Request for Specific Equivalencies to Minimum Qualification for a Discipline/Program

FORM I

Each time a department wants to alter its agreed upon equivalencies for all discipline hirings, it must file a new "Request for Equivalencies to Minimum Qualifications" form.

Name of the Discipline: Sign Language, American

1) List the current Minimum Qualifications for the discipline:

Any bachelor's degree and two years of professional experience, or any associate degree and six years of professional experience. The professional experience required must be directly related to the faculty member's teaching assignment.

(pages 50 - 54 of the Minimum Qualifications for Faculty and Administrators in California Community Colleges, January 2012.)

2) List the equivalencies that the Department accepts as valid:

Any bachelor's degree and two years of professional experience, or any associate degree and six years of professional experience. The professional experience required must be directly related to the faculty member's teaching assignment.

(pages 50 - 54 of the Minimum Qualifications for Faculty and Administrators in California Community Colleges, January 2012.)

3) Rationale:

The approved minimum qualifications are established at a level that is truly the minimum and no other configuration of equivalence that did not include a Bachelor's or Associates degree would be considered qualified.
