Request for Specific Equivalencies to Minimum Qualification for a Discipline/Program**FORM I**

Each time a department wants to alter its agreed upon equivalencies for all discipline hirings, it must file a new "Request for Equivalencies to Minimum Qualifications" form.

Name of the Discipline: Coaching

1) List the current Minimum Qualifications for the discipline:

Any bachelor's degree and two years of professional experience, or any associate degree and six years of professional experience.

2) List the equivalencies that the Department accepts as valid:

Equivalent to the Associate's Degree is a minimum of 60 semester units of transfer-level community college coursework and/or university coursework completed.

Professional Experience requirements may be satisfied through any combination of years of athletics playing experience and/or years of full-time and part-time work experience that establish the candidate's necessary sport specific, collegiate-level knowledge and skills as determined by the Athletics Administrator for Head Athletics Coaching positions or the Head Coach seeking the assistant for Assistant Athletics Coaching positions.

3) Rationale:

These minimum qualifications provide necessary flexibility in finding a highly qualified Intercollegiate Athletics Coach. Many qualified Athletics Coaching candidates are former intercollegiate student-athletes who transferred without a transcribed Associates Degree and are in the process of working towards Bachelors Degree completion. Occasionally, the most qualified and available Athletics Coaching candidates are younger coaches completing their education while simultaneously building their resume of professional experience.
