Request for Specific Equivalencies to Minimum Qualification for a Discipline/Program

FORM I

RECEIVED
2017 APR 11
HUMAN RESOURCES

Each time a department wants to alter its agreed upon equivalencies for all discipline hirings, it must file a new "Request for Equivalencies to Minimum Qualifications" form.

Name of the Discipline: HISTORY

1) List the current Minimum Qualifications for the discipline:

Possess from an accredited institution: A master's degree in history OR bachelor's degree in history AND master's degree in political science, humanities, geography, area studies, or social science,
OR
Possess a valid California Community College credential authorizing service in the discipline, OR
The equivalent (applicants who do not meet the above minimum qualifications must complete the Equivalencies Section in the application form and provide conclusive evidence of such).

2) List the equivalencies that the Department accepts as valid:

A bachelor's degree in history AND 30 upper division and/or graduate-level units in history

3) Rationale:

The Academic Senate for California Community Colleges has consistently supported the following basic principles for granting equivalency:

Equivalent to the minimum qualifications means equal to the minimum qualifications, not nearly equal.

The applicant must provide evidence of attaining coursework or experience equal to the general education component of a regular associate's or bachelor's degree.

The applicant must provide evidence of attaining the skills and knowledge provided by specialized coursework required for a master's degree in history.

The Academic Senate believes that faculty members must exemplify to their students the value of an education that is both well rounded and specialized.
