noted that there are still issues with Science building doors opening properly. • Martin Stringer mentioned the potential of submitting an FMR to convert SC-115 into the MESA center space required. The MESA program requires a space of at least 500 square feet for the MESA center. 	
OLD BUSINESS & PROJECT STATUS REPORTS		OUTCOME/FOLLOW UP
1. Relocation OEC Classes	The Air Quality Management District has requested a revision to the permit due to a change in condition and recently approved the permit. The M&O contractor will restart the equipment and continue remediation work after system adjustments are made. The district is still exploring various OEC development options.	Ongoing
1. Naming of Buildings - Process	No further action has been taken.	Progress report will be provided.
Next Meetings	Spring 2024 Facilities and Safety meetings (Room SC-110, 3:00pm- 4:30pm) February 26, 2024 March 18, 2024 April 15, 2024 May 20, 2024	

**Santiago Canyon College
Mission Statement**

Santiago Canyon College is an innovative learning community dedicated to intellectual and personal growth. Our purpose is to foster student success and to help students achieve these core outcomes: to learn, to act, to communicate, and to think critically. We are committed to maintaining standards of excellence and providing the following to our diverse community: courses, certificates, and degrees that are accessible, applicable, and engaging.

(Approved by RSCCD Board of Trustees, 12-04-17)
