

TAG Goals 2026-2027

1. Review and update Goals on Strategic Technology Plan for the following two-year period (2027-2029).
2. Approve and adopt Districtwide Initiatives for FY 2027-2028 into the Strategic Technology Plan.
3. Maintain updated computing standards.
4. Update Administrative Regulations guiding the use of technology.
5. Get periodic updates from the Districtwide Accessibility Workgroup and Districtwide AI Taskforce and support their initiatives, as needed.
