

## Santa Ana College Course Advisements in ESL/EMLS/English, Reading, and Math

November 2016

Standardized placement tests are administered to all students prior to their initial placement into the Math, English, ESL/EMLS, and Reading course sequences. Those scores are valid for placement into the specified English/ESL/EMLS course for a period of two years, into the Math course sequence for a period of one year, and into Reading coursework indefinitely. The recommendations included here indicate course advisements for the given semester (based on the test score and multiple measures), and DO NOT indicate actual enrollment in these courses for the specified semester.
