Each time a department wants to alter its agreed upon equivalencies for all discipline hirings, it must file a new "Request for Equivalencies to Minimum Qualifications" form.

Name of the Discipline: Reading

1) List the current Minimum Qualifications for the discipline:

Minimum Qualifications for Reading: Master's degree in education with a specialization in reading or teaching reading OR bachelor's degree in any academic discipline AND 12 semester units of course work in teaching reading AND master's degree in English, literature, linguistics, applied linguistics, composition, comparative literature, TESL, or psychology OR the equivalent.

2) List the equivalencies that the Department accepts as valid:

Minimum Qualifications for Reading: Master's degree in education with a specialization in reading or teaching reading OR bachelor's degree in any academic discipline AND 12 semester units of course work in teaching reading AND master's degree in English, literature, linguistics, applied linguistics, composition, comparative literature, TESL, or psychology OR the equivalent.

3) Rationale:

The SCC and SAC Reading faculty have determined that the minimum qualifications for reading faculty requires the breadth and depth of coursework to effectively teach reading at the college level. Additional equivalencies would lower the standards established by the minimum qualifications, which are already broad in scope.
